GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections, to meet at the polling places designated for the several precincts in said Town on

MONDAY, THE SEVENTH OF MARCH, 1960

at seven o'clock in the forenoon, to act on the following Articles, namely:

Article 1. To elect by ballot the following Town Officers: One Town Clerk for three years; one Treasurer for three years; two Selectmen for three years; one Assessor for three years; three members of the School Committee for three years and one member of the Arlington Housing Authority for five years; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of Town Meeting Members as hereinafter specified: in Precinct 1, one such member for one year, one such member for two years and five such members for three years; in Precinct 2, one such member for one year, one such member for two years and six such members for three years; in Precinct 3, two such members for two years and four such members for three years; in Precinct 4, one such member for two years and six such members for three years; in Precinct 5, twenty-one members to be elected; in Precinct 6, five such members for three years; in Precinct 7, five such members for three years; in Precinct 8, fifteen members to be elected; in Precinct 9, one such member for one year and six such members for three years; in Precinct 10, fifteen members to be elected; in Precinct 11, twenty-one members to be elected; in Precinct 12, six such members for three years; in Precinct 13, one such member for one year, one such member for two years, and six such members for three years; in Precinct 14, one such member for one year, one such member for two years and eight such members for three years, and to see if the Town will accept the provisions of Chapter 595 of the Acts of 1959 amending Chapter 32B of the General Laws by inserting after Section 9, Section 9A, being, "Shall the Town pay one-half the premium costs payable by a retired employee for group life insurance and for group general or blanket hospital, surgical and medical insurance?"

For these purposes, the polls will be opened at seven o'clock A.M. and remain open until eight o'clock P.M., at each of polling places designated, viz: Precinct One, in the East Arlington Branch Library, entrance on Massachusetts Avenue; Precincts Two and Four, in the Hardy School Building, entrance of Lake Street; Precinct 3, in the Junior High School Building East, entrance on Tufts Street; Precinct 5, in the Thompson School Building, entrance on North Union Street; Precincts Six and Eight, in the Town Hall; Precincts Seven and Nine, in the St. Agnes Parochial School Building; Precinct 7, side entrance on Medford Street; Precinct 9, entrance on Compton Street; Precincts 10A and 12A, in the Cutter School Building, entrance on Robbins Road; Precincts 10B and 12B, in the Brackett School Building, entrance on Eastern Avenue; Precinct Eleven, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct Thirteen, in the Peirce School Building, entrance on Park Avenue

North, Heights; Precinct Fourteen A, Park Avenue Congregational Church; entrance on Paul Revere Road; Precinct Fourteen B, in the Dallin School Building entrance on Florence Avenue.

You are, also required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Monday, the twenty-first day of March, 1960, at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Prevention Code for the town of Arlington; of the committee under vote of the Town passed March 26, 1952, to investigate, consider and make recommendations for the purchase or taking by eminent domain, or otherwise, of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles; of the committee under votes of the Town passed March 20, 1953, and March 24, 1954, to investigate, consider and make recommendations to the Town relative to the construction and operation of refuse disposal incinerators; of the committee under vote of the Town passed March 15, 1954, to investigate and study the adequacy of the present school buildings within the Town, and the future locations of new school buildings; of the committee under vote of the Town passed March 22, 1954, to procure plans and estimates for the construction of a school building in the area of North Union Street; of the committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets; of the committee under vote of the Town passed March 24, 1954, to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach; of the Peirce School Playground Improvement Committee under vote of the Town passed March 25, 1955; of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955; of the committee on quarters for organizations now occupying the Old Town Hall under vote of the Town passed April 2, 1956; of the committee on the improvement of the acoustics in the Robbins Memorial Town Hall auditorium under vote of the Town passed April 2, 1956; of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956; of the Arlington Development Commission under vote of the Town passed March 25, 1957; of the committee under vote of the Town passed March 25, 1957, to study, investigate, consider and make recommendations relative to the use of the area in the rear of the Junior High School West for the parking or passage of motor vehicles for the relief of traffic congestion; of the committee under vote of the Town passed March 27, 1957, to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows; of the committee under vote of the Town passed March 21, 1958, to investigate, consider and make recommendations as to the advisability of installing vote machines in any or all of the precincts of the Town; of the committee under vote of the Town passed March 23, 1959, to investigate, consider and make recommendations relative to the replacement of the Town's radio broadcasting system in accordance with the directive contained in Docket 12295 of the Federal Communications Commission; of the committee under vote of the Town passed March 23, 1959, to procure plans and estimates for the construction of an elementary school building on land owned by the Town located on Pheasant Avenue; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To see if the Town Hall will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1961, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and

charges for aid, relief or care furnished prior to January 1, 1960, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 6. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, by increasing all money figures contained therein by approximately five percent (5%) to the nearest even dollar or \$208.00, whichever is the greater, in the annual salary schedule, and \$4.00 or approximately five percent (5%) to the nearest even daily rate, whichever is the greater, in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately five percent (5%) to the nearest dollar; said amendment to be effective April 1, 1960; appropriate the sum of \$102,000.00 to be expended by the various departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 7. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "Maximum - \$7804.00" where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum - \$8300.00"; said amendment to be effective April 1, 1960; appropriate the sum of \$744.00 to be expended by the various departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 8. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by adding Grade AG 15 with the words and figures "Minimum - \$7920.00", "Step 1 - \$8220.00", "Step 2 - \$8520.00", "Step 3 - \$8820.00", and "Maximum - \$9120.00"; and by reallocating Superintendent of Public Works, from Grade AG 14 to Grade AG 15; said amendment to be effective April 1, 1960; appropriate the sum of \$387.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 9. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "Minimum - \$7404.00", "Step 1 - \$7704.00", "Step 2 - \$8004.00", "Step 3 - \$8304.00", and "Maximum - \$8604.00" where they appear in Grade AG 14 of said Schedules and inserting in place thereof the words and figures "Minimum - \$6960.00", "Step 1 - \$7210.00", "Step 2 - \$7460.00", "Step 3 - \$7710.00", and "Maximum - \$7960.00"; and by reallocating Town Accountant and Town Engineer, Grade 5, from Grade AG 13 to AG 14; said amendment to be effective April 1, 1960; appropriate the sum of \$676.00 to be expended by the various departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 10. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Senior Building Custodian (Senior High School), from Grade MC 7 to Grade MC 8; and by reallocating Assistant Supervisor of Custodians, from Grade AG 8 to Grade AG 10; said amendments to be effective April 1, 1960; appropriate the sum of \$538.50 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 11. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "(6¢ per hour additional when on offal and ashes)" where they appear after the classification of Public Works Laborer and inserting in place thereof the words and figures "(10¢ per hour additional when on offal and ashes)"; said amendment to be effective April 1, 1960; appropriate the sum of \$1003.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 12. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Tree Climber, from Grade MC 4 to Grade MC 5; and by striking out the classification "Working Foreman Tree Climber" in Grade MC 5; said amendment to be effective April 1, 1960; appropriate the sum of \$626.40 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 13. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by striking out the classification "Sign Painter" in Grade MC 4 and inserting in place thereof the classification "Sign Painter and Painter (10¢ per hour additional when sign painting)"; said amendment to be effective April 1, 1960.

(Inserted at the request of the Personnel Board)

Article 14. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Motor Equipment Repairman, from Grade MC 5 to Grade MC 6; said amendment to be effective April 1, 1960; appropriate the sum of \$986.58 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 15. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Working Foreman Motor Equipment Repairman, from Grade MC 6 to Grade MC 7; said amendment to be effective April 1, 1960; appropriate the sum of \$191.84 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 16. To see if the Town will amend Schedule A of the Classification Plan, Public Works Department, from Grade AG 11 to Grade AG 12; said amendment to be effective April 1, 1960; appropriate the sum of \$276.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 17. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by inserting after the classification of "Motor Equipment Operator, Grade 3" the following: "(10¢ per hour additional when operating power shovel, power grader and power sweeper)"; said amendment to be effective April 1, 1960.

(Inserted at the request of the Personnel Board)

Article 18. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Storekeeper, from Grade MC 4 to Grade MC 5; said amendment to be effective April 1, 1960; appropriate the sum of \$156.60 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 19. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by adding the classification of Forestry Foreman, Grade MC 7.

(Inserted at the request of the Personnel Board)

Article 20. To see if the Town will vote to appoint a committee of five (5) persons to consist of the Town Manager, Superintendent of Schools, one member of the Personnel Board, and two (2) registered voters of the Town to investigate, consider, and make recommendations relative to Town encouragement, financially or otherwise, of Town employees seeking formal education in areas related to or growing out of their full-time activities; appropriate a sum of money for use of said committee; deter-

mine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the Personnel Board)

Article 21. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, by increasing all money figures contained therein by approximately three percent (3%) to the nearest even dollar or \$130.00, whichever is the greatest, in the annual salary schedule, and \$2.50 or approximately three percent (3%) to the nearest even daily rate, whichever is the greater, in the weekly salary schedule and by increasing the compensation of regularly employed part-time employees by approximately three percent (3%) to the nearest dollar; said amendment to be effective April 1, 1960; appropriate the sum of \$61,500.00 to be expended by the various departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Finance Committee)

Article 22. To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Assistant Collector, from Grade AG 4 to Grade AG 5; said amendment to be effective April 1, 1960; appropriate the sum of \$34.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of ten (10) registered voters)

Article 23. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by increasing all money figures contained therein by \$312.00 in the annual salary schedule and \$6.00 in the weekly salary schedule, and by increasing the compensation of part-time employees, whose hours of work follow a regular schedule, proportionally as their actual part-time service bears to full-time service; will appropriate a sum or sums of money therefor to be expended by the various departments affected; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of ten (10) registered voters)

Article 24. To see if the Town will vote to amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by striking out the words and figures "Minimum - \$4304.00", "Step 1 - \$4604.00", and Maximum - \$4904.00" where they appear in Grade PF 2 of said schedules and inserting in place thereof the words and figures "Minimum - \$4866.00", "Step 1 - \$5166.00", and "Maximum - \$5466.00"; said amendment to become effective April 1, 1960; appropriate the sum of \$54,373.50 to be expended by the various departments affected; determine how the money shall be raised; or take any action relative thereto.

(Inserted at the request of ten (10) registered voters)

Article 25. To see if the Town will vote to accept the provisions of Chapter 120 of the Acts of 1959 entitled "An act increasing the amount of pension of certain retired Police Officers and Fire Fighters who had not attained age sixty at the time of retirement".

(Inserted at the request of ten (10) registered voters)

Article 26. To see if the Town will acquire by purchase, eminent domain or otherwise for the establishment of a Town Yard, the parcel of land with buildings thereon hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with any reservation of any rights or easements therein; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing:

Beginning at a point on the southeasterly side line of Grove Street, at the southerly side line of the Boston & Maine R. R. right-of-way, thence southeasterly on said southerly side line of the Boston & Maine R. R. right-of-way a distance of 392 feet to a or less to a point, thence northeasterly through land of the Mystic Valley Gas Company and by the northeasterly boundary line of the property numbered 25 Grove Street, a distance of 350 feet more or less to a point on the southeasterly side line of Grove Street, thence northeasterly on said southeasterly side line of Grove Street a distance of 567.5 feet to the point of beginning and containing approximately five acres.

(Inserted at the request of the Committee on Garaging Town-Owned Vehicles)

Article 27. To see if the Town will make an appropriation for the enlargement, alterations, improvements and reconstruction of the existing buildings in the new Town Yard site on Grove Street, for the purpose of converting said buildings for use for Town purposes; determine in what manner the money shall be raised and expended; or take any action relating to any or all of the foregoing.

Article 28. To see if the Town will authorize and direct the Board of Selectmen to sell, convey or otherwise dispose of all or any portion of the land with the buildings thereon hereinafter described, and currently being used as a Town Yard; or take any action relating thereto. Said parcel of land is bounded and described, as follows:

Beginning at a point on the northeasterly side line of Massachusetts Avenue, at the southeasterly boundary line of the property numbered 1087 Massachusetts Avenue, thence northeasterly on the division line between the property numbered 1087 Massachusetts Avenue, and land of Town of Arlington a distance of 80.55 feet to an angle point, thence northwesterly by the rear of said property numbered 1087 Massachusetts Avenue, a distance of 100.38 feet to an angle point, thence northeasterly a distance of 200 feet more or less to an angle point in Mill Brook, thence northwesterly approximately on the center line of said Mill Brook distances of 92.9 feet and 208.45 feet, respectively, to the northwesterly side line of Hobbs Court, thence northeasterly on said northwesterly side line of Hobbs Court distances of 177.42 feet and 201.32 feet, respectively, to a point on the southwesterly side line of the Boston & Maine R. R. right-of-way, thence southeasterly on said southwesterly side line of the Boston & Maine R. R. right-of-way a distance of 326.56 feet to land of the Metropolitan District Commission, thence southwesterly by said land of the Metropolitan District Commission a distance of 321.99 feet to the angle point in Mill Brook, thence southwesterly by Lot 3 the end of Laurel Street and Lot 1 a distance of 341.14 feet to a point on the northeasterly side line of Massachusetts Avenue, thence northwesterly on said northeasterly side line of Massachusetts Avenue, a distance of 51.84 feet to the point of beginning and containing 157,073 square feet more or less.

Article 29. To see if the Town will make an appropriation for the construction of a permanent service roadway on Town property known as Spy Pond Field, between Wellington Street and Pond Lane; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 30. To see if the Town will vote to sell, convey or otherwise dispose of the remaining portion of land (with or without the buildings thereon) acquired under the vote of Article 25 of the Warrant for the 1958 Annual Town Meeting, which will not be required for the relocating or laying out of a portion of Mystic Street; or take any action relating thereto. Said land is bounded and described as follows:

Rear Portion - Beginning at a point on the northwesterly side line of relocated Mystic Street, at the division line between premises numbered 44 Mystic Street, and premises numbered 40 Mystic Street, thence southwesterly on said northwesterly side line of relocated Mystic Street, a distance of 58 feet more or less to a point on the division line between said #40 Mystic Street, and Lot B, thence northwesterly by said Lot B a distance of 69.81 feet to an angle point, thence northeasterly by Lot A a distance of 39.27 feet to an angle point, thence southeasterly on the division line between #40 Mystic Street, Lot 8 and #44 Mystic Street, a distance of 97.22 feet to the point of beginning and containing 3603 square feet more or less.

Rear Portion - Beginning at a point on the northwesterly side line of relocated Mystic Street, at the division line between premises numbered 44 Mystic Street, and

a private way, thence southwesterly on said northwesterly side line of relocated Mystic Street, a distance of 90 feet more or less to a point on the division line between #44 Mystic Street, and the premises numbered 40 Mystic Street, thence northwesterly on said division line a distance of 38 feet more or less to an angle point, thence northeasterly by Lot 8 a distance of 70.29 feet to an angle point, thence southeasterly by said private way a distance of 86 feet more or less to the point of beginning and containing 4448 square feet more or less.

Article 31. To see whether the Town will approve the construction of a new housing project by the Arlington Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-2.

(Inserted at the request of the Arlington Housing Authority)

Article 32. To see if the Town will petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town, to the Arlington Housing Authority for the use of the said Housing Authority to erect buildings for housing for aged citizens of Arlington: and will vote to authorize and direct the Board of Selectmen to sell, convey or otherwise dispose of said parcel to the Arlington Housing Authority for said use as above described: or take any action relating thereto.

Said parcel of land is bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land belonging to the Boston & Maine Railroad and the Arlington Housing Authority; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 120 feet more or less to an angle point; thence northerly a distance of 165 feet more or less to a point; thence northeasterly a distance of 105 feet more or less to an angle point; thence northwesterly 90 feet more or less to a point on land of the Arlington Housing Authority; then southwesterly along land of said Arlington Housing Authority 156.72 feet more or less to an angle point; thence southwesterly again along said Arlington Housing Authority land 159.77 feet more or less to the point of beginning and containing about 34,00 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Massachusetts, and entitled, "Study Plan - Reservoir, Playground & Vicinity - Scale 1" = 80' - January 1955 - James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Housing Authority)

Article 33. To see if the Town will amend its zoning by-laws by altering the zoning map therein referred to so as to include in the Residence C District all or any part of the area now included in land owned by the Town of Arlington for park purposes and located between land of Arlington Housing Authority, the Boston & Maine Railroad and land owned by the Town of Arlington, bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land belonging to the Boston & Maine Railroad and the Arlington Housing Authority; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 120 feet more or less to an angle point; thence northerly a distance of 165 feet more or less to a point; thence northeasterly a distance of 105 feet more or less to an angle point; thence northwesterly 90 feet more or less to a point on land of the Arlington Housing Authority, then southwesterly along land of said Arlington Housing Authority 156.72 feet more or less to an angle point; thence southwesterly again along said Arlington Housing Authority land 159.77 feet more or less to the point of beginning and containing about 34,000 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Massachusetts, and entitled, "Study Plan - Reservoir, Playground & Vicinity - Scale 1" = 80' - January 1955 - James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Housing Authority)

Article 34. To make appropriations to defray Town Obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned, and to provide for the disposal

of motor vehicles and other personal property belonging to the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Board of Selectmen; Town Manager; Purchasing Agent; Maintenance Department; Accountant; Town Treasurer and Collector of Taxes Department; Assessors' Department; Legal Department; Claims; Town Clerk's Department; Vital Statistics; Public Works Department; Engineering Department; Elections and Town Meetings; Planning Board; Board of Survey; Robbins Memorial Town Hall; Town House Grounds Department; Police Department; Parking Meters; Fire Department; Fire and Police Signal System; Building, Plumbing, and Gas Inspection; Boards of Appeals (Building and Zoning); Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moth Suppression; Tree Warden's Department; Health Department; Inspector of Animals; Sewerage System Maintenance; Removal of Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removal; Lighting of Streets and Ways; Traffic Signals; Public Welfare Department; Aid to Dependent Children; Old Age Assistance; Disability Assistance; District or Other Nurses; Veterans' Benefits; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions (Non-Contributory); Contributory Retirement System; Memorial Day; Patriots' Day; Printing Town Reports; Insurance; Workmen's Compensation Insurance Funds; Municipal Insurance Fund; Reserve Fund; Maintenance of Menotomy Hall and Houses Owned by the Town; Water Department Maintenance; Cemeteries; Interest; Debt; Sinking Fund; Personnel Board; Civil Defense.

Article 35. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 36. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 37. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 38. To see if the Town will make an appropriation for improvement of Volume and Pressure - Water System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 39. To see if the Town will make an appropriation for the Construction and Installation of Sidewalks and Edgestones; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 40. To see if the Town will make an appropriation for the Reconstruction and Maintenance of Permanent Sidewalks and Resetting of Edgestones Upon the Public Ways of the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 41. To see if the Town will make an appropriation for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of River Street, Massachusetts Avenue and Park Avenue, within the town as now existing or hereafter relocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County or Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 42. To see if the Town will accept the alteration of the way known as Park Avenue Extension, on the westerly corner of Summer Street, a State Highway, as made and reported by the Board of Selectmen in its capacity as a Board of Survey; will make an appropriation for the taking, alteration, construction of, and specific repairs upon all or any part of said way as now existing or hereafter altered; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said way as so altered is to include the parcel of land bounded and described, as follows:

Beginning at a stone bound at the point of intersection of the northwesterly side southwesterly on said northwesterly side line of Park Avenue Extension, a distance of 33.72 feet to a point of tangency, thence northeasterly, northerly and northwesterly through Lot 2 on a curve to the left with a radius of 22.50 feet a distance of 44.15 feet to a point of curve on the southwesterly side line of Summer Street; thence southeasterly on said southwesterly side line of Summer Street, a distance of 33.72 feet to the point of beginning. Said way as so altered is shown upon a plan marked "Plan Showing Proposed Alteration of Park Ave. Ext., Arlington, Mass., Scale 1" = 10", Sept. 1959, W. H. Roby, Town Engineer".

Article 43. To see if the Town will accept the laying out of a Town way from Falmouth Road West to Upland Road West, substantially in the location of the private way known as Columbia Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the easterly side line of Columbia Road at the northerly boundary line of Lot 57 and Pt. 54, thence southerly on said easterly side line of Columbia Road a distance of 336.40 feet to an angle point, thence southwesterly on said easterly side line of Columbia Road a distance of 78.62 feet to the point of intersection of said easterly side line of Columbia Road and the southerly side line of Upland Road West, thence westerly across said Columbia Road a distance of 40.0 feet to a point on the westerly side line of Columbia Road, thence northeasterly on said westerly side line of Columbia Road a distance of 76.38 feet to an angle point, thence northerly on said westerly side line of Columbia Road a distance of 334.20 feet to a point, thence easterly across said Columbia Road and by the present accepted portion thereof a distance of 40.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Columbia Road, Arlington, Mass. Petitioned For By Stephen S. Langley, Scale Hor. 1" = 40' Ver. 1" = 6' Mar 1917 C. H. Gannett, C. E., 53 State St. Boston."

Article 44. To see if the Town will accept the laying out of a Town way from Florence Avenue to Oakland Avenue, substantially in the location of the private way known as Charlton Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side of Florence Avenue and the easterly side line of Charlton Street, thence southeasterly on said easterly side line of Charlton Street, a distance of 765.16 feet to the point of intersection of said easterly side line of Charlton Street and the northerly side line of Oakland Avenue, thence southwesterly on said northerly side line of Oakland Avenue distances of 40.22 feet and 16.95 feet respectively to the point of intersection of said northerly side line of Oakland Avenue and the westerly side line of Charlton Street, thence northeasterly, northerly and northwesterly on said westerly side line of Charlton Street on a curve to the left with a radius of 25 feet a distance of 29.80 feet to a point of tangency, thence northwesterly on said westerly side line of Charlton Street a distance of 754.76 feet to the point of intersection of said westerly side line of Charlton Street and the southerly side line of Florence Avenue, thence northeasterly on said southerly side line of Florence Avenue a distance of 40.06 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled "Plan and Profile Showing Proposed Lines and Grades For Charlton St., Arlington. Hor. Sc. 40' = 1" Ver. Sc. 6' = 1" Chas. J. Elliot, Eng'r. & Surveyor. Nov. 5, 1910.

Article 45. To see if the Town will accept the laying out of a Town way from Florence Avenue 164 feet northerly to its end, substantially in the location of the private way known as Charlton Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Florence Avenue and the westerly side line of Charlton Street, thence northwesterly on said westerly side line of Charlton Street a distance of 164.30 feet to a point on said westerly side line of Charlton Street at the northerly boundary line of Lot C, thence easterly across said Charlton Street a distance of 40.104 feet to a point on the easterly side line of Charlton Street at the northerly boundary line of Lot 369, thence southeasterly on said easterly side line of Charlton Street a distance of 163.80 feet to the point of intersection of said easterly side line of Charlton Street and the northerly side line of Florence Avenue, thence southwesterly on said northerly side line of Florence Avenue a distance of 40.07 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile Showing Proposed Lines and Grades For Charlton St., Arlington. Hor. Sc. 40' = 1" Ver. Sc. 6' = 1" Chas. J. Elliot. Eng'r. & Surveyor. Nov. 5, 1910."

Article 46. To see if the Town will accept the laying out of a Town way from Huntington Road to its end, substantially in the location of the private way known as Alpine Terrace, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Huntington Road and the southeasterly side line of Alpine Terrace, thence northwesterly, westerly and southwesterly on said southeasterly side line of Alpine Terrace on a curve to the left with a radius of 20 feet a distance of 32.05 feet to a point of tangency, thence southwesterly on said southeasterly side line of Alpine Terrace a distance of 274.01 feet to a point, thence northwesterly across said Alpine Terrace a distance of 42.23 feet to a point on the northwesterly side line of Alpine Terrace, thence northeasterly on said northwesterly side line of Alpine Terrace a distance of 263.03 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northwesterly side line of Alpine Terrace on a curve to the left with a radius of 20 feet a distance of 30.78 feet to the point of intersection of said northwesterly side line of Alpine Terrace and the southwesterly side line of Huntington Road, thence southeasterly on said southwesterly side line of Huntington Road a distance of 80.04 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Alpine Terrace, Arlington, Mass. Petitioned For By Geo. H. Johnson, Scales Hor. 1" = 40' Ver. 1" = 6' Feb. 1929 Fred A. Joyce - Surveyor".

Article 47. To see if the Town will accept the laying out of a Town way from North Union Street to its end, substantially in the location of the private way known as Decatur Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Decatur Street and the southeasterly side line of North Union Street, thence northeasterly across said Decatur Street and by the present accepted portion of Decatur Street a distance of 35.0 feet to a point on the northerly side line of Decatur Street, thence southeasterly on said

northerly side line of Decatur Street a distance of 577.88 feet to an angle point, thence southwesterly across said Decatur Street a distance of 40.70 feet to an angle point, thence northwesterly on the southerly side line of Decatur Street a distance of 558.25 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Decatur Street, Arlington, Mass. Scale: Hor. 1" = 40' Ver. 1" = 6' June 1959 W. H. Roby, Town Eng."

Article 48. To see if the Town will accept the laying out of a Town way from Hemlock Street to Millett Street, substantially in the location of the private way known as Lansdowne Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Hemlock Street and the northwesterly side line of Lansdowne Road, thence northeasterly on said northwesterly side line of Lansdowne Road a distance of 429.66 feet to a point, thence southeasterly across said Lansdowne Road a distance of 40.0 feet to the point of intersection of the southeasterly side line of Lansdowne Road and the northeasterly side line of Millett Street, thence southwesterly on said southeasterly side line of Lansdowne Road a distance of 468.42 feet to the point of intersection of said southeasterly side line of Lansdowne Road and the easterly side line of Hemlock Street, thence northerly on said easterly side line of Hemlock Street a distance of 55.70 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Lansdowne Road, Arlington On Land Of William Millet, Scale, Horizontal, 40 Ft. = 1 In. Vertical, 6 Ft. = 1 In. J. O. Goodwin, Surveyor, Medford, March 1902".

Article 49. To see if the Town will accept the laying out of a Town way from Arrowhead Lane to Ridge Street, substantially in the location of the private way known as Longmeadow Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Overlook Road extended and the westerly side line of Ridge Street at the end of the present accepted portion of Overlook Road, thence northeasterly across said Ridge Street and on the extension of the northerly side line of Longmeadow Road a distance of 50.62 feet to a point on the easterly side line of Ridge Street, thence northerly on said easterly side line of Ridge Street a distance of 23.40 feet to the point of intersection of said easterly side line of Ridge Street and the northerly side line of Longmeadow Road, thence southeasterly, easterly and northeasterly on said northerly side line of Longmeadow Road on a curve to the left with a radius of 20 feet a distance of 34.54 feet to a point of tangency, thence northeasterly on said northerly side line of Longmeadow Road a distance of 240.02 feet to a point of curve, thence northeasterly on said northerly side line of Longmeadow Road on a curve to the right with a radius of 289.82 feet a distance of 114.54 feet to a point of tangency, thence northeasterly on said northerly side line of Longmeadow Road a distance of 75.0 feet to a point of curve, thence easterly and southeasterly on said northerly side line of Longmeadow Road on a curve to the right with a radius of 263.92 feet a distance of 138.19 feet to a point of tangency, thence southeasterly on said northerly side line of Longmeadow Road a distance of 175.53 feet to a point of curve, thence southeasterly and easterly on said northerly side line of Longmeadow Road on a curve to the left with a radius of 195 feet a distance of 97.89 feet to a point of tangency, thence northeasterly on said northerly side line of Longmeadow Road a distance of 206.33 feet to a point of curve, thence northeasterly on said northerly side line of Longmeadow Road on a curve to the left with a radius of 252.74 feet a distance of 161.06 feet to the point of intersection of said northerly side line of Longmeadow Road and the northwesterly side line of Arrowhead Lane, thence

southeasterly across said Longmeadow Road and Arrowhead Lane a distance of 40.0 feet to the point of intersection of said southeasterly side line of Arrowhead Lane and the southerly side line of Longmeadow Road, thence southwesterly on said southerly side line of Longmeadow Road on a curve to the right with a radius of 292.74 feet a distance of 186.53 feet to a point of tangency, thence southwesterly on said southerly side line of Longmeadow Road a distance of 206.33 feet to a point of curve, thence westerly and northwesterly on said southerly side line of Longmeadow Road on a curve to the right with a radius of 235 feet a distance of 117.97 feet to the point of tangency, thence northwesterly on said southerly side line of Longmeadow Road a distance of 175.53 feet to a point of curve, thence northwesterly and westerly on said southerly side line of Longmeadow Road on a curve to the left with a radius of 223.92 feet a distance of 117.24 feet to a point of tangency, thence southwesterly on said southerly side line of Longmeadow Road a distance of 75.0 feet to a point of curve, thence southwesterly on said southerly side line of Longmeadow Road on a curve to the left with a radius of 249.82 feet a distance of 98.69 feet to a point of tangency, thence southwesterly on said southerly side line of Longmeadow Road a distance of 252.63 feet to a point of curve, thence southwesterly and southerly on said southerly side line of Longmeadow Road on a curve to the left with a radius of 20 feet a distance of 28.29 feet to the point of intersection of said southerly side line of Longmeadow Road and the easterly side line of Ridge Street, thence northerly on said easterly side line of Ridge Street a distance of 17.09 feet to a point, thence southwesterly across said Ridge Street and on the extension of the southerly side line of Longmeadow Road a distance of 50.62 feet to a point on the westerly side line of Ridge Street at the end of the present accepted portion of Overlook Road, thence northerly by the end of the present accepted portion of Overlook Road a distance of 40.49 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Longmeadow Road, Arlington, Mass. As Petitioned For By Henry G. Wilton. Scales: - Hor. 1 In. = 40 Ft. Vert. 1 In. = 6 Ft. Everett M. Brooks - Civil Eng. Newtonville - Mass. April 12, 1937" and "Plan and Profile of a Part of Longmeadow Road, Arlington - Mass. As Petitioned For By Robbins Spring Realty Trust. Scales - Horizontal: 1 In = 40 Ft. Vertical: 1 In. = 6 Ft. - January 25, 1952. Everett M. Brooks Co. - Civil Engineers. Newtonville - Massachusetts".

Article 50. To see if the Town will accept the laying out of a Town way from Appleton Street to No. 24, substantially in the location of the private way known as Kipling Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Appleton Street and the easterly side line of Kipling Road, thence westerly and southwesterly on said easterly side line of Kipling Road on a curve to the left with a radius of 20 feet a distance of 34.68 feet to a point of tangency, thence southwesterly on said easterly side line of Kipling Road a distance of 173.36 feet to a point of curve, thence southwesterly on said easterly side line of Kipling Road on a curve to the left with a radius of 300 feet a distance of 68.40 feet to a point of tangency, thence southerly on said easterly side line of Kipling Road a distance of 224.46 feet to a point at the southerly boundary line of Lot 47A, thence westerly across said Kipling Road a distance of 40.0 feet to a point on the westerly side line of Kipling Road, thence northerly on said westerly side line of Kipling Road a distance of 224.46 feet to a point of curve, thence northeasterly on said westerly side line of Kipling Road on a curve to the right with a radius of 340 feet a distance of 77.52 feet to a point of tangency, thence northeasterly on said westerly side line of Kipling Road a distance of 169.0 feet to a point of curve, thence northerly, northwesterly and westerly on said westerly side line of Kipling Road on a curve to the left with a radius of 20 feet a distance of 37.56 feet to the point of intersection of said westerly side line of Kipling Road and the southerly side line of Appleton Street, thence easterly and southeasterly on said southerly side line of Appleton Street on a curve to the right with a radius of 205.37 feet a distance of 89.49 feet to the point entitled, "Plan and Profile of Kipling Road, Arlington, Mass. Scale As Shown. Sept. 1946. Dana F. Perkins. Civil Engineer and Surveyor, Reading, Mass."

Article 51. To see if the Town will accept laying out of a Town way from Overlook Road to Ronald Road, substantially in the location of the private way known as Pheasant Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Overlook Road and the northeasterly side line of Pheasant Avenue, thence southwesterly, southerly and southeasterly on said northeasterly side line of Pheasant Avenue on a curve to the left with a radius of 10 feet a distance of 16.86 feet to a point of curve, thence southeasterly on said northeasterly side line of Pheasant Avenue a distance of 268.77 feet to a point, thence southwesterly across said Pheasant Avenue a distance of 40.0 feet to the point of intersection of the southwesterly side line of Pheasant Avenue and the southeasterly side line of Ronald Road extended, thence northwesterly on said southwesterly side line of Pheasant Avenue a distance of 280.0 feet to the point of intersection of the extension of the southwesterly side line of Pheasant Avenue and the southeasterly side line of Overlook Road, thence northeasterly on said southeasterly side line of Overlook Road distances of 40.0 feet and 11.23 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Pheasant Ave., Arlington, Mass. As Petitioned For By Neil McIntosh Jr. Trustee Showing Proposed Lines and Grades Scale: Hor. 1" = 40' Vert. 1" = 6' April 1914. C. H. Gannett. C. E. 53 State St., Boston".

Article 52. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 53. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise of any land easements or rights therein, including as easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 54. To see if the Town will accept the laying out of a Town way from Hutchinson Road to Ridge Street, substantially in the location of the private way known as Lantern Lane, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Hutchinson Road and the southerly side line of Lantern Lane, thence northwesterly, westerly and southwesterly on said southerly side line of Lantern Lane on a curve to the left with a radius of 30 feet a distance of 29.08 feet to a point of tangency, thence southwesterly on said southerly side line of Lantern Lane a distance of 152.30 feet to a point of curve, thence southwesterly on said southerly side line of Lantern Lane on a curve to the right with a radius of 772.37 feet a distance of 32.36 feet to a point of reverse curve, thence southwesterly on said southerly side line of Lantern Lane on a curve to the left with a radius of 410.92 feet a distance of 118.37 feet to a point of reverse curve, thence southwesterly on said southerly side line of Lantern Lane on a curve to the right with a radius of 364.47 feet a distance of 138.84 feet to a point

of tangency, thence southwesterly on said southerly side line of Lantern Lane a distance of 560.97 feet to a point of curve, thence southwesterly on said southerly side line of Lantern Lane on a curve to the left with a radius of 4212.38 feet a distance of 268.63 feet to a point of tangency, thence southwesterly on said southerly side line of Lantern Lane a distance of 167.89 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southerly side line of Lantern Lane on a curve to the left with a radius of 20 feet a distance of 36.98 feet to the point of intersection of said southerly side line of Lantern Lane and the easterly side line of Ridge Street, thence northwesterly on said easterly side line of Ridge Street a distance of 83.20 feet to the point of intersection of said easterly side line of Ridge Street and the northerly side line of Lantern Lane, thence southeasterly, easterly and northeasterly on said northerly side line of Lantern Lane on a curve to the left with a radius of 20 feet a distance of 25.85 feet to a point of tangency, thence northeasterly on said northerly side line of Lantern Lane on a line 40 feet northerly of, parallel to, and concentric with the described southerly side line of Lantern Lane a distance of 190.76 feet, 271.18 feet, 560.97 feet, 123.60 feet and 32.99 feet respectively to a point of tangency at Apache Trail, thence northeasterly on said northerly side line of Lantern Lane a distance of 40.81 feet to an angle point, thence northeasterly on said northerly side line of Lantern Lane a distance of 31.48 feet to a point of curve, thence northeasterly on said northerly side line of Lantern Lane on a curve to the left with a radius of 72.37 feet a distance of 56.37 feet to a point of tangency, thence northeasterly on said northerly side line of Lantern Lane a distance of 96.96 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northerly side line of Lantern Lane on a curve to the left with a radius of 20 feet a distance of 44.47 feet to the point of intersection of said northerly side line of Lantern Lane and the southwesterly side line of Hutchinson Road, thence southeasterly on said southwesterly side line of Hutchinson Road distances of 91.54 feet and 15.23 feet respectively to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. entitled "Plan and Profile of Windmill Lane and Lantern Lane Arlington - Mass. As Petitioned For By Henry G. Wilton. Scales:-- Hor. 1 In. = 40 Ft. Vert. 1 In = 6 Ft. Everett M. Brooks - Civil Eng. Newtonville - Mass. April 10, 1937" and "Plan and Profile of Lantern Lane, Arlington - Mass. As Petitioned For By the:-- Robbins Spring Realty Trust. Scales: Hor. 1 In. = 40 Ft. Ver. 1 In = 6 Ft. November, 1954. Everett M. Brooks Co. - Civil Engineers, Newtonville, Massachusetts".

Article 55. To see if the Town will accept the laying out of a Town way from Oldham Road to Apache Trail, substantially in the location of the private way known as Country Club Drive, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

First Section--Beginning at the point of intersection of the southerly side line of Apache Trail and the easterly side line of Country Club Drive, thence westerly, southwesterly, southerly and southeasterly on said easterly side line of Country Club Drive on a curve to the left with a radius of 18.86 feet a distance of 40.01 feet to a point of tangency, thence southeasterly on said easterly side line of Country Club Drive a distance of 311.93 feet to a point of curve, thence southeasterly and easterly on said easterly side line of Country Club Drive on a curve to the left with a radius of 20 feet a distance of 29.30 feet to the point of intersection of said easterly side line of Country Club Drive and the northerly side line of Lantern Lane, thence westerly on said northerly side line of Lantern Lane a distance of 90.51 feet to the point of intersection of said northerly side line of Lantern Lane and the westerly side line of Country Club Drive, thence easterly, northeasterly, northerly and northwesterly on said westerly side line of Country Club Drive on a curve to the left with a radius of 20 feet a distance of 33.53 feet to a point of tangency, thence northwesterly on said westerly side line of Country Club Drive a distance of 302.36 feet to a point of curve, thence northwesterly on said westerly side line of Country Club Drive on a curve to the left with a radius of 115 feet a distance of 117.37 feet to the point of intersection of said westerly side line of Country Club Drive and the southerly side line of Apache Trail, thence southeasterly on said southerly side line of Apache Trail a distance of 156.73 feet to the point of beginning.

Second Section--Beginning at the point of intersection of the southerly side line of Lantern Lane and the easterly side line of Country Club Drive, thence southwesterly, southerly and southeasterly on said easterly side line of Country Club Drive on a curve to the left with a radius of 20 feet a distance of 33.53 feet to a point of tangency, thence southeasterly on said easterly side line of Country Club Drive distances of 78.29 feet and 138.83 feet respectively to a point of curve, thence south-easterly and easterly on said easterly side line of Country Club Drive on a curve to the left with a radius of 20 feet a distance of 29.68 feet to the point of intersection of said easterly side line of Country Club Drive and the northerly side line of Oldham Road, thence westerly on said northerly side line of Oldham Road a distance of 91.64 feet to the point of intersection of said northerly side line of Oldham Road and the westerly side line of Country Club Drive, thence northeasterly, northerly and north-westerly on said westerly side line of Country Club Drive on a curve to the left with a radius of 20 feet a distance of 34.30 feet to the point of tangency, thence north-westerly on said westerly side line of Country Club Drive distances of 131.86 feet and 89.26 feet respectively to a point of curve, thence northwesterly and westerly on said westerly side line of Country Club Drive on a curve to the left with a radius of 20 feet a distance of 29.30 feet to the point of intersection of said westerly side line of Country Club Drive and the southerly side line of Lantern Lane, thence easterly on said southerly side line of Lantern Lane a distance of 90.51 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Part of Country Club Drive, Arlington - Mass. As Petitioned For By The:- Robbins Spring Realty Trust. Scales Hor. 1 In. = 40 Ft. Vert. 1 In. = 6 Ft November 1954. Everett M. Brooks Co. - Civil Engineers, Newtonville, Massachusetts" and "Plan and Profile of Part of Country Club Drive in Arlington, Mass. Owned And Developed By Robbins Spring Realty Trust. Scales Horizontal: 1 In. = 40 Ft. Vertical: 1 In. = 6 Ft. January 19, 1953. Everett M. Brooks Co. Civil Engineers. Newtonville, Massachusetts."

Article 56. To see if the Town will accept the laying out of a Town way from Country Club Drive to Ridge Street, substantially in the location of the private way known as Pawnee Drive, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Country Club Drive and the southerly side line of Pawnee Drive, thence northwesterly and westerly on said southerly side line of Pawnee Drive on a curve to the left with a radius of 20 feet a distance of 30.39 feet to a point of tangency, thence southwesterly on said southerly side line of Pawnee Drive a distance of 577.62 feet to a point of curve, thence southwesterly and southerly on said southerly side line of Pawnee Drive on a curve to the left with a radius of 20 feet a distance of 33.61 feet to the point of intersection of said southerly side line of Pawnee Drive and the easterly side line of Ridge Street, thence northerly on said easterly side line of Ridge Street a distance of 82.272 feet to the point of intersection of said easterly side line of Ridge Street and the northerly side line of Pawnee Drive, thence southeasterly, easterly and northeasterly on said northerly side line of Pawnee Drive on a curve to the left with a radius of 20 feet a distance of 31.32 feet to a point of tangency, thence northeasterly on said northerly side line of Pawnee Drive a distance of 578.12 feet to a point of curve, thence easterly and northeasterly on said northerly side line of Pawnee Drive on a curve to the left with a radius of 20 feet a distance of 32.44 feet to the point of intersection of said northerly side line of Pawnee Drive and the westerly side line of Country Club Drive, thence southeasterly on said westerly side line of Country Club Drive a distance of 80.11 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Pawnee Drive, Arlington - Mass. As Petitioned For By The:- Robbins Spring Realty Trust. Scales Hor. 1 In. = 40 Ft. Vert. 1 In. = 6 Ft. November 1954. Everett M. Brooks Co. - Civil Engineers. Newtonville - Massachusetts."

Article 57. To see if the Town will accept the laying out of a Town way from Lantern Lane to its end, substantially in the location of the private way known as Apache Trail, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Lantern Lane and the southwesterly side line of Apache Trail, thence northeasterly, northerly and northwesterly on said southwesterly side line of Apache Trail on a curve to the left with a radius of 30 feet a distance of 48.53 feet to a point of tangency, thence northwesterly on said southwesterly side line of Apache Trail a distance of 14.87 feet to a point of curve, thence northwesterly on said southwesterly side line of Apache Trail on a curve to the left with a radius of 147.77 feet a distance of 138.60 feet to a point of tangency, thence northwesterly on said southwesterly side line of Apache Trail a distance of 631.11 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Apache Trail on a curve to the left with a radius of 30 feet a distance of 36.92 feet to a point of reverse curve, thence westerly, northerly, easterly and southeasterly on said southwesterly side line of Apache Trail and the northeasterly side line of Apache Trail on a curve to the right with a radius of 45.0 feet a distance of 196.76 feet to a point of tangency, thence southeasterly on said northeasterly side line of Apache Trail a distance of 701.81 feet to a point of curve thence southeasterly on said northeasterly side line of Apache Trail on a curve to the right with a radius of 187.77 feet a distance of 176.11 feet to a point of reverse curve, thence southeasterly and easterly on said northeasterly side line of Apache Trail on a curve to the left with a radius of 34.33 feet a distance of 58.02 feet to the point of intersection of said northeasterly side line of Apache Trail and the northerly side line of Lantern Lane, thence southwesterly on said northerly side line of Lantern Lane distances of 32.99 feet and 77.63 feet respectively to the point of beginning as shown on a plan on file in the office of the Town Cler, Arlington, Mass. entitled, "Plan and Profile of Apache Trail, Arlington - Mass. As Petitioned For By The: - Robbins Spring Realty Trust. Scales: Hor. 1 In. = 6 Ft. - November, 1954. Everett M. Brooks Co. - Civil Engineers. Newtonville - Massachusetts."

Article 58. To see if the Town will accept the laying out of a Town way from Wollaston Avenue to the circle, substantially in the location of the private way known as Nicod Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Wollaston Avenue and the northeasterly side line of Nicod Street, thence southwesterly, southerly and southeasterly on said northeasterly side line of Nicod Street on a curve to the left with a radius of 25 feet a distance of 37.63 feet to a point of tangency, thence southeasterly on said northeasterly side line of Nicod Street a distance of 199.96 feet to a point of curve, thence southerly, easterly and northerly on a curve to the right with a radius of 40 feet a distance of 167.55 feet to a point of reverse curve in the southwesterly side line of Nicod Street, thence northerly, and northwesterly on said southwesterly side line of Nicod Street on a curve to the left with a radius of 40 feet a distance of 41.89 feet to a point of tangency, thence northwesterly on said southwesterly side line of Nicod Street a distance of 123.06 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Nicod Street on a curve to the left with a radius of 25 feet a distance of 41.42 feet to the point of intersection of said southwesterly side line of Nicod Street and the southeasterly side line of Wollaston Avenue, thence northeasterly on said southeasterly side line of Wollaston Avenue a distance of 78.73 feet to a point of curve, thence northeasterly on said southeasterly side line of Wollaston Avenue on a curve to the

right with a radius of 600.0 feet a distance of 12.11 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Nicod St., Arlington, Mass. Hor. Scale 1 In. = 40 Ft. Ver. Scale 1 In. = 6 Ft. Jan. 12, 1955. Fred A. Joyce Surveyor, Belmont, Mass."

Article 59. To see if the Town will accept the laying out of a Town way from Wollaston Avenue to No. 14, substantially in the location of the private way known as Nicod Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Wollaston Avenue and the southwesterly side line of Nicod Street, thence northeasterly, northerly and northwesterly on said southwesterly side line of Nicod Street on a curve to the left with a radius of 25 feet a distance of 37.17 feet to a point of tangency, thence northwesterly on said southwesterly side line of Nicod Street a distance of 384.59 feet to a point at the northwesterly boundary line of Lot 7, thence northeasterly across said Nicod Street a distance of 41.29 feet to a point on the northeasterly side line of Nicod Street at the northwest boundary line of Lot 6, thence southeasterly on said northeasterly side line of Nicod Street a distance of 387.27 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Nicod Street on a curve to the left with a radius of 25 feet a distance of 41.37 feet to the point of intersection of said northeasterly side line of Nicod Street and the northwesterly side line of Wollaston Avenue, thence southwesterly on said northwesterly side line of Wollaston Avenue a distance of 90.32 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan & Profile of Nicod Street, Arlington - Mass. Scales Hor. 1" = 40' Ver. 1" = 6' Sept. 1955. Joseph I. Sullivan C. E."

Article 60. To see if the Town will accept the laying out of a Town way from Gardner Street to its end, substantially in the location of the private way known as Hadley Court, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Gardner Street and the northeasterly side line of Hadley Court, thence southwesterly, southerly and southeasterly on said northeasterly side line of Hadley Court on a curve to the left with a radius of 20 feet a distance of 29.57 feet to a point of tangency, thence southeasterly on said northeasterly side line of Hadley Court a distance of 164.97 feet to the southeasterly boundary line of Lot A, thence southwesterly across said Hadley Court a distance of 40.08 feet to a point on the southwesterly side line of Hadley Court at the southeasterly boundary line of Lot F, thence northwesterly on said southwesterly side line of Hadley Court a distance of 160.22 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Hadley Court on a curve to the left with a radius of 20 feet a distance of 33.26 feet to the point of intersection of said southwesterly side line of Hadley Court and the southeasterly side line of Gardner Street, thence northeasterly on said southeasterly side line of Gardner Street, a distance of 80.34 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile Hadley Court, Arlington, Mass. Hor. Scale: 1 In. = 40 Ft. Ver. Scale: 1 In. = 6 Ft. Nov. 8, 1955. Fred A. Joyce Surveyor, Belmont, Mass."

Article 61. To see if the Town will accept the laying out of a Town way from Overlook Road to end of construction, substantially in the location of the private way known as Tower Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments;

establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Overlook Road and the southwesterly side line of Tower Road, thence northeasterly, northerly and northwesterly on said southwesterly side line of Tower Road on a curve to the left with a radius of 24.94 feet a distance of 41.60 feet to a point of tangency, thence northwesterly on said southwesterly side line of Tower Road distances of 376.68 feet and 278.66 feet respectively to a point at the northwesterly boundary line of Lot 13, thence northeasterly across said Tower Road a distance of 40.04 feet to a point on the northeasterly side line of Tower Road at the northwesterly boundary line of Lot 22, thence southeasterly on said northeasterly side line of Tower Road distances of 276.75 feet and 386.88 feet respectively to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Tower Road on a curve to the left with a radius of 23.35 feet a distance of 34.41 feet to the point of intersection of said northeasterly side line of Tower Road and the northwesterly side line of Overlook Road, thence southwesterly on said northwesterly side line of Overlook Road a distance of 88.86 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Tower Road, Arlington, Mass. For Realty Construction of New England, Inc. Scales: Hor. 1" = 40', Vert. 1" = 4'.

Article 62. To see if the Town will accept the laying out of a Town way from Tower Road to Tower Road, substantially in the location of the private way known as Greeley Circle, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northeasterly side line of Tower Road and the northwesterly side line of Greeley Circle at Lot 43, thence southeasterly, easterly and northeasterly on said northwesterly side line of Greeley Circle on a curve to the left with a radius of 25 feet a distance of 36.52 feet to a point of tangency, thence northeasterly on said northwesterly side line of Greeley Circle a distance of 245.71 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northwesterly side line of Greeley Circle and the southwesterly side line of Greeley Circle on a curve to the left with a radius of 25 feet a distance of 39.23 feet to a point of curve, thence northwesterly on said southwesterly side line of Greeley Circle a distance of 152.73 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Greeley Circle and the southeasterly side line of Greeley Circle on a curve to the left with a radius of 25 feet a distance of 41.33 feet to a point of tangency, thence southwesterly on said southeasterly side line of Greeley Circle a distance of 261.35 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Greeley Circle on a curve to the left with a radius of 25 feet a distance of 40.0 feet to the point of intersection of said southeasterly side line of Greeley Circle and the northeasterly side line of Tower Road at Lot 14, thence northwesterly on said northeasterly side line of Tower Road a distance of 90.05 feet to the point of intersection of said northeasterly side line of Tower Road and the northwesterly side line of Greeley Circle at Lot 22, thence southeasterly, easterly and northeasterly on said northwesterly side line of Greeley Circle on a curve to the left with a radius of 25 feet a distance of 38.54 feet to a point of tangency, thence northeasterly on said northwesterly side line of Greeley Circle a distance of 219.56 feet to a point of curve, thence northeasterly on said northwesterly side line of Greeley Circle distances of 22.41 feet and 22.41 feet to a point of compound curve, thence northeasterly, easterly and southeasterly on said northwesterly side line of Greeley Circle and the northeasterly side line of Greeley Circle on a curve to the right with a radius of 70.0 feet a distance of 115.73 feet to a point of compound curve, thence southeasterly on said northeasterly side line of Greeley Circle distances of 22.41 feet, 22.41 feet, 63.85 feet, 22.41 feet and 22.41 feet

respectively to a point of compound, curve, thence southeasterly, southerly and southwesterly on said northeasterly side line of Greeley Circle and the southeasterly side line of Greeley Circle on a curve to the right with a radius of 70.0 feet a distance of 109.86 feet to a point of compound curve, thence southwesterly on said southeasterly side line of Greeley Circle distances of 22.41 feet, 22.41 feet and 191.34 feet respectively to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Greeley Circle on a curve to the left with a radius of 25 feet a distance of 42.02 feet to the point of intersection of said southeasterly side line of Greeley Circle and the northeasterly side line of Tower Road at Lot 37, thence northwesterly on said northeasterly side line of Tower Road a distance of 90.54 feet to the point of beginning as shown on plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Greeley Circle, Arlington, Mass. For Realty Construction of New England, Inc. Scales: Hor. 1" = 40'. Warren M. Mirick - Reg. Surveyor, 5 Webster Court - Stoneham, Mass. July 25, 1958."

Article 63. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments for the reconstruction of any or all parts of certain public ways in the Town, the laying out of which is accepted at this meeting including costs of acceptance, land damages and the cost of paving of any or all sidewalks to be laid out at the time of said reconstruction: determine how the money shall be raised and expended; or take any action relating thereto.

Article 64. To see if the Town will abandon the establishment of exterior lines of a way between Pioneer Road and Alfred Road, in the location shown upon the plan hereinafter mentioned as accepted under Article 40 of the Warrant for the 1931 Annual Town Meeting and Article 31 of the 1941 Annual Town Meeting and as made and reported by the Joint Board of Selectmen and Board of Public Works; abandon said lines; make an appropriation for the abandonment of said lines; determine in what manner the money shall be raised and expended; and that the Board of Selectmen be authorized to abandon any rights acquired under any and all instruments granting any rights or easements to the Town within the lines of said way and to give releases for any such rights or easements held by the Town therein; or taken any action relating thereto. Said lines as so established being more particularly described as follows:

1. Beginning at the point of intersection of the northerly side line of Princeton Road and the southwesterly side line of Spy Pond Parkway, thence northeasterly, northerly and northwesterly on said southwesterly side line of Spy Pond Parkway on a curve to the left with a radius of 80 feet a distance of 156.29 feet to a point of tangency, thence northwesterly on said southwesterly side line of Spy Pond Parkway a distance of 56.75 feet to a point, thence northeasterly across said Spy Pond Parkway a distance of 60.0 feet to a point of curve in the northeasterly side line of Spy Pond Parkway, thence southeasterly and easterly on said northeasterly side line of Spy Pond Parkway on a curve to the left with a radius of 286 feet a distance of 327.04 feet to a point, thence southerly across said Spy Pond Parkway a distance of 20 feet to a point on the northerly side line of Princeton Road, thence westerly on said northerly side line of Princeton Road a distance of 369.44 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan Showing Proposed Exterior Lines of Spy Pond Parkway and Princeton Road, Arlington, Mass., Scale 1" = 40', January, 1931, James M. Keane, Town Engineer".

2. Beginning at a point on the southwesterly side line of Spy Pond Parkway, a distance of 56.75 feet from the point of tangency of a curve beginning on the northerly side lines of Princeton Road, thence northwesterly along said southwesterly side line of Spy Pond Parkway a distance of 70.41 feet to a point of curve on said southwesterly side line of Spy Pond Parkway, thence northwesterly along said southwesterly side line of Spy Pond Parkway on a curve to the left with a radius of 561.98 feet a distance of 446.69 feet to a point of compound curve on said southwesterly side line of Spy Pond Parkway, thence northerly by land now or formerly belonging to Joseph F. Kelly, et al, Trustees, a distance of 63.19 feet to a point on the northeasterly side line of Spy Pond Parkway, thence southeasterly along said northeasterly side line of Spy Pond Parkway on a curve to the right with a radius of 475.00 feet a distance of 21.14 feet to a point of compound curve on said northeasterly side line of Spy Pond Parkway, thence southeasterly on said northeasterly side line of Spy Pond Parkway on a curve to the right with a radius of 621.98 feet a distance of 494.38 feet to a point of

tangency on said northeasterly side line of Spy Pond Parkway, thence southeasterly on said northeasterly side line of Spy Pond Parkway a distance of 70.41 feet to a point of curve on said northeasterly side line of Spy Pond Parkway, thence southwesterly by Spy Pond Parkway a distance of 60.00 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled, "Plan Showing Exterior Lines of Spy Pond Parkway, From a Point Near Princeton Road to Kelwyn Manor, Arlington, Mass., Scale: 1" = 40', Dec. 16, 1940, James M. Keane, Town Eng."

Article 65. To see if the Town will make an appropriation for the construction of a culvert across and under a private way known as Day Street, to connect two portions of a natural waterway for drainage purposes and for cleaning and maintaining said natural waterway through private lands between Day Street and Dow Avenue; determine in what manner the money shall be raised and expended; or taken any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 66. To see if the Town will make an appropriation for the installation of a surface-water drain in Appleton Street, from the Lexington-Arlington Town Line to the Concord Turnpike and in the Concord Turnpike from Appleton Street, westerly to an existing State culvert in Lexington; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 67. To see if the Town will transfer the sum of Five Thousand Dollars (\$5,000.00) from the Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of the Town Cemeteries.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 68. To see if the Town will vote to amend its Zoning By-Law by striking out paragraph 5 of Section 4 and inserting in place thereof the following:

5. Any person or persons desiring to obtain the permission of the Zoning Board of Appeals for any purpose for which such permission is required under the provisions of this by-law shall make application in writing therefor to the Zoning Board of Appeals which shall, within a reasonable time, hold a public hearing thereon. Notice of such hearing shall be given by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication to be not less than twenty-one days before the day of the hearing.

(Inserted at the request of the Planning Board)

Article 69. To see if the Town will vote to amend its Zoning By-Law by striking out paragraph 6 of Section 4 and inserting in place thereof the following:

6. The Zoning Board of Appeals shall also, at least ten days prior to the hearing, send notice by mail, postage prepaid, to the petitioner, to all the owners of real estate opposite to or abutting on the property in connection with which any permission is sought, to the owners of all property deemed by the board to be affected thereby, as they appear on the most recent local tax list, and to the Planning Board, and shall at least ten days before the hearing, post a notice of the hearing upon the property in a conspicuous location, adjacent to a street on which the property is situated, stating the nature of the petition in connection with which permission is sought. A copy of this notice shall be posted on the Bulletin Board at the Town Hall.

(Inserted at the request of the Planning Board)

Article 70. To see if the Town will vote to amend its Zoning By-Law by striking out paragraph 2 of Section 5 and inserting in place thereof the following:

2. The Planning Board, upon the request in writing of not less than ten registered voters of the Town, shall or upon its own initiative may, hold a public hearing for all consideration of any proposed amendment, modification or repeal of this by-law provided that where a petition is filed such petition shall show that

copies of the petition have been sent by registered mail to all abutters of the land referred to in the petition. The Planning Board shall report to the Town Meeting its recommendations with respect to the action to be taken thereon. Notice of such hearing shall be given by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication being not less than twenty-one days before the day of such hearing.

(Inserted at the request of the Planning Board)

Article 71. To see if the Town will make an appropriation to be expended under the direction of the Planning Board for the purpose of engaging the services of a planning consultant to prepare a comprehensive plan for the Town of Arlington and to do other related planning work; determine in what manner the money shall be raised; or to take any action relating thereto.

(Inserted at the request of the Planning Board)

Article 72. To see if the Town will amend its Zoning By-Law by striking our sub-paragraph 1 of Section 15-A and inserting in place thereof the following:

1. In the residence C districts, no building or buildings including garages shall be constructed, altered, enlarged, reconstructed or moved in such a way as to cover more than 30 per cent of the area of the lot for a building five stories in height, or more than 35 per cent for a building of four stories or less.

and to amend the schedule of heights and area regulations in conformity with the above.

(Inserted at the request of ten (10) registered voters)

Article 73. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District and bounded and described as follows:

WESTERLY by Gardner Street, 411.50 feet;
 NORTHERLY by Decatur Street, 214.53 feet;
 EASTERLY by land of the Commonwealth of Massachusetts, 443.38 feet; and
 SOUTHERLY by land now or formerly of Simondisky and Femia, 248.02 feet.

Said parcel being shown on a plan entitled "Site Plan Proposed Apartment House Gardner St., Arlington, Mass." dated Oct. 15, 1959, by Joseph Selwyn, Civil Engineer.

(Inserted at the request of ten (10) registered voters)

Article 74. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included partly in the Residence B District and partly in the Industrial District, and bounded and described as follows:

NORTHERLY by Brattle Street, 25.03 feet;
 EASTERLY by Lot C as shown on a plan hereinafter mentioned, in two courses, 129.55 feet and 30 feet;
 NORTHERLY again by said Lot C as shown on said plan, 114.86 feet;
 NORTHEASTERLY by a right of way as shown on said plan, 10 feet;
 NORTHWESTERLY by said right of way as shown on said plan, 50 feet;
 NORTHEASTERLY again by Lot A as shown on said plan, 100 feet;
 SOUTHEASTERLY by lots E, 5, 6, 7 and 8 as shown on said plan, 255.95 feet;
 SOUTHWESTERLY 128.08 feet;
 SOUTHEASTERLY again 11.60 feet; and
 SOUTHWESTERLY again, 289.81 feet, all by land of the Boston & Maine Railroad;
 NORTHWESTERLY again by land of the Boston and Maine Railroad, by land of Wesinger, by Lot 4 and by Lot 5 as shown on said plan, 200.70 feet;
 NORTHEASTERLY again 145.43 feet;
 NORTHWESTERLY again 54.76 feet; and
 WESTERLY 135.48 feet, all by land of Sullivan.

Said parcel being shown as Lots B, E, and Pt. D & Pt. 8A on a Plan of Brattle DRV. in Arlington, Mass., dated Jan. 1960.

(Inserted at the request of ten (10) registered voters)

Article 75. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in Residence D District the area now included in Residence A District and bounded as follows:

Beginning at the southerly corner of Academy St. and Maple St. and proceeding easterly along the southerly side line of Maple St. a distance of 463' † to the line separating Residence A Zoning from Residence D Zoning; thence proceeding southerly along said Zoning Line, a distance of 460' † to the rear property line of the lots on the southerly side of Pelham Terrace, thence proceeding westerly along said property line, a distance of 385' † to a point on the easterly side line of Academy St., thence proceeding northerly along said side line of Academy St., 398.34' to the point of beginning.

(Inserted at the request of ten (10) registered voters)

Article 76. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Residence B District that area now included in the Business A District, and bounded and described as follows:

Beginning at the southeasterly corner of certain parcels of land on Mystic Street, south of Rangeley Road, at the junction of Summer Street and Mystic Valley Parkway West.

- NORTHEASTERLY: Approximately 104' by said Fowles land to a corner along such lot line;
- NORTHWESTERLY: N. 40° Westerly parallel to Mystic Street, at a distance of 100' to a corner on Rangeley Road;
- SOUTHWESTERLY: Thence Southerly 28° .06' W. along Rangeley Road, approximately 108' to the corner on Mystic Street, at 151 Mystic Street; and
- SOUTHEASTERLY: Southerly 40° Easterly along Mystic Street, a distance of 144.85' to a point of beginning.

Said parcel is known as part of lots listed as 147 and 151 Mystic Street, zoned for Business A. The aforesaid land listed as owned by Harry D. Hull, Trustee, George S. Metcalf, Jr., Trustee, of the H. & M. Realty Development Trust, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Book 8606 at Page 209, as later corrected in Book 9238 at Page 560 and also listed in Book 8587 at Page 374.

(Inserted at the request of ten (10) registered voters)

Article 77. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Business A District the area now included in the Residence B District, and bounded and described as follows:

- NORTHWESTERLY: by Magnolia Street, one hundred twenty-one and 94/100 feet;
- NORTHEASTERLY: by lot 49 as shown on plan hereinafter mentioned, one hundred 06/100 feet;
- SOUTHEASTERLY: by lands now or formerly of B. Almède and of Rosario Larivee, one hundred and eight feet; and
- SOUTHWESTERLY: by land now or formerly of the Boston and Maine Railroad, one hundred one and 02/100 feet.

Said parcel is shown as lots 45, 46, 47 and 48, Sheet 2, on said plan. All of said boundaries are determined by the Court to be located as shown on a plan, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 34, Page 149, with Certificate 5095, and shown on a Plan filed in the Land Registration Office March 26, 1912, by one C. B. Humphrey, Surveyor for Court.

(Inserted at the request of ten (10) registered voters)

Article 78. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Business A District the area now included in the Residence B District, and bounded and described as follows:

SOUTHEASTERLY: by Magnolia Street, ninety feet;

SOUTHWESTERLY: by land now or formerly of Lewis J. Jacobson, one hundred feet;

NORTHWESTERLY: by land now or formerly of Abbot Allen et al, ninety feet; and

NORTHEASTERLY: by land now or formerly of John Forward, one hundred feet.

Said parcel is shown as lots 41, 42 and 43 on plan hereinafter mentioned. All of said boundaries are determined by the Court to be located as shown on a plan, as approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 34, Page 149, with Certificate 5095, and shown on a Plan filed in the Land Registration Office March 26, 1912, by one C. B. Humphrey, Surveyor for Court.

(Inserted at the request of ten (10) registered voters)

Article 79. To see if the Town will make an appropriation to complete The Arlington Heights Reservoir Beach, to be spent under the direction of the Reservoir Beach Committee, determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the Committee on Swimming Conditions
at the Arlington Heights Reservoir Beach)

Article 80. To see if the Town will vote to remove the wooden building located at the Robbins Farm Playground and Recreation Center, now being used by the Public Works Department for storage and formerly being known as the property of Nathan Robbins, numbered 61 Eastern Avenue; make an appropriation for such removal and the grading of the area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 81. To see whether the town will abandon the easement, dated May 9, 1955, and duly recorded; the said easement having been taken for sloping purposes on Williams Street, by the Board of Selectmen of the Town of Arlington; the said easement being duly recorded with Middlesex South District Deeds in book 8466, Page 425. The said easement is bounded and described as follows:

Beginning at a point on the northwesterly side line of Williams Street, said point being 165.14 feet southwesterly of the point of intersection of said northwesterly side line of Williams Street, and the southwesterly side line of Arnold Street, thence northwesterly on the division line between Lots 144 and 143 a distance of 23.0 feet to an angle point, thence through Lots 143, 142, 141, 140, 139, 138, 137, 136, 135 and 134 a total distance of 335 feet more or less to a point on the division line between Lots 134 and 133, thence southeasterly on said division line between Lots 134 and 133 a distance of 10 feet to a point on the northwesterly side line of Williams Street, thence northeasterly on said northwesterly side line of Williams Street, a distance of 330 feet to the point of beginning, as shown upon a plan entitled "Plan of Land in Arlington-Mass. Showing Slope Easements, Scale 1" = 40', April, 1955, W. H. Roby, Acting Town Eng."

(Inserted at the request of ten (10) registered voters)

Article 82. To see if the Town will vote to construct a building to be used for school purposes upon the land of the Town situated on Pheasant and Mountain Avenues, acquired for such purposes; make an appropriation for such construction, including cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee appointed to procure
plans and estimates of an elementary school building on land
of the Town situated in the Pheasant and Mountain Avenues Area)

Article 83. To see if the Town will acquire by purchase, eminent domain or otherwise, for school purposes, all or any portion of the land within the Town (with or without the buildings thereon) hereinafter described, any interests or easements therein, and any rights or easements of ways or otherwise as appurtenant thereto, and subject to or with any reservations of any rights, or easements therein; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing:

Said land is bounded and described as follows:

Beginning at a point on the northeasterly side line of Massachusetts Avenue, at the southeasterly boundary line of land of the Town of Arlington (High School), thence northeasterly on the division line between said land of the Town of Arlington and property numbered 853 Massachusetts Avenue, a distance of 120.48 feet to an angle point, thence southeasterly on the division line between land of the Town of Arlington and the property numbered 853, 849 and 843 Massachusetts Avenue, a distance of 241.93 feet to an angle point, thence southwesterly on the division line between the property numbered 835 Massachusetts Avenue, and the property numbered 843 Massachusetts Avenue, a distance of 118.03 feet to a point on the northeasterly side line of Massachusetts Avenue, thence northwesterly on said northeasterly side line of Massachusetts Avenue, a distance of 268.05 feet to the point of beginning and containing approximately 30,107 square feet as shown on a plan on file in the office of the Town Engineer, Arlington, Mass. entitled "Plan of Land in Arlington, Mass. Proposed to be Taken For School Site, Scale 1 In. = 30 Ft. March, 1929, James M. Keane, Town Engineer" and numbered 1043.

(Inserted at the request of the School Committee)

Article 84. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Town Manager for the purpose of reconvert-ing the coal-stoker burning boilers at the Brackett school to oil-burning boilers; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 85. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Town Manager for the purpose of converting three coal-firing steam boilers at the Jr. High School West to oil-burning boilers and to remodel the heat units and control system; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 86. To see if the Town will make an appropriation for the reconstruction of the gallery of the Robbins Library to restore, increase and improve existing library facilities and including the cost of an outside fire escape; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 87. To see if the Town will vote to make an appropriation of a sum of money to be expended under the direction of the Town Manager and the Peirce School Playground Improvement Committee for the improvement of the Peirce School play-ground area, determine in what manner the money shall be raised, or take any action relating thereto.

(Inserted at the request of the Peirce School Playground Improvement Committee)

Article 88. To see if the Town will accept a gift to the Town of a parcel of land at the northwesterly corner of Oakledge Street and Bow Street, from John Doherty.

Said land is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Oakledge Street and the northerly side line of Bow Street, thence westerly on said northerly side line of Bow Street, a distance of 18.0 feet to a point, thence northeasterly,

northerly and northwesterly through land now or formerly of Doherty on a curve to the left with a radius of 9.0 feet a distance of 20.0 feet to a point on the southwesterly side line of Oakledge Street, thence southeasterly on said southwesterly side line of Oakledge Street, a distance of 18.0 feet to the point of beginning and containing 90 square feet.

Article 89. To see if the Town will make an appropriation to be expended under the direction of the Town Manager for the widening, the construction of the sidewalk, the construction of the curbing and the reconstruction of the roadway at the northwesterly corner of Oakledge Street and Bow Street; determine in what manner the money shall be raised; or take any action relating thereto.

Article 90. To see if the Town will make an appropriation to be expended under the direction of the Town Clerk, for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; determine in what manner the money shall be raised; or take any action relating thereto.

Article 91. To see if the Town will vote to make an appropriation for the purpose of providing ornamental and additional light to the streets in the business area of the Town during the Christmas holiday season; determine in what manner the funds shall be raised and expended or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 92. To see if the Town will make an appropriation of a sum of money to be expended under the direction of the Board of Selectmen for the purpose of providing suitable headquarters for the Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington, determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 93. To see if the Town will make an appropriation of a sum of money to be expended under the direction of the Town Manager for the purpose of providing suitable headquarters for the Arlington Post 1775. Veterans of Foreign Wars, Inc. of the United States; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 94. To see if the Town will make an appropriation to be added to the Stabilization Fund created under Article 73 of the Warrant for the 1958 Annual Town Meeting in accordance with the provisions of Massachusetts General Laws (Ter. Ed.), Chapter 40, Section 5B, as amended; determine in what manner the money shall be raised; or take any action relating thereto.

Article 95. To see if the Town will authorize taking a sum of money voted for the appropriation heretofore made at this Town Meeting under this Warrant, and not voted to be borrowed, from any available funds in the treasury and will authorize the Assessors to use free cash in the treasury in any available funds to an amount not exceeding \$400,000.00, in the determination of the 1960 tax rate.

And you will notify and warn the voters of the Town of Arlington to meet at the time and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least before the day of said meeting for the election of officers.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk before the day of said meeting.

Given under our hands, at said Arlington this twenty-fifth day of January, in the year of our Lord one thousand nine hundred and sixty.

Constable, Town of Arlington

CONSTABLE'S RETURN
COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Arlington, March 4, 1960

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town, previous to the day of the meeting for the election of officers and by posting an attested copy of said Warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the times, places and objects of the meetings was published in the local papers.

(Signed) Frank K. Nicksay
Constable of the Town of Arlington
Massachusetts

ANNUAL TOWN ELECTION

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Monday, March 7, 1960, at seven o'clock in the forenoon.

Upon receipt of the returns as made by the election officers of the several precincts, they were canvassed by Miss Ann Mahon, Town Clerk, Messrs. Timothy J. Buckley, Arthur P. Wyman and Joseph H. Cormier, Registrars of Voters, assisted by Miss Mary A. Farrington and Miss Elizabeth M. Holt, Assistant Registrars of Voters, and the results were announced at 3:00 P. M. on Tuesday, March 8, 1960, as follows:

The amended record of votes cast for Town Meeting Member in Precinct 14 for three years is set forth in "Record of Recount" on March 19, 1960.

All used and unused ballots, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Town Election, properly signed and sealed, were delivered to the Town Clerk to be preserved by her during the time required by law.

The persons declared elected town officers, including town meeting members, were notified as required by the General Laws.

A true record.

ATTEST:

TOWN CLERK

In accordance with Section 61 of Chapter 51 of the General Laws, the return of the registered voters in Arlington at the close of registration for the Town Election on February 12, 1960, was forwarded to the Secretary of the Commonwealth.

The results of the count of votes cast at the Town Election were forwarded to the Secretary of the Commonwealth.

In accordance with Section 132 of Chapter 54 of the General Laws, the total number of voters checked on the voting lists in each precinct was forwarded to the Secretary of the Commonwealth.

In connection with the work of the Department of Corporations and Taxation, a list of Town Officials was forwarded to the Director of Accounts.

RECORD OF RECOUNT - March 19, 1960

Pursuant to the petitions filed with the Town Clerk in accordance with the provisions of law, a recount of the ballots cast in each precinct of the Town for the office of "Selectmen for three years" and in Precincts 14A and 14B for the office of "Town Meeting Members for three years" at the Annual Town Election held on March 7, 1960, was conducted by the Registrars of Voters, assisted by duly appointed clerks, in the Town Hall on Saturday, March 19, 1960, at 9:30 o'clock in the forenoon.

The results of the recount, which becomes the official record, were as follows:

In accordance with the law, the ballots were returned to the Town Clerk, and the Registrars of Voters certified the returns as herein tabulated to be the amended result. The persons declared elected are indicated by an asterisk (*).

A true record.
ATTEST:

TOWN CLERK

ANNUAL TOWN MEETING - MARCH 21, 1960

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, March 21, 1960, at eight o'clock in the evening. The Warrant calling the meeting served as the notice sent by mail to the town meeting members by the Town Clerk.

Certificates were filed with the Town Clerk by the Chairmen and Clerks of Precincts 1, 4, 5 and 8 relative to meetings held on this date and of the elections to fill town meeting vacancies, as follows:

Precinct 1 - Paul R. Donaldson, 41 Marathon Street, until the next annual election to fill the vacancy arising from the resignation of Robert E. Burke, whose term was to expire in 1963.

Precinct 4 - Frederick S. Holway, 17 Cheswick Road, and Arthur G. Manley, Jr., 9 Littlejohn Street, until the next annual election to fill the vacancies arising from the removal from the precinct of John F. Carney and Barbara M. Carney, whose terms were to expire in 1961 and 1962, respectively.

Precinct 5 - Pasquale D. Oppedisano, 77 Decatur Street, until the next annual election to fill the vacancy arising from the resignation of Daniel J. Campo-basso, whose term was to expire in 1962.

Precinct 8 - William A. McMahon, 197 Jason Street, until the next annual election to fill the vacancy arising from the passing of Harold S. Lord, whose term was to expire in 1961.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty (240) town meeting members and eight (8) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred sixteen (216) town meetings members and seven (7) town meeting members at large (89.9% of total - 248) attended the meeting.

Philip H. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Anton Kovar, pianist, and Mr. Augustus Massocca, trumpeter, both of the School Department.

The invocation was given by Right Reverend Oscar R. O'Gorman, Pastor of Saint Agnes Church.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of Mr. Daniel J. Buckley, Jr., Chairman of the Board of Selectmen, permission was granted by general consent for Messrs. Greeley and Parker of the Board of Selectmen; Mr. Nicksay, Executive Secretary of the Board of Selectmen; Mr. Cooledge of the Board of Assessors; Mr. Waterman, Executive Secretary of the Board of Assessors; Messrs. Kelliher and Doherty of the Personnel Board; Mr. Morris, Executive Secretary of the Personnel Board; Messrs. Dunn, Holway, Ahern, Keefe, Guinan, Cotter, Sisson and Johnston of the Finance Committee; Mr. Farrow, Executive Secretary of the Finance Committee; Messrs. Fox, Mirak, O'Hearn, Weiss, Igo and McMahon of the Arlington Development Commission and Mr. Purcell, Town Counsel, to sit within the town meeting enclosure.

The Town Clerk read the call of the meeting and the constable's return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Selectman Buckley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourns to Wednesday evening, March 23, 1960, at 8 o'clock.

On motion of Selectman Buckley, duly seconded, it was

VOTED: That Article 2 be taken up. (Choice of other Town Officers.)

On motion of Selectman Buckley, duly seconded, it was

VOTED: That the following be appointed Measurers of Wood and Bark:
Thomas J. Toye, 195 Forest Street
Edward L. Kelley, 20 Paul Revere Road

There being no further business under Article 2, the Moderator declared it disposed of.

On motion of Selectman Buckley, duly seconded, it was

VOTED: That Article 3 be taken up. (Reports of Town Boards, Finance and other Committees.)

On motion of Selectman Buckley, duly seconded, it was

VOTED: That the reports of the Selectmen and of the various Town officers and committees heretofore appointed, together with the statistics of the Assessors as printed in the Town Report, be received.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in printed form be received.

Mr. James A. Coffey, member of the committee to investigate, consider and make recommendations for the purchase or taking by eminent domain, or otherwise, of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles stated that the committee would submit its report under Articles 26, 27 and 28.

Mr. Marat E. Santini presented the report of the Committee to procure plans and estimates for the construction of a school building in the area of North Union Street and on the motions of Mr. Kermit C. Streng, duly made and seconded, it was

VOTED: That the report be received and the committee be discharged.

Mr. Horace H. Homer presented the report of the committee to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Percival E. Richardson presented the report of the committee to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Shelton B. Wicker presented the report of the Peirce School Playground Committee and on the motion of Mr. Kermit C. Streng, duly made and seconded, it was

VOTED: That the report be received.

Mr. Donald O. Johnston Presented the report of the High School Additions and Reconstruction Committee and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. William A. McMahon presented the report of the Arlington Development Commission and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Creelman F. McKenzie presented the report of the committee to study, investigate, consider and make recommendations relative to the use of the area in the rear of the Junior High School West for the parking or passage of motor vehicles for the relief of traffic congestion and on his motions, duly made and seconded, it was

VOTED: That the report be received and the committee be discharged.

Mr. Percival E. Richardson presented the report of the committee to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows, and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mrs. Leona R. Wilkins presented the report of the committee to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precincts of the Town and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. William E. Collins presented the report of the committee to investigate, consider and make recommendations relative to the replacement of the Town's radio broadcasting system in accordance with the directive contained in Docket 12295 of the Federal Communications Commission, the reading of the report being waived by consent of the meeting, and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Daniel C. Whitney presented the report of the committee to procure plans and estimates for the construction of an elementary school building on land owned by the Town located on Pheasant Avenue and on his motion, duly made and seconded, it was

VOTED: That the report be received.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be laid on the table.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant unless otherwise voted as to any particular article, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4. (Treasurer; Power to Borrow)

VOTED: (Unanimously) That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1961, in anticipation of the revenue of the financial year beginning January 1, 1961 and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1961.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (Claims or Charges of Symmes Hospital)

VOTED: (Unanimously) That the sum of forty six thousand seventeen and 76/100 (46,017.76) dollars be and hereby is appropriated to pay claims and charges of Symmes Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1960 to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 5, the Moderator declared it disposed of.

On motion of Mr. Robert E. Mahoney, town meeting member from Precinct 1, duly seconded, it was

VOTED: That Article 23 be taken up at this time.

Article 23. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That no action be taken under Article 23 of the Warrant.

There being no further business under Article 23, the Moderator declared it disposed of.

Article 6. (Amendment of Town By-Laws--Classification and Pay Plan.)

A substitute motion offered by Mr. William J. Frost, Chairman of the Personnel Board, duly made and seconded, was declared carried on a standing vote, 161 having voted in the affirmative and 53 having voted in the negative. Thereupon, on the motion of the Finance Committee, as substituted by the motion of Mr. Frost, it was

VOTED: That Schedule A of the Classification Plan and Schedule B of the Pay Plan, as established by the Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, by and hereby are amended by increasing all money figures contained therein by approximately five percent (5%) to the nearest even dollar or \$208.00, whichever is the greater, in the annual salary schedule, and \$4.00 or approximately five percent (5%) to the nearest even daily rate, whichever is the greater in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately five percent (5%) to the nearest dollar; said amendment to be effective April 1, 1960; and that for this purpose the sum of \$102,000.00 be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 6, the Moderator declared it disposed of.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 21 be now taken up.

Article 21. (Amendment of Town By-Laws--Classification and Pay Plan.)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That no action be taken on Article 21 of the Warrant.

There being no further business under Article 21, the Moderator declared it disposed of.

Article 7. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan--Schedule A and Pay Plan--Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Maximum--\$7804.00" where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum--\$8300.00", said amendment to become effective April 1, 1960; and that for this purpose the sum of seven hundred forty four (744) dollars be and hereby is appropriated said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 7, the Moderator declared it disposed of.

Article 8. (Amendment of Town-By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan--Schedule A and Pay Plan--Schedule B as established by Article 7C of the By-Laws be and hereby are amended by adding a new Grade AG 15 with the words and figures "Minimum--\$7920.00", "Step 1--\$8220.00", "Step 2--\$8520.00", "Step 3--\$8820.00", and "Maximum--\$9120.00": and that the Superintendent of Public Works be reallocated from Grade AG 14 to AG 15, said amendment to become effective April 1, 1960; and that for this purpose the sum of three hundred eighty seven (387) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 8, the Moderator declared it disposed of.

Article 9. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan--Schedule A and Pay Plan--Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Minimum--\$7404.00", "Step 1--\$7704.00", "Step 2--\$8004.00", "Step 3--\$8304.00", and "Maximum--\$8604.00" where they appear in Grade AG 14 of said Schedules and inserting in place thereof the words and figures "Minimum--\$6960.00", "Step 1--\$7210.00", "Step 2--\$7460.00", "Step 3--\$7710.00", and "Maximum--\$7960.00"; and that the Town Accountant, and Town Engineer, Grade 5, be reallocated from Grade AG 13 to Grade AG 14; said amendment to become effective April 1, 1960; and further that for this purpose the sum of six hundred seventy six (676) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 9, the Moderator declared it disposed of.

Article 10. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating Senior Building Custodian (Senior High School) from Grade MC7 to Grade MC8, and by reallocating Assistant Supervisor of Custodians from Grade AG8 to Grade AG10; said amendments to become effective April 1, 1960; and that for this purpose the sum of five hundred thirty eight and 50/100 (538.50) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 10, the Moderator declared it disposed of.

Article 11. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by striking out the words and figures "(6 cents per hour additional when on offal and ashes)" where they appear after the classification of Public Works Laborer and inserting in place thereof the words and figures "(10 cents per hour additional when on offal and ashes)", said amendment to become effective April 1, 1960; and that for this purpose the sum of one thousand three (1003) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 11, the Moderator declared it disposed of.

Article 12. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating Tree Climber from Grade MC 4 to Grade MC 5, and by striking out the classification "Working Foreman-Tree Climber" in Grade MC 5; said amendment to become effective April 1, 1960; and that for this purpose the sum of six hundred twenty six and 40/100 (626.40) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 12, the Moderator declared it disposed of.

Article 13. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by striking out the classification "Sign Painter in Grade MC4 and inserting in place thereof the classification "Sign Painter and Painter (10¢ per hour additional when sign painting)"; said amendment to become effective April 1, 1960.

There being no further business under Article 13, the Moderator declared it disposed of.

Article 14. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws, be and hereby is amended by reallocating Motor Equipment Repairman from Grade MC 5 to Grade MC 6, said amendment to become effective April 1, 1960; and that for this purpose the sum of nine hundred eighty six and 58/100 (986.58) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 14, the Moderator declared it disposed of.

Article 15. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws, be and hereby is amended by reallocating Working Foreman Motor Equipment Repairman from Grade MC 6 to Grade MC 7, said amendment to become effective April 1, 1960; and that for this purpose the sum of one hundred ninety one and 84/100 (191.84) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 15, the Moderator declared it disposed of.

Article 16. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating Secretary and Head Clerk, Public Works Department, from Grade AG 11 to Grade AG 12, said amendment to become effective April 1, 1960; and that for this purpose the sum of two hundred seventy six (276) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 16, the Moderator declared it disposed of.

Article 17. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws, be and hereby is amended by inserting after the classification of "Motor Equipment Operator, Grade 3" the following "(10¢ per hour additional when operating power shovel, power grader and power sweeper)"; said amendment to become effective April 1, 1960.

There being no further business under Article 17, the Moderator declared it disposed of.

Article 18. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws, be and hereby is amended by reallocating Storekeeper from Grade MC 4 to Grade MC 5, said amendment to become effective April 1, 1960; and that for this purpose the sum of one hundred fifty six and 60/100 (156.60) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 18, the Moderator declared it disposed of.

Article 19. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws, be and hereby is amended by adding the classification of Forestry Foreman, Grad MC 7.

There being no further business under Article 19, the Moderator declared it disposed of.

Article 20. (Appointment of Committee--Re-Employee Education.)

VOTED: That the Moderator be and hereby is authorized and directed to appoint a committee of five, consisting of the Town Manager, the Superintendent of Schools, one member of the Personnel Board, and two (2) registered voters of the Town to investigate, consider, and make recommendations relative to Town encouragement, financially or otherwise, of Town employees seeking formal education in areas related to or growing out of their full-time activities; and that for the use of said committee the sum of one hundred (100) dollars be and hereby is appropriated, said sum to be raised by general tax.

There being no further business under Article 20, the Moderator declared it disposed of.

Article 22. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That no action be taken under Article 22 of the Warrant.

There being no further business under Article 22, the Moderator declared it disposed of.

Article 24. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That no action be taken under Article 24 of the Warrant.

There being no further business under Article 24, the Moderator declared it disposed of.

Article 25. (Acceptance of General Laws.)

VOTED: That no action be taken under Article 25 of the Warrant.

There being no further business under Article 25, the Moderator declared it disposed of.

Article 26. (Purchase of Grove Street Property for a Town Yard.)

VOTED: (Standing Vote 171 in the affirmative and 18 in the negative) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain or otherwise for the establishment of a Town Yard, the parcel of land with the buildings thereon hereinafter described, any portion

thereof, any interest or easements therein, and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservation of any rights or easements therein; and that for this purpose the sum of one hundred seventy four thousand four hundred thirty seven and 50/100 (174,437.50) dollars be and hereby is appropriated; seventeen thousand three hundred and 71/100 (17,300.71) dollars of which is to be raised by general tax, one hundred thousand (100,000) dollars to be taken from available funds now in the treasury, forty six thousand five hundred forty nine and 24/100 (46,549.24) dollars to be taken from sale of land--general, and ten thousand five hundred eighty seven and 55/100 (10,587.55) dollars to be taken from reserve fund overlay surplus; said sum to be expended under the direction of the Board of Selectmen.

Said land is bounded and described as follows:

Beginning at a point on the southeasterly side line of Grove Street, at the southerly side line of the Boston & Maine R.R. right-of-way, thence southeasterly on said southerly side line of the Boston & Maine R.R. right-of-way a distance of 392 feet to a point, thence southwesterly by land of the Town of Arlington a distance of 650 feet more or less to a point, thence northeasterly through land of the Mystic Valley Gas Company and by the northeasterly boundary line of the property numbered 25 Grove Street, a distance of 350 feet more or less to a point on the southeasterly side line of Grove Street, thence northeasterly on said southeasterly side line of Grove Street a distance of 567.5 feet to the point of beginning and containing approximately five acres.

There being no further business under Article 26, the Moderator declared it disposed of.

On motion of Mr. Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:00 P.M., Monday, March 21, 1960, to Wednesday evening, March 23, 1960, at 8:00 o'clock.

A true record.

ATTEST:

TOWN CLERK

ADJOURNED ANNUAL TOWN MEETING -- MARCH 23, 1960

Pursuant to the vote of adjournment of March 21, 1960, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 23, 1960, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Certificates were filed with the Town Clerk by the Chairmen and Clerks of Precincts 2, 7 and 9 relative to meetings held on this date and of elections to fill town meeting vacancies, as follows:

Precinct 2 - Frederick A. Ault, 45 Fairmont Street, until the next annual election to fill the vacancy arising from the resignation of John J. Ryan, whose term was to expire in 1961.

Precinct 7 - Franklin W. Hurd, 10 Newton Road, until the next annual election to fill the vacancy arising from the resignation of Herbert F. Greeley, whose term was to expire in 1962.

Precinct 9 - Maude M. Thompson, 66 Hutchinson Road, until the next annual election to fill the vacancy arising from the resignation of Harold E. Magnuson, whose term was to expire in 1962.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty-one (241) town meeting members and eight (8) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred five (205) town meeting members and eight (8) town meeting members at large (85.5% of total -- 249) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:00 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Anton Kovar, pianist and Mr. Augustus Massocca, trumpeter, both of the School Department.

The invocation was given by Reverend Wilbur D. Canaday, Jr., Pastor of the Park Avenue Congregational Church.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

On motion of Selectman Buckley, duly made and seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourns to Monday evening, March 28, 1960, at 8:00 o'clock.

The Moderator declared Article 27 the first article to be discussed.

Article 27. (Appropriation for Alterations, Improvement, etc. of Buildings in New Town Yard.)

VOTED: That the sum of thirty five thousand (35,000) dollars by and hereby is appropriated for the enlargement, alteration, improvement and reconstruction of the existing buildings in the Grove Street property to be used for a Town Yard: said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 27, the Moderator declared it disposed of.

Article 28. (Disposal of Town Yard Property.)

VOTED: That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to sell, convey or otherwise dispose of all or any portion of the land with the buildings thereon which is currently being used as a Town Yard.

Said land is bounded and described as follows:

Beginning at a point on the northeasterly side line of Massachusetts Avenue, at the southeasterly boundary line of the property numbered 1087 Massachusetts Avenue, thence northeasterly on the division line between the property numbered 1087 Massachusetts Avenue, and the land of Town of Arlington a distance of 80.55 feet to an angle point, thence northwesterly by the rear of said property numbered 1087 Massachusetts Avenue, a distance of 100.38 feet to an angle point, thence northeasterly a distance of 200 feet more or less to an angle point in Mill Brook, thence northwesterly approximately on the center line of said Mill Brook distances of 92.9 feet and 208.45 feet, respectively, to the northwesterly side line of Hobbs Court, thence northeasterly on said northwesterly side line of Hobbs Court distances of

177.42 feet and 201.32 feet, respectively, to a point on the southwesterly side of the Boston & Maine R. R. right-of-way, thence southeasterly on said southwesterly side line of the Boston & Maine R.R. right-of-way a distance of 326.56 feet to land of the Metropolitan District Commission, thence southwesterly by said land of the Metropolitan District Commission a distance of 321.99 feet to the angle point in Mill Brook, thence southwesterly by Lot 3 the end of Laurel Street and Lot 1 a distance of 341.14 feet to a point on the northeasterly side line of Massachusetts Avenue, thence northwesterly on said northeasterly side line of Massachusetts Avenue, a distance of 51.84 feet to the point of beginning and containing 157,073 square feet more or less.

There being no further business under Article 28, the Moderator declared it disposed of.

Article 29. (Appropriation for Service Roadway -- Spy Pond Field.)

VOTED: That the sum of twenty six thousand eight hundred (26,800) dollars be and hereby is appropriated to construct a permanent service road between Wellington Street and Pond Lane on Town property known as Spy Pond Field; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 29, the Moderator declared it disposed of.

Article 30. (Disposal of Land on Mystic Street.)

VOTED: That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to sell, convey or otherwise dispose of certain portions of land on Mystic Street, (with or without the buildings thereon) which were acquired under the vote on Article 25 of the Warrant for the Annual Town Meeting of 1958; and which land will not be required for the relocating or laying out of a portion of Mystic Street.

Said land is bounded and described as follows:

Rear Portion -- Beginning at a point on the northwesterly side line of relocated Mystic Street, at the division line between premises numbered 44 Mystic Street, and premises numbered 40 Mystic Street, thence southwesterly on said northwesterly side line of relocated Mystic Street, a distance of 58 feet more or less to a point on the division line between said #40 Mystic Street, and Lot B, thence northwesterly by said Lot B a distance of 69.81 feet to an angle point, thence northeasterly by Lot A a distance of 39.27 feet to an angle point, thence southeasterly on the division line between #40 Mystic Street, Lot 8 and #44 Mystic Street, a distance of 97.22 feet to the point of beginning and containing 3603 square feet more or less.

Rear Portion -- Beginning at a point on the northwesterly side line of relocated Mystic Street, at the division line between premises numbered 44 Mystic Street, and a private way, thence southwesterly on said northwesterly side line of relocated Mystic Street, a distance of 90 feet more or less to a point on the division line between #44 Mystic Street, and the premises numbered 40 Mystic Street, thence northwesterly on said division line a distance of 38 feet more or less to an angle point, thence northeasterly by Lot 8 a distance of 70.29 feet to an angle point, thence southeasterly by said private way a distance of 86 feet more or less to the point of beginning and containing 4448 square feet more or less.

There being no further business under Article 30, the Moderator declared it disposed of.

On motion of Mr. Edward John Doherty, town meeting member from Precinct 13, made and seconded, it was

VOTED: That Article 32 be taken up now.

Article 32. (Transfer of Land to the Arlington Housing Authority.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and directed on behalf of the Town to petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town, to the Arlington Housing Authority for the use of said Housing Authority to erect buildings thereon for housing aged citizens of Arlington. If said authority is granted by the General Court, the Board of Selectmen, acting on behalf of the Town, is hereby authorized and directed to sell said land hereinafter described to the Arlington Housing Authority for the above described use for the sum of one dollar (\$1.00).

Said parcel of land is bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land belonging to the Boston & Maine Railroad and the Arlington Housing Authority; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 120 feet more or less to an angle point; thence northerly a distance of 165 feet more or less to a point; thence northeasterly a distance of 105 feet more or less to an angle point; thence northwesterly 90 feet more or less to a point on land of the Arlington Housing Authority; then southwesterly along land of said Arlington Housing Authority 156.72 feet more or less to an angle point; thence southwesterly again along said Arlington Housing Authority land 159.77 feet more or less to the point of beginning and containing about 34,000 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Massachusetts, and entitled, "Study Plan -- Reservoir, Playground & Vicinity -- Scale 1" = 80' January 1955 -- James M. Keane, Town Engineer."

There being no further business under Article 32, the Moderator declared it disposed of.

On motion of Mr. Daniel A. Healy, Jr., town meeting member from Precinct 8, duly made and seconded, it was

VOTED: That Article 33 be taken up.

Article 33. ZONING - (Area owned by the Town of Arlington and located between land of Arlington Housing Authority, Boston & Maine Railroad and land owned by Town of Arlington.)

Miss Murdena A. Campbell, Chairman, reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report of the Planning Board on this article be received.

Thereupon, on motion duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its zoning by-law by altering the zoning map therein referred to so as to include in the Residence C District all or any part of the area now included in land owned by the Town of Arlington for park purposes and located between land of Arlington Housing Authority, the Boston & Maine Railroad and land owned by the Town of Arlington, bounded and described as follows:

Beginning at a point on northerly boundary of land belonging to the Boston & Maine Railroad at the intersection of land belonging to the Boston & Maine Railroad and the Arlington Housing Authority; thence easterly on said northerly side line of land belonging to the Boston & Maine Railroad a distance of 120 feet more or less to an angle point; thence northerly a distance of 165 feet more or less to a point; thence northeasterly a distance of 105 feet more or less to an angle point; thence northwesterly 90 feet more or less to a point on land of the Arlington Housing Authority, then southwesterly along land of said Arlington Housing Authority 156.72 feet more or less to an angle point; thence southwesterly again along said Arlington Housing Authority land 159.77 feet more or less to the point of beginning and containing about 34,000 square feet more or less as shown on plan of land on file with the office of the Town Engineer, Arlington, Massachusetts, and entitled, "Study Plan -- Reservoir, Playground & Vicinity -- Scale 1" = 80' -- January 1955 -- James M. Keane, Town Engineer."

There being no further business under Article 33, the Moderator declared it disposed of.

Article 31. (New Housing Project.)

A substitute motion offered by Mr. Joseph S. Vahey, Chairman of the Arlington Housing Authority and town meeting member from Precinct 14, was declared carried by the Moderator on a voice vote. Thereupon, on the motion of the Finance Committee, as substituted by the motion of Mr. Vahey, it was

VOTED: (Standing Vote, 107 in the affirmative and 70 in the negative) That the Town of Arlington hereby approves construction of a new Housing Project, namely, a Project for the Housing of Elderly persons, consisting of not more than 100 dwelling units pursuant to Chapter 667 of Massachusetts Acts of 1954 and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-2.

There being no further business under Article 31, the Moderator declared it disposed of.

Article 34. (Town Departmental Outlays and Expenses.)

MOVED AND SECONDED: That sums be appropriated to defray departmental obligations, outlays and expenses for the year 1960, to be raised by general tax except as otherwise specifically voted and expended, and that the disposal of motor vehicles and other personal property be authorized, all under the direction of the respective department heads as follows:

The meeting thereupon adjourned at 10:53 p.m. on Wednesday, March 23, 1960, until Monday, March 28, 1960 at 8:00 p.m.

A true record.

ATTEST:

TOWN CLERK

ADJOURNED ANNUAL TOWN MEETING--MARCH 28, 1960

Pursuant to the vote of adjournment of March 23, 1960, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening, March 28, 1960, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty-three (243) elected town meeting members and eight (8) town meeting members at large qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred three (203) elected town meeting members and eight (8) town meeting members at large (84% of total 251) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:10 o'clock P. M.

The meeting was opened with the singing of the "Star Spangled Banner" by the assembly, accompanied by Mr. Anton Kovar, pianist, and Mr. Augustus Mazzocca, trumpeter, both of the School Department.

The invocation was given by Rabbi Herbert Rosenblum of the Jewish Community Center in Lexington.

A town meeting member who had not previously been sworn was thereupon sworn by the Moderator.

There being no objection to the request of Selectman Buckley, permission was granted by general consent for Mr. Thomas Kenna, a member of the Planning Board, to sit within the town meeting enclosure.

On motion of Selectman Buckley, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at the session, when the meeting adjourns it adjourns to Wednesday evening, March 30, 1960, at 8:00 o'clock.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 34, Budget 40, be taken from the table.

40. Public Parks and Playgrounds (Town Manager)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED:

There being no further business under Article 34, the Moderator declared it disposed of.

The Moderator declared Article 68 to be now before the meeting.

Article 68. (Amendment of Zoning By-Law.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by striking out paragraph 5 of Section 4 and inserting in place thereof the following:

5. Any person or persons desiring to obtain the permission of the Zoning Board of Appeals for any purpose for which such permission is required under the provisions of this by-law shall make application in writing therefor to the Zoning Board of Appeals which shall, within a reasonable time, hold a public hearing thereon. Notice of such hearing shall be given by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication to be not less than twenty-one days before the day of the hearing.

There being no further business under Article 68, the Moderator declared it disposed of.

Article 69. (Amendment of Zoning By-Law.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by striking out paragraph 6 of Section 4 and inserting in place thereof the following:

6. The Zoning Board of Appeals shall also, at least ten days prior to the hearing, send notice by mail, postage prepaid, to the petitioner, to all the owners of real estate opposite to or abutting on the property in connection with which any permission is sought, to the owners of all property deemed by the board to be affected thereby, as they appear on the most recent local tax list, and to the Planning Board, and shall at least ten days before the hearing, post a notice of the hearing upon the property in a conspicuous location, adjacent to a street on which the property is situated, stating the nature of the petition in connection with which permission is sought. A copy of this notice shall be posted on the Bulletin Board at the Town Hall.

There being no further business under Article 69, the Moderator declared it disposed of.

Article 70. (Amendment of Zoning By-Law.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by striking out paragraph 2 of Section 5 and inserting in place thereof the following:

2. The Planning Board, upon the request in writing of not less than ten registered voters of the Town shall, or upon its own initiative may, hold a public hearing for the consideration of any proposed amendment, modification or repeal of this by-law, provided that where a petition is filed such petition shall show that copies of the petition have been sent by registered mail to all abutters of the land referred to in the petition. The Planning Board shall report to the Town Meeting its recommendations with respect to the action to be taken thereon. Notice of such hearing shall be given

by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication being not less than twenty-one days before the day of such hearing.

There being no further business under Article 70, the Moderator declared it disposed of.

Article 71. (Appropriation for a Planning Consultant.)

VOTED: That the sum of eighteen thousand (18,000) dollars be and hereby is appropriated for the purpose of engaging the services of a planning consultant to prepare a comprehensive plan for the Town of Arlington and to do other related planning work; said sum to be raised by general tax and expended under the direction of the Planning Board.

There being no further business under Article 71, the Moderator declared it disposed of.

Article 72. (Amendment of Zoning By-Law.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of the Planning Board as amended by the substitute motion of Mr. Wallace J. Flynn, town meeting member from Precinct 7, on behalf of Mr. Francis Keefe, which was duly made and seconded and declared to have carried on a voice vote, it was

VOTED: (Standing Vote, 129 in the affirmative and 43 in the negative) That the Town amend its Zoning By-Law by striking out subparagraph 1. of Section 15-A and inserting in place thereof the following:

"1. In the residence C districts, no building or buildings including garages shall be constructed, altered, enlarged, reconstructed or moved in such a way as to cover more than 30 per cent of the area of the lot for a building five stories in height, or more than 35 per cent for a building of four stories or less.", and to amend the schedule of heights and area regulations in conformity with the above.

There being no further business under Article 72, the Moderator declared it disposed of.

Article 73. (Zoning--Area on Gardner and Decatur Streets.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District and bounded and described as follows:

WESTERLY by Gardner Street, 411.50 feet;

NORTHERLY by Decatur Street, 214.53 feet;

Article 76. (Zoning--Area on Mystic Street at junction of Summer Street and Mystic Valley Parkway West.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: That no action be taken under Article 76 of the Warrant.

There being no further business under Article 76, the Moderator declared it disposed of.

Article 79. (Appropriation for Arlington Heights Reservoir Beach.)

VOTED: (Unanimously) That the sum of three thousand (3,000) dollars be and hereby is appropriated to complete the Arlington Heights Reservoir Beach; said sum to be raised by general tax and expended under the direction of the Committee on Swimming Conditions at Arlington Heights Reservoir Beach.

There being no further business under Article 79, the Moderator declared it disposed of.

Article 80. (Removal of Building--Robbins Farm Playground.)

VOTED: (Unanimously) That the sum of two thousand four hundred (2,400) dollars be and hereby is appropriated to remove the wooden building located at the Robbins Farm Playground and Recreation Center, now being used by the Public Works Department for storage and formerly being known as the property of Nathan Robbins, numbered 61 Eastern Avenue, and to complete the grading of the area; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 80, the Moderator declared it disposed of.

Article 81. (Abandonment of Easement.)

VOTED: That the following easement dated May 9, 1955, Taken for Sloping Purposes on Williams Street by the Board of Selectmen of the Town of Arlington, duly recorded with Middlesex South District Registry of Deeds in Book 8466, Page 425, be and hereby is abandoned. Said easement is bounded and described as follows:

Beginning at a point on the northwesterly side line of Williams Street, said point being 165.14 feet southwesterly of the point of intersection of said northwesterly side line of Williams Street, and the southwesterly side line of Arnold Street, thence northwesterly on the division line between Lots 144 and 143 a distance of 23.0 feet to an angle point, thence through Lots 143, 142, 141, 140, 139, 138, 137, 136, 135 and 134 a total distance of 335 feet more or less to a point on the division line between Lots 134 and 133, thence southeasterly on said division line between Lots 134 and 133 a distance of 10 feet to a point on the northwesterly side line of Williams Street, thence northeasterly on said northwesterly side line of Williams Street, a distance of 330 feet to the point of beginning, as shown upon a plan entitled "Plan of Land in Arlington --Mass. Showing Slope Easements, Scale 1" = 40', April, 1955, W. H. Roby, Acting Town Eng."

There being no further business under Article 81, the Moderator declared it disposed of.

Article 82. (Appropriation--Construction of a New School.)

VOTED: That the sum of eight hundred fifty one thousand five hundred (851,500) dollars is hereby appropriated to meet the cost of constructing, originally equipping and furnishing an elementary school building to be located on land of the town situated on Pheasant and Mountain Avenues previously acquired for school purposes; that to meet said appropriation two hundred thousand (200,000) dollars shall be transferred from the Stabilization Fund, three thousand two hundred one and 12/100 (3,201.12) dollars shall be transferred from the unexpended balance appropriated under Article 62 of the Warrant for the 1954 Annual Town Meeting, forty eight thousand two hundred ninety eight and 88/100 (48,298.88) dollars shall be included in the current year's tax levy, and the balance of said appropriation in the amount of six hundred thousand (600,000) dollars shall be borrowed by the issuance and sale of general obligation bonds of the town as hereinafter provided. The Town Treasurer is hereby authorized with the approval of the Selectmen to borrow at one time, or from time to time, the sum of six hundred thousand (600,000) dollars by the issuance and sale of bonds of the town in that aggregate principal amount under the authority of and in accordance with the applicable provisions of Chapter 645 of the Acts of 1948, as amended and supplemented, and the bonds of such issue or issues shall bear such date, be issued and sold in such manner (except as herein or by law otherwise provided) as shall be determined by the Town Treasurer with the approval of the Selectmen, provided, however, that any sum or sums, not exceeding two hundred thousand (200,000) dollars in the aggregate, which shall be received by the town from The Commonwealth of Massachusetts as a construction grant toward the cost of said school building under Section 9 of said Chapter 645, as most recently amended by Chapter 591 of the Acts of 1959, shall be used to meet the cost of said school project or the payment of debt incurred for such purpose and, in the event and to the extent such sum or sums may be received prior to sale of bonds or notes hereinbefore authorized, the amount of debt so authorized to be issued shall be reduced accordingly. Said appropriation shall be expended under the direction of the Committee appointed under Article 88 of the Warrant for the Annual Town Meeting of 1959 to procure plans and estimates for the construction of an elementary school building on land of the Town situated in the area of Pheasant Avenue; said committee to have full authority to construct such school building within the sum herein appropriated; and the Moderator of the Town shall have the power to fill any vacancy in said Committee's membership.

There being no further business under Article 82, the Moderator declared it disposed of.

Article 83. (Purchase of Land for School Purposes.)

VOTED: That no action be taken under Article 83 of the Warrant.

There being no further business under Article 83, the Moderator declared it disposed of.

Article 84. (Conversion of Boilers--Brackett School.)

VOTED: That no action be taken under Article 84 of the Warrant.

There being no further business under Article 84, the Moderator declared it disposed of.

Article 85. (Conversion of Boilers--Junior High School West.)

VOTED: That no action be taken under Article 85 of the Warrant.

There being no further business under Article 85, the Moderator declared it disposed of.

Article 86. (Reconstruction at Robbins Library.)

VOTED: (Unanimously) That the sum of sixteen thousand (16,000) dollars be and hereby is appropriated for the reconstruction of the gallery of the Robbins Library to restore, increase and improve existing library facilities, including the

cost of an outside fire escape; said sum to be raised by general tax and expended under the direction of the Trustees of Robbins Library.

There being no further business under Article 86, the Moderator declared it disposed of.

Article 87. (Appropriation--Peirce School Playground.)

VOTED: That no action be taken under Article 87 of the Warrant.

There being no further business under Article 87, the Moderator declared it disposed of.

Article 88. (Acceptance of a Gift of Land.)

VOTED: That the Town of Arlington does accept a gift to the Town from John Doherty of a parcel of land at the northwesterly corner of Oakledge Street and Bow Street.

Said land is bounded and described as follows:

Beginning at the point of intersection of the southwesterly side line of Oakledge Street and the northerly side line of Bow Street, thence westerly on said northerly side line of Bow Street, a distance of 18.0 feet to a point, thence northeasterly, northerly and northwesterly through land now or formerly of Doherty on a curve to the left with a radius of 9.0 feet a distance of 20.0 feet to a point on the southwesterly side line of Oakledge Street, thence southeasterly on said southwesterly side line of Oakledge Street, a distance of 18.0 feet to the point of beginning and containing 90 square feet.

There being no further business under Article 88, the Moderator declared it disposed of.

Article 89. (Reconstruction of Roadway at Corner of Oakledge and Bow Streets.)

VOTED: (Unanimously) That the sum of eleven hundred fifty (1,150) dollars be and hereby is appropriated for the widening, the construction of the sidewalk and the curbing, and the reconstruction of the roadway at the northwesterly corner of Oakledge Street and Bow Street; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 89, the Moderator declared it disposed of.

Article 90. (Advertising Town By-Laws.)

The Finance Committee recommends the passage of the following vote:

VOTED: (Unanimously) That the sum of four hundred eighty five (485) dollars be and hereby is appropriated for the purpose of defraying the expense of advertising and other costs relating to the By-Laws voted at this meeting; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 90, the Moderator declared it disposed of.

Article 91. (Ornamental Lighting--Christmas Holiday Season.)

VOTED: (Unanimously) That the sum of four thousand (4,000) dollars be and hereby is appropriated for the purpose of providing ornamental and additional light to the Town during the Christmas Holiday Season; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 91, the Moderator declared it disposed of.

Article 92. (Headquarters for Lt. Stanley G. Benner Detachment Marine Corps League of Arlington.)

VOTED: That in accordance with Chapter 40 Section 9 under the General Laws of Massachusetts, as amended by Chapter 409 of the Acts of 1946, the sum of nine hundred (900) dollars be and hereby is appropriated for the purpose of providing headquarters for the "Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington"; and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 92, the Moderator declared it disposed of.

Article 93. (Headquarters for Arlington Post 1775, Veterans of Foreign Wars, Inc. of the United States.)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new notion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That in accordance with Chapter 40 Section 9 of the General Laws of Massachusetts, as amended, the sum of one thousand (1,000) dollars be and hereby is appropriated for the purpose of providing suitable headquarters for the Arlington Post 1775, Veterans of Foreign Wars, Inc., of the United States; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 93, the Moderator declared it disposed of.

Article 94. (Addition to Stabilization Fund.)

VOTED: That no action be taken under Article 94 of the Warrant.

There being no further business under Article 94, the Moderator declared it disposed of.

Article 95. (Appropriation of Available Funds.)

VOTED: That the sum of four hundred thousand (400,000) dollars voted for appropriations heretofore made under the Warrant for this meeting, and not to be borrowed or to be taken from available funds or from balances of special appropriations made in other years, shall be taken from any available funds in the Treasury; and that the Assessors be instructed to use free cash in the Treasury in any available funds to that amount in the determination of the 1960 tax rate.

There being no further business under Article 95, the Moderator declared it disposed of.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be taken from the table. (Reports of Town Boards, Finance and other Committees.)

There being no further business under Article 3, the Moderator declared it disposed of.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:43 P. M. on Monday, March 28, 1960.

A true record.

ATTEST:

TOWN CLERK

Presidential Primary, April 26, 1960

ATTEST:

FRANK K. NICKSAY, Constable

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Arlington, April 22, 1960

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and the purposes herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town previous to said day of the meeting for the election of candidates of political parties and by posting an attested copy of said Warrant at the doors of the Town Hall and in five or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before said day of said meeting. A notice of the time, places and objects of the meeting was published in the local papers.

(signed) Frank K. Nicksay
Constable of the Town of Arlington,
Massachusetts

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington qualified to vote in primaries met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Tuesday, April 26, 1960, at 12 o'clock noon.

Upon receipt of the returns as made by the election officers of the several precincts, the Town Clerk, assisted by the Registrars of Voters and Assistant Registrars of Voters, forthwith canvassed the same and announced the results at 1 o'clock P.M. on Wednesday, April 27, 1960, as follows:

Total of Ballots Cast - 4,582
Democratic - 3141
Republican - 1441

All ballots, used and unused, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Presidential Primary, properly signed and sealed, were delivered to the Town Clerk to be preserved during the time required by law.

A true record.

ATTEST:

TOWN CLERK

April 27, 1960

The Town Clerk this day made return of the votes cast at the Presidential Primary to the State Secretary, using therefor the blank forms supplied by the office of the Secretary of State, and, in accordance with the requirements of Section 70F of Chapter 53 of the General Laws, issued certificates to the successful candidates for election as members of the town committees and notified the chairmen of the town committees of the respective parties.

ATTEST:

TOWN CLERK

State Primary, Tuesday, September 13, 1960

TOWN WARRANT

The Commonwealth of Massachusetts

Middlesex, ss.

To any of the Constables of the Town of Arlington

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in the polling places designated for the several precincts in said Town, viz:

Precinct 1,	East Arlington Branch Library, entrance on Mass. Avenue
Precinct 2,	Hardy School, entrance on Lake Street
Precinct 3,	Junior High School East, entrance on Tufts Street
Precinct 4,	Hardy School, entrance on Lake Street
Precinct 5,	Thompson School Building, entrance on North Union Street
Precinct 6,	Town Hall, entrance on Mass. Avenue
Precinct 7,	St. Agnes Parochial School Building, side entrance on Medford Street
Precinct 8,	Town Hall, entrance on Mass. Avenue
Precinct 9,	St. Agnes Parochial School Building, entrance on Compton Street
Precinct 10A,	Cutter School, entrance on School Street
Precinct 10B,	Brackett School, entrance on Eastern Avenue
Precinct 11,	Highland Hose House, entrance on Mass. Avenue
Precinct 12A,	Cutter School, entrance on School Street
Precinct 12B,	Brackett School, entrance on Eastern Avenue
Precinct 13,	Peirce School, entrance on Park Avenue North
Precinct 14A,	Park Avenue Congregational Church, entrance on Paul Revere Road
Precinct 14B,	Dallin School, entrance on Florence Avenue

TUESDAY, THE THIRTEENTH DAY OF SEPTEMBER, 1960
at 10 o'clock A.M., for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:
 SENATOR IN CONGRESS for this Commonwealth
 GOVERNOR for this Commonwealth
 LIEUTENANT GOVERNOR for this Commonwealth
 SECRETARY OF THE COMMONWEALTH for this Commonwealth
 ATTORNEY GENERAL for this Commonwealth
 TREASURER AND RECEIVER-GENERAL for this Commonwealth
 AUDITOR OF THE COMMONWEALTH for this Commonwealth
 A REPRESENTATIVE IN CONGRESS for the 5th Congressional District
 A COUNCILLOR for the 6th Councillor District
 A SENATOR for the 6th Senatorial District, Middlesex County
 In Precincts 1, 3 and 5, TWO REPRESENTATIVES IN GENERAL COURT for the 25th Representative District, Middlesex County
 In Precincts 2, 4, 6, 7, 8, 9, 10, 11, 12, 13 and 14, TWO REPRESENTATIVES IN GENERAL COURT for the 28th Representative District, Middlesex County
 A DISTRICT ATTORNEY for the Northern District for unexpired term
 A REGISTER OF PROBATE AND INSOLVENCY for Middlesex County
 TWO COUNTY COMMISSIONERS for Middlesex County
 A COUNTY TREASURER for Middlesex County

The polls will be open from 10 A.M. to 8 P. M.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant, and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.
 Given under our hands, at said Arlington, this eighth day of August, in the year of our Lord one thousand nine hundred and sixty.

DANIEL J. BUCKLEY, JR.	SELECTMEN
JOHN O. PARKER	OF THE
ARTHUR D. SAUL, JR.	TOWN
JOSEPH P. GREELEY	OF
HORACE H. HOMER	ARLINGTON

A true copy.
 ATTEST: (SIGNED) FRANK K. NICKSAY, CONSTABLE

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, September 9, 1960

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town previous to said day of the meeting for the election of candidates of political parties and by posting an attested copy of said warrant at the doors of the Town Hall and in five or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before said day of said meeting. A notice of the time, places and objects of the meeting was published in the local papers.

(signed) Frank K. Nicksay
 Constable of the Town of Arlington,
 Massachusetts

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington qualified to vote in Primaries met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Tuesday, September 13, 1960, at 10:00 o'clock in the forenoon.

Upon receipt of the returns as made by the election officers of the several precincts, the Town Clerk, assisted by the Registrars of Voters and Assistant Registrars of Voters, forthwith canvassed the same and announced the results at 7:45 A. M. on Wednesday, September 14, 1960, as follows:

Total of Ballots cast -- 11,583
 Democratic -- 8145
 Republican -- 3438

DEMOCRATIC PARTY

A true record,
ATTEST:

TOWN CLERK

Arlington, September 15, 1960

The Town Clerk this day made return to the Secretary of the Commonwealth of the votes cast at the State Primary held in Arlington on the 13th day of September, 1960, using therefor the blank forms supplied by the Office of the Secretary of the Commonwealth.

ATTEST:

TOWN CLERK

STATE ELECTION, NOVEMBER 8, 1960

TOWN WARRANT

The Commonwealth of Massachusetts

Middlesex, ss.

To any of the Constables of the Town of Arlington:

GREETING:

In the name of the Commonwealth, you are hereby required to notify and warn the inhabitants of said Town, qualified as the Constitution requires, to meet in the polling places designated for the several precincts in said Town, viz:

Precinct 1,	East Arlington Branch Library, entrance on Mass. Avenue
Precinct 2,	Hardy School, entrance on Lake Street
Precinct 3,	Junior High School East, entrance on Tufts Street
Precinct 4,	Hardy School, entrance on Lake Street
Precinct 5,	Thompson School Building, entrance on North Union Street
Precinct 6,	Town Hall, entrance on Mass. Avenue
Precinct 7,	St. Agnes Parochial School Building, side entrance on Medford Street
Precinct 8,	Town Hall, entrance on Mass. Avenue
Precinct 9,	St. Agnes Parochial School Building, entrance on Compton Street
Precinct 10A,	Cutter School, entrance on School Street
Precinct 10B,	Brackett School, entrance on Eastern Avenue
Precinct 11,	Highland Hose House, entrance on Mass. Avenue
Precinct 12A,	Cutter School, entrance on School Street
Precinct 12B,	Brackett School, entrance on Eastern Avenue
Precinct 13,	Peirce School, entrance on Park Avenue North
Precinct 14A,	Park Avenue Congregational Church, entrance on Paul Revere Road
Precinct 14B,	Dallin School, entrance on Florence Avenue

TUESDAY, THE EIGHTH DAY OF NOVEMBER, 1960

next, it being the Tuesday next after the first Monday in said month, at 7 A. M. to act on the following articles, viz:

Article 1. To bring in their votes for Presidential Electors: a Senator in Congress; a Governor; a Lieutenant Governor; a Secretary; an Attorney General; a Treasurer and Receiver-General; an Auditor; a Representative in Congress for the fifth Congressional District; a Councillor for the sixth Councillor District; a Senator for the sixth Senatorial District, Middlesex County; in Precincts 1, 3 and 5, two Representatives in General Court for the Twenty-fifth Representative District, Middlesex County; in Precincts 2, 4, 6, 7, 8, 9, 10, 11, 12, 13 and 14, two Representatives in General Court for the Twenty-eighth Representative District, Middlesex County; a District Attorney for the Northern District; a Register of Probate and Insolvency for Middlesex County; two County Commissioners for Middlesex County; a County Treasurer for Middlesex County.

To vote "Yes" or "No" upon the following question:

QUESTION NO. 1

A. Shall licenses be granted in this town for the sale therein of all YES
alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all NO
other alcoholic beverages)?

B. Shall licenses be granted in this town for the sale therein of wines YES
and malt beverages (wines and beer, ale and all other malt beverages)? NO

C. Shall licenses be granted in this town for the sale therein of all YES
alcoholic beverages in packages, so-called not to be drunk on the premises? NO

All the above to be voted for on one ballot. The polls will be open from 7 A. M. until 8 P. M. and you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this warrant and also by posting a copy of the same at the doors of the Town Hall and in a conspicuous place in each of the fourteen precincts of the Town seven days, at least, prior to the time of said meeting.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands in said Arlington, this third day of October in the year of our Lord, one thousand nine hundred and sixty.

(signed)	Daniel J. Buckley, Jr.	SELECTMEN

A true copy.
ATTEST:

(signed) Frank K. Nicksay
Constable, Town of Arlington

Arlington, Mass., November 4, 1960

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein-named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, places and objects of the meeting was published in the local papers.

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington qualified to vote in elections met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Tuesday, November 8, 1960, at 7 o'clock in the forenoon.

Within one hour after the closing of the polls, the Town Clerk completed delivery of nine hundred two (902) envelopes received by her purporting to contain absent voting ballots, together with the applications therefor, to the election officers in the several voting precincts. The number of such ballots received, cast and/or rejected in each precinct was as follows:

Precinct	1	2	3	4	5	6	7	8	9

All ballots, used and unused, tally sheets, total vote sheets, voting lists, absent voters' applications and ballot envelopes and rejected ballots, and all other records pertaining to the State Election, properly signed and sealed, were delivered to the Town Clerk to be preserved during the time required by law.

A true record.

ATTEST:

TOWN CLERK

Arlington, November 15, 1960

Copies of the records of votes cast at the State Election held in Arlington on November 8, 1960, were this day certified by the Selectmen, and attested and sealed by the Town Clerk in envelopes furnished for the purpose, and transmitted to the Offices of the Secretary of the Commonwealth and the Clerk of Courts for Middlesex County, in accordance with the provisions of Section 112 of Chapter 54 of the General Laws.

ATTEST:

TOWN CLERK

Report of the Town Clerk's Department

To the Citizens of Arlington:

The following annual report of the Town Clerk for the year ending December 31, 1960, is herewith submitted, in accordance with Section 3 of Article 3 of the Town's By-Laws.

The total amount collected by the department during the year and deposited with the Town Treasurer was \$16,235.03, an increase of \$594.73 over the revenue collected in the preceding year. Included in the total amount was \$5,085.80 for conservation licenses and \$4,646.90 for dog licenses.

The breakdown of fees collected is as follows:

Marriage Intentions	\$ 1,206.57
Filing Fees (Financing Statements, etc.)	2,723.24
Miscellaneous Certificates	2,100.72
Pole Location Orders	179.00
Miscellaneous Licenses	260.30

* 2 Resident Citizen Sporting	@ Free	
<hr/>		
1283 Licenses Issued		\$ 5,077.00
8 Archery Deer Stamps	@ \$1.10	8.80
		<hr/>
		\$ 5,085.80

*1961 Licenses issued in December, 1960

Paid to Division of Fisheries and Game, Licenses	\$4,791.00
Paid to Town Treasurer, Fees	294.80

Your attention is directed to the reports appearing on the pages that follow upon the vital statistics of the Town which are recorded at this writing. It should be noted, however, that the summary of statistics relating, in particular, to the births and marriages is incomplete, inasmuch as records thereof pertaining to Arlington residents are still being received by our office from other cities and towns.

Respectfully submitted,

ANN MAHON
Town Clerk

Report of the Registrars of Voters

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

The Registrars of Voters herewith submit their annual report for the year ending December 31, 1960, in accordance with Section 3 of Article 3 of the By-Laws.

Temporary Assistant Registrars designated by our Board made a complete canvass of the Town for the purpose of taking the annual listing of persons twenty years of age and older residing in the Town of Arlington on January 1, 1960, and in conjunction therewith a listing of owners or keepers of dogs, both as required under the law.

Our Board certified the signatures of 12,653 voters appearing in nomination papers filed by or in behalf of candidates seeking municipal, county and state offices and in petitions filed with your Board for articles to be inserted in the Warrant for the Annual Town Meeting.

Thirty-two evening sessions for the registration of voters were held during the year at various public buildings throughout the town. At these sessions, 2070 persons were qualified to vote in elections. Throughout the year, daily sessions for the registration of voters were held during regular business hours in the office of the Town Clerk, at which an additional 3532 persons were so qualified. A total of 5602 names were, therefore, added to the voting list during the year.

For the four elections held in 1960, the Registrars were in session throughout the entire period during which the polls were opened, after which they assisted in the tabulation of the returns of ballots cast at each such election, as follows:

	<u>Polls Open</u>	<u>Tabulation Completed</u>
Town Election (March 7)	7 A.M. - 8 P.M.	3:00 A.M. - Mar. 8
Presidential Primary (April 26)	12 M - 8 P.M.	1:00 P.M. - Apr. 27
State Primary (September 13)	10 A.M. - 8 P.M.	7:45 A.M. - Sept. 14
State Election (November 8)	7 A.M. - 8 P.M.	9:35 A.M. - Nov. 9

Mr. Timothy J. Buckley was reappointed by your Board as a member of the Board of Registrars of Voters for a term of three years.

Recounts of the ballots cast at the Annual Town Election on March 7 for the offices of Selectmen and Town Meeting Member in Precinct 14 were made by our Board on Saturday, March 19. The details thereof are included in the "Record of Elections and Town Meetings", which appears elsewhere in the printed Town Report.

Upon completion of the work of revising the voting list, in accordance with the true list information that had been presented, a total of 1736 notices were sent by first-class mail, as required by law, to persons whose names were to be removed from the voting list for the reason that they had not been reported as residing in Arlington on January 1, 1960. Of this number 454 proved residence and were reinstated.

As a result of the notices mailed, the names of 1282 voters were removed from the list for varying reasons including removal from the Town, changes of name by marriage or court decree, and/or failure to comply with the notice. An additional 346 names of voters were dropped from the voting list because of death or other changes in voting status brought to the attention of our Board.

The total number of registered voters upon completion of the revision of the voting list was 25,216.

The total number of registered voters at the close of registration for the biennial State Election was 29,408, the largest number yet recorded, and of this total 10,906 were enrolled Democrats and 6,989 were enrolled Republicans.

Precinct	Total Voters	Total Democrats	Total Republicans
1	1624	686	299
2	2147	1002	381
3	1273	542	303

14B	1783	578	414
	<hr/> 29408	<hr/> 10906	<hr/> 6989

During the year the information contained in the approximately 35,000 true listing slips, covering on residents of the Town on January 1, 1960, was transferred to their individual master cards which provide for a complete official record of residence for all persons twenty years of age or older from the time they first become residents of the Town of Arlington.

Respectfully submitted,

Timothy J. Buckley, Chairman

Arthur P. Wyman

Joseph H. Cormier

Ann Mahon, Clerk

Registrars of Voters

Report of the Sealer of Weights and Measures

January 14, 1961

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I respectfully submit the Annual Report of the Sealer of Weights and Measures for the year ending December 31, 1960:

100 to 5,000 lbs.	4	38	1
Under 100 lbs.	6	154	14
WEIGHTS			
Avoirdupois	0	104	0
Apothecary	0	192	0
Capacity Measures	0	5	0
AUTOMATIC MEASURING DEVICE			
Vehicle Tanks	0	23	0
Taxi Meters	0	25	0
Yard Sticks	0	8	0
Bulk Storage	0	3	0
Gasoline Meters	10	116	0

TRIAL WEIGHINGS AND INSPECTIONS

	Number Tested	Correct	Under	Over
Meats & Provisions	1,482	1,401	81	0
Fruits & Vegetables	1,012	947	65	0
Confectionery	192	192	0	0
Flour	64	64	0	0
Coffee	36	36	0	0
Butter & Cheese	238	238	0	0
Bread	104	104	0	0
	<u>3,128</u>	<u>2,982</u>	<u>146</u>	<u>0</u>

This Department has turned into the Town Treasurer the sum of three hundred eighty-one (381) dollars and seventy (70) cents, which was collected as sealing fees.

Respectfully submitted,

JAMES J. DOLAN
Sealer of Weights and Measures

**ANNUAL REPORT of the BOARD OF ASSESSORS
for 1960**

During the year, the Board of Assessors met every Monday evening, plus special meetings called by the Chairman, especially during July and August, when intermittent sessions were held.

Hearings were held with residents of the town on the subjects of property valuations, personal and motor excise taxes, relief to the aged, inform or poor, veterans' exemptions and the like.

During the year, members of the Board attended all conferences conducted by the State Department of Corporations and Taxation.

Members of the Board made weekly trips "into the field" during the year to assess new property constructed within the town, as well as additions and alterations to existing property.

During the month of January, members of the Board made individual inspections throughout the Town and assessed personal property in the amount of \$4,915,550.00.

At the organizational meeting on the Monday following the Annual Town Election, the members, including Mr. William O. Hauser, Mr. Walter S. Cooledge, Jr. and Mr. John B. Byrne, Jr., met and unanimously elected Mr. Hauser as chairman and Mr. Byrne as clerk for one year.

The number of bills processed by the office was over forty-eight thousand (48,000) this year.

The following permits were received from the Building Department during the year:

New buildings	176	New garages	6
Additions & Alterations	99	Signs	43
Re-roofs	32	Swimming pools	7
Demolish buildings	26	Miscellaneous	15

Following is a comparison of exemptions granted on Real Estate, as required by law:

	1960	1959
Veterans (disability, etc.)	\$129,774.41	\$119,959.45
Widows	23,942.39	21,236.22
Old Age	6,783.85	4,534.45
Blind	3,694.95	2,286.60
Inability to Pay	2,851.46	2,029.10
Minors	742.90	296.00
	\$167,789.96	\$150,341.82

The total amount of statutory exemptions granted in 1960 represents approximately \$1.96 on the Tax Rate.

New property was found and total valuation increased as follows:

January 1, 1956	\$1,612,850
January 1, 1957	1,400,000
January 1, 1958	1,553,500
January 1, 1959	1,347,500
January 1, 1960	1,947,500
January 1, 1961	1,500,000 (estimate)

The actual total increase in Real Estate value in 1960 over 1959 was \$1,974,500.

In conclusion, the Board of Assessors would like to call attention to the above figures regarding new property valuation. It will be noted that, whereas in 1960, new property had reached almost two million dollars, the estimated increase for 1961 is one and one-half million dollars. The Board wishes to point out again that with the steady decline in the amount of undeveloped land and areas in the Town, the tax revenue from new property will not be sufficient to offset the increases in governmental costs and services.

The Tax Rate figures, statistics and percentages of appropriations by departments follows:

WILLIAM O. HAUSER, Chairman

WALTER S. COOLEIDGE, JR.

JOHN B. BYRNE, JR., Clerk

of
Assessors

Compiled by P.J. Waterman, Exec. Secty., Board of Assessors, Dec. 22, 1960

Report of the Finance Committee

The following resignations occurred during year

Precinct 3. Daniel M. Hooley
Precinct 4. Frederick S. Holway

New appointments for the year were;

Precinct 3. Ronald E. Higby 60 Tufts St.
Precinct 4. George J. Remmert 5 Homestead Rd.
Precinct 11. Gilbert F. Dillon.

Organization was held and the following officers elected.

Kermit C. Streng	Chairman	Unanimously
T. Richard Guinan	Vice Chairman	Unanimously
Percival E. Richardson	Secretary	Unanimously
William H. Farrow	Exec. Secretary	Unanimously

Chairman Streng appointed the following sub-Committees;

Sub Committee A. with budgets 1, 2, 3, 4, 7, 10, 11, 14, 16, 18, 19, 20, 21, 22, 23,
35, 42, 43, 44, 45, 46, 47.

Charles W. Blackmon, Chairman
Edwin A. Barnard
Ronald E. Higby

Sub Committee B. with budgets 6, 8, 9, 13, 15, 24, 25, 26, 27, 28, 29, 30, 34, 39, 40,
41, 50, 51

T. Richard Guinan, Chairman
Philip D. Ahern
Gilbert F. Dillon

Sub Committee C. with budgets 12, 31, 32, 33, 33A, 49 and

Extension Water Mains
Extension Sewer Mains
Extension Storm Mains

Percival E. Richardson, Chairman
Robert G. Sisson
Joseph A. Keefe
John R. Cotter

Sub Committee D. with budgets 5, 17, 36, 37, 38, 48.

J. Howard Hayes, Chairman
William H. Dunn
George J. Remmert
George K. Rugg

Sub Committee E. Policy Committee.

T. Richard Guinan, Chairman
Percival E. Richardson
Charles W. Blackmon
J. Howard Hayes
George K. Rugg

Personnel Committee

George K. Rugg, Chairman
T. Richard Guinan
Charles W. Blackmon

The chairman of the Finance Committee is a member (ex officio) of all sub committees.

Your Finance Committee has held in the year 20 meetings one as usual, the last before Town Meeting all day, and has as usual held a meeting with Town Meeting Members in each precinct the Thursday preceding Town Meeting.

The sub Committees have held 51 meetings with department heads and others, on Budgets and on other matters within their jurisdictions.

Average attendance has been 12 members per meeting which was lowered by a resignation early in year which was filled later than usual.

Status of reserve fund at close of year Budget 47 is as follows;

Date	Transfers	Amount
10/17	Transfer from Budget 47 to Budget 14 Election officials	\$ 2562.00
10/17	Transfer from Budget 47 to Budget 14 Illness Asst. Registrar	595.00
10/17	Transfer from Budget 47 to Budget 45 Printing Town Reports	425.00
10/17	Transfer from Budget 47 to Budget 31 Sewer Maintenance - Arlmont Pollution - Clematis Brook . .	2000.00
11/14	Transfer from Budget 47 to Budget 49A. Water Extensions	5000.00
11/14	Transfer from Budget 47 to Budget 42 Non Contributory Pensions.	6483.04
11/14	Transfer from Budget 47 to Budget 11 Town Clerk.	357.00
11/14	Transfer from Budget 47 to Budget 9 Board Assessors	390.00
12/19	Transfer from Budget 47 to Budget 46 Medical, Health Hospital Insurance	2001.71
12/19	Transfer from Budget 47 to Budget 42 Non Contributory Pensions.	410.40
12/19	Transfer from Budget 47 to Budget 37 Veterans Aid & Assistance	4100.00
12/29	Transfer from Budget 47 to Budget 33 Removal Snow & Ice	<u>26302.66</u>
	Emergency Total Transfer.	\$ 50,626.81
	Balance left from Budget 47 and returned to Treasury	34,373.19

Respectfully submitted

Percival E. Richardson

Secretary

Report of the Tree Warden Superintendent of the Moth and Town House Grounds Departments

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Tree Warden and Superintendent of the Moth and Town House Grounds Departments for the year ending December 31, 1960.

TREE DEPARTMENT

In the Spring of the year three hundred and seventy-five (375) trees were planted on new streets constructed by the Public Works Department and private contractors, also in various sections of the Town when requested by private individuals.

Public hearings were held for the removal of Town trees at #46 Ronald Road, #18 Wellington Street, #306 Mystic Street and #49 Lowell Street. As there were no objections the trees were removed at the expense of the petitioners.

A Dogwood tree was planted for the Camp Fire Girls on the Robbins Library lawn in commemoration of Arbor Day.

Trees were ordered out by the Board of Selectmen on Pheasant Avenue, Lansdowne Road, Edmund Road and Brattle Street for construction of roads and sidewalks.

Trees were pruned and removed by this Department for the Park, Cemetery, School and Public Works Departments at the request of the respective department heads.

The Boston Edison and New England Telephone and Telegraph Companies removed tops of twenty two (22) dead trees that had their utility wires running through them.

Forty-five (45) large dead trees over 24" in diameter were removed below the ground level with the aid of our stump cutter. There were also many smaller trees taken out throughout the Town.

We still receive many requests at the office during the year for trimming trees that are growing close to houses and overhanging roofs. A continuation of our program of raising up and trimming of trees to alleviate obstruction from high delivery trucks and buses traveling along our highways was continued.

Roots of trees were trimmed or removed for sidewalk construction at the request of the Public Works Department.

Hurricane Donna arrived in Arlington in the late afternoon of September 12, 1960. The Department was well alerted as continuous warnings had been broadcasted. The hurricane was responsible for blowing over seventeen (17) trees completely. Broken and split limbs were found on trees on every street in the Town. The Department was assisted in this disaster with trucks and personnel from the Public Works and Park Departments, but much work remains to be done, such as flushing broken limbs, etc.

Christmas trees in all sections of the Town were disposed of this year by Brush Chippers, thereby saving a considerable amount of money in extra truck hire.

The personnel of the Department assisted the Park Department clearing skating areas when requested and also assisted the Public Works Department plowing streets and removal of snow.

MOTH DEPARTMENT

The regular spraying schedule of this Department was carried on as usual, including a dormant spray given to the Elm trees to combat the Scolytus Beetle which is the carrier of the Dutch Elm disease. During the year Dutch Elm Disease samples were taken from four (4) trees on private property and when the laboratory tests were made known the property owners were notified. Twenty-four (24) diseased trees on Public Ways and other Town properties were removed. There is no known cure for this disease outside of removing the trees and burning them up or burying them.

Verticillium Wilt on the Maple trees was very prevalent this year and fifteen (15) trees had to be removed on account of it. Many other Maple trees were pruned of dead wood to try and save them.

Heavy infestations of Tent Caterpillars were found in the Pleasant View Road, Summer Street, Morningside and Thorndike Street sections of the Town.

Japanese Beetles again this year required spraying but the infestation was not as heavy as in past years. This Beetle originates in the turf and I would advise all property owners to treat their lawns with either D.D.T. or Chlordane.

Many calls were received regarding European Earwigs. As this insect can be controlled by individuals, residents were advised as to what to use and how to control them.

All of the trees on our main streets and many side streets had to be sprayed in the early morning hours due to heavy traffic conditions during the middle of the day.

There were nine hundred and sixty-seven (967) private estates sprayed at the request of property owners, who in turn made a remittance to the Town for the cost of the work. Both Housing projects were sprayed for Japanese Beetles.

There were six (6) complaints received at the office in regards to Poison Ivy. All locations were treated to the satisfaction of the complainants.

Bees' Nests and Hornets' Nests were either sprayed or cut down from trees whenever they were called to our attention. Many calls were received about squirrels jumping from trees on to houses. In all cases the branches were cut back to alleviate the condition.

The sand at Reservoir Beach was sprayed on two different occasions for the control of Ants.

TOWN HOUSE GROUNDS DEPARTMENT

As has been the custom in past years, the personnel of the Tree and Moth Departments maintain the grounds bordering the Town Hall and Robbins House. These men also take care of the lawn and hedges at the Police Station and the grass areas adjoining the parking lot on Mystic Street.

The pool located on the Town House Grounds was given two coats of waterproof Turquoise Blue Silasheen Paint during the summer. This pool became blocked in August due to a break in the drain pipe and was repaired by the Public Works Department.

Two thousand (2,000) Pachysandra plants were planted in the beds adjacent to the pool to replace the plants that were winter killed.

The Patriot's Day celebration again attracted large crowds of adults and children which necessitated the men of the Department to rope off the entrance to the Town Hall and police the grounds.

The parking area in the rear of the Robbins House as well as all the gravel walks were black topped this year.

A watchman was employed during the summer months to patrol the grounds every evening as well as all day Saturdays, Sundays and Holidays. He also checked the Robbins Library doors and windows on weekends.

The regular maintenance of the grounds was attended to as usual. The lawns were all top dressed, seeded and fertilized.

Snow removal from the front platform of the Town Hall, the walks through the grounds, also the parking area in the rear of the building and at the rear of the Robbins House was taken care of as usual. These areas were also sanded when needed.

In conclusion, I wish to gratefully acknowledge the co-operation given me by you and your staff, the personnel of this Department and all other Departments of the Town.

Respectfully submitted,

GEORGE M. DOLAN
Tree Warden and Superintendent
of Moth and Town House Grounds
Departments

Annual Report of the Park Commission

January 11, 1961

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

The Board of Park Commissioners herewith submits its Annual Report for the year ending December 31, 1960.

MAINTENANCE

Warren A. Peirce Field:

Football goal post was widened from 18' 6" to 23' 4" at a cost of \$100.

Resurfaced and reseeded gridiron.

Painted grandstands on baseball field and south side of gridiron which seats 4,000 persons.

Constructed a retaining wall to the rear of the grandstand on the north side of field at a cost of \$6,224. This work was completed by the Lowell Engineering Company of Lowell, Massachusetts.

Loamed and reseeded girls field hockey area and Little League diamond.

Rebuilt and replaced upright supports and cross braces on scoreboard.

Painted baseball backstop on high school diamond.

Robbins Farm:

Added approximately one ton of sand around merry-go-round axle.

Replaced six park benches and resurfaced baseball diamond.

Robbins Barn was demolished by the Public Works Department at the request of Town Meeting. \$2,400 was appropriated for this purpose.

Menotomy Rocks Park:

250 permits were issued for the use of picnic grounds and fireplaces.

There were 52 days of ice skating at Hills Pond.

Six flower beds were maintained throughout the year.

Cut out all growth of Golden Rod and wild brush bordering foot paths. Seventeen diseased trees were removed.

Scraped and painted wrought iron fence at Jason Street entrance.

Linwood Street:

Reset jungle gym.

In order that all fountains will be of standard size and for convenience of repairs, replaced one inch copper tubing with 3/4 inch copper pipe.

Added approximately one ton of sand around merry-go-round axle at Pond Lane children's area.

Parallel Street:

Added approximately one ton of sand around merry-go-round axle.

Florence Avenue:

Replaced one 12 ft slide.

Replaced table top and seat boards on 10 ft picnic table.

Added approximately one ton of sand around merry-go-round axle.

Summer Street:

Replaced one inch copper tubing with 3/4 inch copper pipe in two fountains.

Spy Pond Field:

Painted grandstand and repaired broken cement wall surrounding grandstand.

Replaced eight broken 2-1/2 inch black iron pipes in fence.

Painted girls and boys locker buildings.

Meadow Brook Park:

Graded approximately 5,000 sq ft for larger skating area.

Peirce School:

Removed basketball post and backstop at request of School Department.

Thorndike Street:

A 12 ft all steel slide was replaced at a cost of \$175.

Added approximately one ton of sand around merry-go-round axle.

Waldo Road:

Replaced picnic table.

Reservoir Field:

Replaced fourteen floodlights. This was the third year they had to be replaced.

Resurfaced Little League baseball field.

A new Pony League diamond was installed in the outfield of the present Little League Field.

Two players benches and a 30' x 18' chain link backstop was erected at a cost of \$450.

Copper pipe was installed and connected to new water line for fountain.

Reservoir Beach:

1,500 tons of sand was dumped on beach area.

70 drums of H.T.H. was added to purify the water at the ratio of one barrel a day.

Replaced 900 feet of 3/8" lifeline.

North Union:

Replaced locks on all of the doors which had been broken by youngsters.
Roof drain repaired, roof retarred and buttress repaired at a cost of \$575.
Installed two asphalt walks connecting playground with school grounds at a cost of \$378.

Ethel Wellington:

Replaced one 12 ft all steel slide.

Cutter School:

Dug up and reset jungle gym.

Bishop School:

Reset horizontal ladder.

33 Ryder Street:

Painted 220 linear feet of chain link fence 8 feet high.

General Maintenance:

Our men made 20 Nok Hockey games, repaired archery stands, repaired and painted 120 chair swings, painted 100 linear feet of Safway Stands in addition to their regular maintenance work such as marking football, baseball and softball fields, removing snow and flooding areas for skating, and maintaining flower beds at Medford Street, Chestnut Street, Warren Street, Thomas J. Robinson Rock, Standpipe, Forest Street, Ridge Street, Jason Street, Menotomy Rocks Park, and the Old Town Hall. 8,000 tulip bulbs were planted in these areas. Loam was added to pitchers mounds to bring them up to standard size and height.

RECREATION

There were 52 days of safe skating. Wading pools were flooded at North Union Street, Waldo Road, Robbins Farm, Parallel Street and the tennis courts at Ethel Wellington playground on Grove Street. These areas were used mostly by young children. Meadow Brook Park and Hills Pond were lighted areas where many young working people were afforded an opportunity to skate or play hockey. We regret we were unable to comply with the many requests to flood other areas. Because of adverse conditions, the ground was unable to retain the water necessary to have a sizeable area.

Pee Wee Hockey League was organized for the third successive year with 125 sixth, seventh and eighth grade boys registering. The league was formed into eight teams of 13 boys each. Games were played every Saturday from 7:00 to 9:30 A.M. at the M.D.C. Rink on Route 2. The season opened December 1 and ended March 15. This was a popular program and exceptionally successful. When boys were willing to get out of bed before seven o'clock on a Saturday morning it showed their enthusiasm for this sport.

Badminton classes were resumed at the high school gymnasium, after a year's lapse due to the high school building program, on Tuesday evenings from 7:00 to 10:00 P.M. Twelve to eighteen players registered.

Two Adult Bowling Leagues composed of 16 teams bowled on Tuesday and Thursday evenings at the Arlington Recreation Alleys. The season opened on September 12 and closed on March 14. Schedule consisted of 24 matches.

A banquet was held at the K of C Hall where over \$900 in prizes were awarded by Town officials. This league operated with no expense to the town.

The High School Basketball League organized with six teams and played Tuesday and Friday evenings at the Jr. High West. Two rounds of play were scheduled and the first four teams entered an elimination tournament to determine the championship. Small trophies were awarded to winner and runner-up. Only boys in high school, and not representing a school team, were eligible for this league.

The Adult Basketball League competed on Wednesday evenings at the Jr. High West. The league organized with six teams playing two games each week. Boys must be over 18 years of age to compete and this league was open to any resident or organization in Arlington. The teams played one round of play and then entered an elimination series to determine the Town championship.

450 junior high school boys and girls enjoyed dancing under the supervision of this department on Friday evenings at Robbins Memorial Town Hall. Dance admissions amounting to \$1,687.30 was turned in to the Town Treasurer.

62 boys and girls registered at the Jr. High East to learn ballroom dancing. These youngsters were taught the basic dance steps and proper etiquette. A nominal fee of \$2.00 for ten lessons was charged. At the final lesson, prizes were awarded and refreshments served.

Arts and Crafts classes for 5th, 6th grade girls were held on Saturday mornings from November 1 through March 15, 9:15 to 11:45 A.M., at the Thompson, Hardy, Bishop, Peirce and Dallin play rooms and the high school multi-use area. This program included teaching of folk dances, quiet games, story telling, making special holiday gifts and other special events.

A Golf Clinic for adults was conducted two evenings a week at the Jr. High East. Three one hour lessons were given each evening by John Thoren, golf pro at Myopia Country Club. This clinic has been held for the past eleven years and has proved very popular. 125 adults registered for the course.

One of our most successful programs was the Town Softball League which consisted of 20 teams. Two leagues were organized, one Class A and one Class B. Each league played two rounds of play, then the first four teams played a 2 out of 3 series in an elimination series to determine the league champion. Both league winners then played a series of 2 out of 3 games to determine the Town champion. A banquet was held at Legion Hall on October 21, 1960. Town officials were invited and awards presented the winners with no banquet expense to the town.

A group of All Stars were chosen from the two leagues and a game was played under the lights at Reservoir Field for the benefit of the Jimmy Fund. The proceeds of the game, amounting to \$42.00, was forwarded to Mr. William Koster, Executive Director of the Jimmy Fund.

The Little League program was coordinated by this department and consisted of 12 teams with boys ranging from 8 to 12 years of age. There were three leagues: Northern, Southern and Western. Each league played 5 rounds of play and at end of the season an elimination series was played to determine the Town championship. An All Star team was chosen to play inter-city games in the district to decide local champions.

Schedules were drawn up for the Cub Scouts. 12 teams were organized into one league and they played during the month of May at the Brackett School, Bishop School, Cemetery Street playground, Spy Pond Field and Jr. High West.

Tennis lessons were provided at Crosby School and Ethel Wellington tennis courts during the spring, summer and fall.

Reservoir Beach opened June 24 and closed on Labor Day, September 5, 1960. The beach was restricted to Arlington residents for the second year with remarkable success. Residents wishing to use beach facilities were required to register, with the exception of youngsters under 5 years of age. A small fee of 25 cents was charged for identification tag which allowed them access to the beach during the entire summer. 5,212 persons purchased identification tags and \$1,303 was turned over to the Town treasurer. Average attendance was 400; on several very hot days there was an estimated attendance of 2,500.

Red Cross swimming classes for young people were conducted at 11:00 A.M. and 2:00 P.M., Monday through Friday, by our lifeguards. Classes averaged 70 in the morning and 100 in the afternoon. Children were assigned to three groups: Beginners, Intermediate and Advanced. At the end of the season, 60 children passed the Red Cross beginners test; 25 the intermediate test. Red Cross Junior and Senior Lifesaving classes were conducted three days a week. Only one boy passed the Senior lifesaving test. Next summer we hope to create more interest and develop more strong swimmers capable of taking lifesaving courses.

The Golden Age Club, an extremely popular and active organization, has a registration of 300 members. They met the first and third Thursday of every month, with the exception of July and August, at the Robbins Junior Library. Many trips were planned for their enjoyment: they saw several ball games as guests of the Red Sox, had a picnic lunch at Salem Willows, saw the Flower Show at Suffolk Downs, attended the Topsfield Fair, the Ice Capades and the spectacular film "Spartacus".

An active summer program was provided for Arlington children at sixteen supervised playgrounds and one swimming beach. The season opened June 27 and closed August 17, 1960. A variety of games, free play, arts and crafts, baseball, softball, archery, tennis, trips and special events held the interest and enthusiasm of the children throughout the eight week period.

Three baseball leagues were formed: Midget, Junior and Senior; inter-playground games were played. More interest was shown in baseball than in previous years. Teams were better organized and some effort was made by the youngsters to travel from playground to playground. Transportation was a problem in this program. Perhaps if an old police cruising car could be turned over to the Recreation Department it might solve the problem.

Leagues were also formed for ping pong, horseshoes and softball.

Archery matches were held with Weymouth and Belmont Day Camp. Some 55 boys and girls registered for this comparatively new program.

We were not too successful in our efforts to interest the children in tennis. 55 registered but, due to vacations and illness, only 35 reported faithfully.

Children always rally to the support of a special event and we try to hold one each week. 225 children attended the Magic Circle Theater at Tufts University to see a play of interest to youngsters between 6 and 10 years of age. 500 boys and girls attended the annual Red Sox baseball game; 300 children spent the day at the M.D.C. Zoo in Stoneham; 1,800 attended the annual Weenie Roast conducted at Menotomy Rocks Park where 1,800 hot dogs, 1,800 bottles of Coca Cola, and 1,800 bars of ice cream and gum were distributed to the children through the courtesy of the Arlington Lodge of Elks and American Legion, Post No. 39; 25 amateur acts were performed by children from various playgrounds at this picnic.

The Final Day Parade was held on August 16 with youngsters from our 16 playgrounds marching from Robbins Library to W. A. Peirce Field to Music by St. Agnes Band and Holy Trinity Band of Boston. Costumes, decorated bicycles, doll carriages and prize winning floats were viewed with pride and some times merriment by parents and the children competing. This annual affair was sponsored by the Boys' Club Associates.

At W. A. Peirce Field awards were presented to the winners of floats, crazy hat, bicycle, doll carriage and watermelon contests. Champions in archery, ping pong, horseshoes, baseball, softball, tennis, and several outstanding amateur acts were presented awards by Town Manager, Edward C. Monahan; Chairman of the Board of Selectmen, Daniel J. Buckley; and Park Commissioner, J. Fred McGann.

The Board wishes to express its appreciation to the Town officials and to the employees of this department for their cooperation and assistance.

Very truly yours,

FRANK J. HUGHES, Chairman
EDWARD D. BUCKLEY
J. FRED MCGANN

Report of the Supervisor of Maintenance

January 12, 1961

Mr. Edward C. Monahan
Town Manager
Town of Arlington, Mass.

Dear Mr. Monahan:

I, herewith, submit my report as Supervisor of Maintenance and Custodians for the year ending December 31, 1960.

Specifications for various types of repairs, alterations, and replacements to various Town Owned Buildings for contract work, including fuel, etc. were prepared by this Department and submitted to the Purchasing Agent to obtain competitive bids. After bids were awarded, this Department supervised and inspected all work and materials as the work progressed.

The following consists of some of the various types of projects completed by Contractors and the Building Maintenance Department during the past year:

SENIOR HIGH SCHOOL

The Wood Working Room in the "A" section of the building was reconditioned. The work involved consisted of installation of a new 220-V power circuit and a 115-V light circuit from the main power panel, installation of twelve 8' Fluorescent Light Fixtures, construction of a Paint Shop and Office at the rear end of the room, wiring and connecting all new motive equipment, installation of a new soapstone sink and painting the entire areas. The carpenter work and painting was done by the Building Maintenance Department.

Installed and connected a new gas line to the metal tempering forge in the Machine Shop in the "E" building and extended the piping for air from the Printing Room in the "B" building into the Machine Shop and provided valved outlets where directed.

Installed a double compartment sink with waste and water supplies in the new Maintenance Shop.

Replaced all spalled concrete on the East exterior wall of the Auto Shop. This work was done by the Public Works Department.

Painted the entire exterior of the "A" and "B" sections of the building and the entire interior of the Auto Shop. Part of the interior painting was done by the Building Maintenance Department.

Several repairs and replacements were done to the roof areas on the "A" and "B" sections, including the reconditioning of the (10) large ventilators on the roof of the "A" section.

Room 48 in the "B" section of the building is being reconditioned into a General Shop. The part of the work which is completed consists of the wiring and connecting (2) ceramic kilns, installation of a sink and additional lighting. The carpenter work is being done by the pupils.

Replaced the worn sump pump in the Electric Room in the "B" section of the building.

Replaced (29) window shades and repaired (17) window shades throughout the building.

Converted Room 97 into a modern language laboratory. The work consisted of the construction of a large platform, partitioning a section of the room for housing the power operating equipment for (30) cubicle units and the installation of the wiring for each unit. The carpenter work and painting for the platform and equipment room was done by the Building Maintenance Department. Installed (8) flameproof draw curtains to blackout the room for visual education.

Two new gas steam tables were installed in the Cafeteria and all necessary connections for same were made.

The Building Maintenance Department constructed and installed work benches and bookcases in the Electronic Shop.

JUNIOR HIGH EAST SCHOOL

Installed an acoustical ceiling in the Cafeteria. Installed 243' of 48" chain link fence on the northeast side of the building between Foster and Tufts Streets. Replaced (9) window shades and repaired (10) others.

JUNIOR HIGH WEST SCHOOL

Installed 3/16" Asphalt Tile flooring over 1/4" Masonite underlayment over the second floor corridor from stairway "A" to stairway "B".

Installed incombustible acoustical tile ceilings over the existing plaster ceilings in classrooms #8-#9-#10-#11-#01-#2.

Installed (61) 4' Fluorescent Light Fixtures in classrooms #3-#4-#5-#7-#10-#11 and Principal's Offices.

Replaced pulleys on 70" vent fan in the stack Room in the "A" section of the building.

Replaced (33) window shades and repaired (11) other shades throughout the building.

Installed a drinking fountain in the Boys' locker room in the Gym section of the building.

JUNIOR HIGH INDUSTRIAL ARTS SCHOOL

The Building Maintenance Department prepared and painted (4) classrooms on the first floor, Teachers' Room and Toilet Room, first floor corridor and entrances, (2) stairways from the first floor to the basement, (2) stairways from the first floor to the second floor and the open area adjoining the cooking room.

Made repairs and replacements to 60" vent fan in the stack room.

Replaced missing roof slate, repaired and replaced copper roof flashings.

CUTTER SCHOOL

Remodeled basement Room B-18 to be used for a Library. The work included rewiring and the installation of Fluorescent Light Fixtures, bulletin boards, construction of cabinets, installation of asphalt tile flooring over underlayment, installation of a unit heater, and painting the entire area. A great amount of this work was done by the Building Maintenance Department.

Covered all exposed steam piping with canvassed asbestos in Room B-18. Covered 3" water main with insulation, including branch lines in the boiler room. This was done to help reduce the drinking water temperature where the pipe lines passed through the warm areas.

Made repairs to the brickwork in the fire boxes of both boilers.

Repaired leaks in the roof areas over the Auditorium and side entrance to the building.

LOCKE SCHOOL

Repaired roof leaks around the dormer windows and replaced missing slate in the same area, also replaced copper flashings around dormer windows.

Replaced 27' of 30" steel flue stack and added (10) additional feet of stack to improve combustion conditions in the boilers.

Made repairs and replacements to the bridge wall and side walls in the fire box in Boiler #2.

Made general repairs to the exterior wood finish and painted the entire exterior of the building. The carpenter work on this job was done by the Building Maintenance Department.

For access purposes for inspecting the boiler flue stack an opening was cut into the brick chimney in the attic space and a 24" x 24" cast iron door and frame was installed.

Prepared and painted the entire exterior of the building.

HARDY SCHOOL

Replaced oil gauges and belts on oil burners #1 and #2.

Replaced (14) drop cards throughout the old section of the building with new 3-wire rubber cord and "U" ground connectors.

Repaired and replaced sections of copper covering on the roof penthouse and repaired leaks in the roof deck over Kindergarten bay window.

Installed steel window grilles on (10) basement windows at the rear of the building to prevent glass breakage.

Resurfaced Bituminous walks on the front and side of the building. This work was done by the Public Works Department.

Rewired and installed (9) Fluorescent Light Fixtures in Room #9.

Replaced (14) window shades and repaired (14) others throughout the building.

THOMPSON SCHOOL

Repaired leaks in roof deck over the Auditorium section of the building. These leaks were caused by settling cracks breaking through the roof felt. Also repaired copper roof deck flashings on roof between "A" and "B" buildings.

Painted the entire exterior of the building.

Removed (4) large glass blocks from the Kindergarten exterior wall and filled openings in with brick to avoid future vandalism. This work was done by the Public Works Department.

The (2) Weil Sump Pump Motors in the boiler were removed, repaired and replaced.

BISHOP SCHOOL

Removed the privet hedge along Columbia Road side of the building that caused blind crossings which was dangerous for children when leaving the building. Work done by the Public Works Department.

Installed new checker brickwork in the fire boxes of both boilers. Raised water feeders on both boilers to protect top section of tubes in the boilers.

Reconditioned Wagner Motor on circulating pump #2 and Johnson Service Pump Motor.

Reconditioned large louver vent intake and installed a heavy copper and aluminum grille to protect the louver against vandalism.

PEIRCE SCHOOL

Replaced castiron frame and cover on coal bin chute.

Converted part of the storeroom at the end of the Auditorium into a kitchen to be used by the P.T.A. The work involved consisted of the installation of a cabinet sink including waste, vent and water supplies for same, piping and the installation of a gas stove, wiring for the installation of new Fluorescent Lights, vent fan, etc. Construction of a counter and wall cabinets and a balcony for storage and painting the entire area was done by the Building Maintenance Department.

Wired and installed Fluorescent Light Fixtures in the Multipurpose Room.

Remodeled a basement playroom into a Kindergarten Room #2. Work consisted of installation of an acoustical tile ceiling, asphalt tile floor, piping and installation of a unit heater, pipe covering of exposed steam pipes, new bulletin boards and painting the entire area. All carpenter work and painting was done by the Building Maintenance Department.

Kindergarten #1 was prepared and painted by the Building Maintenance Department. A new asphalt tile floor was installed over the worn paved floor. Purchased and installed steel storage cabinet and cloak racks in Kindergarten #2.

Made repairs and replacements to the copper cap flashings on the roof parapet wall.

Prepared and installed Asphalt Tile Flooring over the entire second floor areas including the Sanitariums. The preparatory work was done by the Building Maintenance Department.

BRACKETT SCHOOL

Installed a new metal stage curtain track in the Auditorium.

Extended cement driveway between existing drive and walk at the Fayette Street entrance to the building and removed sections of the curbing in the same area. This work was done by the Public Works Department.

Rebuilt the air compressor unit on the pneumatic heat control system.

Repaired refractory in fire boxes on both boilers.

Replaced (16) window shades and repaired (8) others throughout the building.

Converted Room #26 into a Library. Installation of bulletin boards and re-finishing of the floor was done by the Building Maintenance Department.

PARMENTER SCHOOL

Reconditioned the motor on large stationary Vacuum Cleaning Unit.

Repaired leaks in roof areas around Auditorium dormer windows.

Wired and installed (14) Fluorescent Light Fixtures in the Auditorium and Library sections of the building.

ROBBINS TOWN HALL

Made repairs to the front draw curtain on the Auditorium stage.

Increased the pipe size on the gas supply to both oil burners.

Repaired leaks in the roof areas in various sections of the building.

Replaced defective steam piping under the Auditorium.

Installed an acoustical tile ceiling in the Planning Board Office and the General Office area of the Public Works Department.

Installed complete system of pneumatic temperature control to control the heating and ventilation of the Auditorium.

Covered steam return pipe lines in the stack room with Fibre Glass covering and covered the draft fan housings on both boilers with block asbestos.

Repaired and recaned (84) Auditorium chair seats and backs. The repairing, removing and replacing of the seats and backs was done by the Building Maintenance Department.

Prepared and painted the entire (2) stairways at the rear of the old section of the building. Work was done by the Building Maintenance Department.

Prepared and painted the entire Boiler Room including equipment. Work was done by the Building Maintenance Department.

ROBBINS HOUSE

Replaced worn floor tile and linoleum on the stairways.

Replaced four special sash in the Office area, installed (5) Aluminum Combination Storm Windows in the Office area and (1) Aluminum Combination Storm Door at the front entrance.

Rewired electric circuits in one section of the building to prevent fuses from blowing when heavy load was in demand.

ARLINGTON POLICE STATION

A new oil burner complete with new controls was installed and other related work was done on the boiler to improve heating conditions.

DALLIN BRANCH LIBRARY

Installed (20) Fluorescent Light Fixtures in the Lecture Room in the basement area.

Made repairs and replacements to the various sections of the roof, gutters and flashings.

DALLIN SCHOOL

Located and repaired leaks in the oil supply lines between the exterior oil tanks and the Boiler Room.

Removed floor tile at (4) Gym entrances and (2) Kindergarten entrances and filled in areas where the floor slab had dropped and replaced the floor tile.

MT. PLEASANT CEMETARY

Repointed and waterproofed sections of the exterior masonry on the Chapel building and made repairs and replacements to the gutters, flashings and slate roof.

CENTRAL FIRE STATION

Repointed and waterproofed sections of the masonry on the exterior of the Tower section of the building and made other related repairs in the same areas.

V.F.W. HEADQUARTERS (R.R. STATION)

Made repairs and replacements to the boiler and heater system, and alterations to the oil burner to reduce the consumption of fuel oil.

VARIOUS SCHOOLS, ETC.

During the year, 1,018 lights of glass were replaced by the Building Maintenance Department in the windows of the various schools and three other Town Owned Buildings at a cost of \$3,831.75.

All heating boilers, hot water tanks and air compressors in Town Owned Buildings were inspected by the Insurance Inspectors and all repairs and replacements were made according to their requests. Certificates of approval were issued for each unit in each building for a period of one year.

In addition to the above work several hundred work and repair orders were issued to the Building Maintenance Department workers and contractors for various types of work such as, plumbing, heating, painting, electrical work, roof work, boiler repairs, carpenter work, furniture repairs, window shades and venetian blind repairs and replacements, glass replacement, etc. The cost of these jobs varied from \$3.00 to \$85.00 each.

May I regretfully mention the name of a faithful member of our Maintenance Department staff, Michael J. Mulcahy, who joined our staff in 1941 and passed away August 26, 1960.

I wish to express my appreciation to you and to the officials and employees of this Department and all other Town Departments and Town Officials for their co-operation during the past year.

Respectfully submitted,

GEORGE H. GREIM
Supervisor of Custodians
& Maintenance

Annual Report of Inspector of Animals

January 14, 1961

Subject: Annual Report of Inspector of Animals

To: Town Manager

1. A total of 158 animals in Arlington were examined and quarantined for biting persons during 1960.
2. There were no cases of rabies in Arlington during the past year.
3. The Inspector of Animals wishes to express his appreciation to the Police Department and the Board of Health for their cooperation.

Respectfully submitted,

JOHN J. MURPHY JR., D.V.M.

Report of the Arlington Development Commission

January 11, 1961

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear Mr. Monahan:

The major step in the redevelopment of Arlington Center in 1960 was the relocation of Mystic Street. Although the relocated street was opened to traffic prior to the end of the year, its full implementation will not be realized until work can be completed in the spring. At the time of this report the installation of the network of traffic signals is in progress. In the spring additional parking spaces will be created on the old Mystic Street and an additional exit made opposite Winslow Street. When this is completed the appearance and the utility of Arlington Center will be greatly improved.

On instructions from the Board of Selectmen, the Development Commission is seeking a desirable purchaser of the Old Town Yard which will be available for sale around July 1. It is the feeling of all concerned that the property should not be sold unless and until it can bring substantial tax revenue to the town. A brief description of the property and its assets has been circulated to about fifty realtors and other firms which might be interested in the site.

Throughout the year we have met periodically with officials of the Star Market Company regarding their tract of land on the Concord Turnpike. We have received repeated assurances that the area will be developed as a shopping center. The drainage problem mentioned in our report a year ago still exists but the Company is now confident that it can and will be solved.

The Development Commission feels that the opening of a store by Plotkin Brothers in Arlington Center is a significant and encouraging sign. This firm has had stores in Boston and suburban areas for many years and has an excellent reputation. To have a firm of this type come into the town is an indication of the potential of Arlington Center as a shopping area.

A year ago we were encouraged by the steps then being taken by the Chamber of Commerce to revitalize this organization so that it could provide necessary leadership for the business interests in the town. Unfortunately, because of unexpected problems, the expansion of the activities of the Chamber has not progressed as was expected. We hope that this is a temporary situation because no substantial improvement in Arlington Center and other areas can come about without dynamic leadership from the Chamber of Commerce.

The operating expenses for the Development Commission during 1960 amounted to \$77.10, leaving an unexpended balance of \$294.80 from the original appropriation of \$1,000 which was voted by the 1957 Annual Town Meeting at the time the Commission was created. The 1960 expenditures were as follows:

Stenographic work and postage	\$59.00
Post Office Box Rental	12.00
Printing	6.10
	<u>\$77.10</u>

The Development Commission will continue its efforts to stimulate business development and improvements in the town wherever possible.

Respectfully submitted,

Arlington Development Commission

ALLAN B. IGO, Chairman

Annual Report of the Department of Civil Defense

January 11, 1961

Mr. Edward C. Monahan
Town Manager
Arlington 74, Massachusetts

Dear Mr. Monahan:

In accordance with the By-Laws of the Town, I submit herewith the eleventh annual report of the Department of Civil Defense.

During the latter half of this year citizens of Arlington have become more interested in Civil Defense. People have come to the office asking for Civil Defense Booklets and many more have called on the telephone asking for this literature. With the kind assistance of the Head Librarian, Miss Stromdahl, I have placed Civil Defense Pamphlets in the libraries in order that they would be more readily available to interested citizens as well as to keep Civil Defense mailing costs at a minimum.

The basic problem affecting Civil Defense Directors and Civil Defense Personnel at all levels of government, Federal, State and Local, is public apathy. It is extremely difficult to awaken the public to the needs of adequate preparations for possible disaster. The local Civil Defense Directors of Middlesex County have formed an association to pool their common interests and problems, to more effectively serve and acquaint the people of their communities with the vital need for self preservation, if this country is ever attacked. Preparations cannot be made at the time of the disaster. They must be made in advance. The people of Arlington are gradually becoming aware of this vital need and we hope that in the coming year more progress will be made in this direction.

AUXILIARY FIRE DEPARTMENT

Arlington Auxiliary Firefighters were on duty during some part of the day, on 289 days, for a total of some 2658 man hours. Auxiliary Firefighters responded to 48 alarms with the regular department. During Hurricane Donna 17 Auxiliary Firefighters responded to the alert and assisted in pumping cellars and other detail work. At the present time there are 37 active Auxiliary Firefighters. In addition to the man hours listed above many hours have been spent on paper work and attending meetings.

AUXILIARY POLICE DEPARTMENT

The Auxiliary Police spent 3311 man hours on duty. They were as follows:

School Guard Duty	264 hours
Friday Night Dance Duty	462 hours
Friday Night Traffic Duty	1200 hours
Sunday Traffic Duty	809 hours
Duty at A.Y.A. Baseball Games	60 hours
Patriots Day Duty	42 hours
Memorial Day Street Duty	42 hours
March of Dimes Duty	40 hours
Jimmy Fund Campaign Duty	25 hours
Police Duty during Regular	
Police Banquet	12 hours
Halloween Duty	121 hours
Hurricane Donna	234 hours

TOTAL	3311 hours
--------------	-------------------

This does not include time spent attending meetings, time spent on paper work or supervision.

OPERATION ALERT 1960

At 2:15 P.M. May 3rd the Civil Defense "Take Cover" signal sounded throughout Massachusetts to open the annual national Civil Defense test Operation Alert 1960 and continued to Thursday May 5th at 4:00 P.M. All communications at Civil Defense Control Center were alerted and Radio Civil Defense workers were at headquarters until twelve o'clock both Monday and Tuesday nights. The purpose of this test was to provide training in, and testing of, Civil Defense mobilization and programs at all levels. For our participation in this test a letter of recognition and appreciation was received from Area I Director.

TORNADO ALERT

On Friday June 24th a Tornado Alert was sounded at 1:40 P. M. and Civil Defense was on a stand by basis until 8:10. All necessary Town Departments, Auxiliary Police, Auxiliary Fire, Schools and the Communications Group were alerted but no action was taken as the tornado did not materialize.

FALLOUT SHELTER

On September 6th Arlington was host to a number of Federal and State Civil Defense Officials, who were present to attend the opening of the first apartment type fallout shelter in the nation. Representing the Selectmen was Chairman, Daniel J. Buckley, while James L. Sullivan represented the Town Manager. The Shelter was built by E. S. Johnson Construction Company in one of their apartment houses on Brattle Drive. James McCabe, Building Inspector, coordinated the building of this shelter with the builder and the Director of Civil Defense. The event was considered sufficiently newsworthy as to receive coverage from all Boston television stations as well as the Boston and local papers. WBZ "News at Nine" featured it by interviewing the Arlington Director on their next mornings program.

HURRICANE DONNA

On Monday September 12th the end of Hurricane Donna hit Arlington causing an estimated damage of \$23,400.00. An emergency was declared by the Governor. The Arlington Radio Amateurs in Civil Defense were active again during this hurricane assisting the Town Departments, reporting damage and hazards throughout the Town. They reported to the Control Center at the Town Hall at noon, at which time they set up auxiliary power at C. D. Headquarters. The Town Hall lost its Edison power and emergency power was turned on at 3:30 P.M. There were ten mobile cars cruising the Town reporting to net control who in turn reported to Town Departments. Auxiliary Police and Auxiliary Fire also reported for duty during this Hurricane and put in many hours.

ARLINGTON CIVIL DEFENSE OPERATIONS PLANS

Arlington Civil Defense Operations Plans including the Evacuation and Reception Annex with Appendices and Maps have been approved. This means that when the Commonwealth of Massachusetts is approved as eligible under Public Law 606 and when a merit system has been approved that Arlington will be eligible to receive from the Federal Government one half of Civil Defense administrative costs.

SURPLUS PROPERTY

During the year the following amount of surplus property was purchased:

Our Cost	Government's Cost	Savings to Town
\$1,085.48	\$23,165.85	\$22,080.37

MATCHING FUNDS

This year we were able to collect one half of our telephone costs and one half of our electric costs under the Matching Funds Program.

Total Cost	Government Paid	Cost to Town
\$205.80	\$102.90	\$102.90 Telephone
\$288.00	\$144.00	\$144.00 Electric

To all Civil Defense volunteers and Town Departments who have assisted me during the past year, and especially to the Town Manager, his staff, and the Board of Selectmen, I wish to extend my sincere appreciation.

Respectfully submitted,

JOHN P. DEMPSEY

Director of Civil Defense

Report of the Inspector of Buildings

January 11, 1961

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit Annual Report of the Inspection of Building, Plumbing and Gas for the year ending December 31, 1960.

1-Family Dwelling	155	\$2,119,000

Report of the Wire Department

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington 74, Massachusetts

Dear Mr. Monahan:

I herewith submit the Annual Report of the Wire Department for the year ending December 31, 1960.

Permits Issued	1397
Fees Collected	\$698.50
Inspections	2922
Poles Replaced	84
Poles Removed	36

Street Lighting in service as of December 31, 1960

1000 Lumen Incandescent Lamps	1867
2500 Lumen Incandescent Lamps	176
4000 Lumen Incandescent Lamps	150
6000 Lumen Incandescent Lamps	282
10,000 Lumen Incandescent Lamps	79
11,000 Lumen Mercury Vapor Lamps	7
15,000 Lumen Mercury Vapor Lamps	21
20,000 Lumen Mercury Vapor Lamps	195

Street Lights Ordered During 1960

1000 Lumen Incandescent Lamps	29
4000 Lumen Incandescent Lamps	1
11,000 Lumen Mercury Vapor Lamps	56

There was one electrocution during the year. A workman during the construction of Columbia Road, pulled a steel cable suspended from a crane boom, against an overhead primary wire. The resultant shock proved fatal.

September 12, 1960, we were struck by a hurricane. Considerable damage was caused by low voltage and street lighting circuits coming in contact with primary wires of higher voltage causing burnouts. Utility crews, including foreign crews, worked long hours to restore service. Despite this effort, it was a week before the last circuit was closed.

I wish to extend my thanks to you and the various departments of the Town for the cooperation and courtesy extended to me during the year.

Respectfully submitted,

R. L. REID

Inspector of Wires

Annual Report of the Department of Veterans' Services

The Honorable Town Manager
Robbins Town Hall
Arlington, Mass.

Dear Sir:

Submitted herewith is the sixteenth annual report of the Department of Veterans' Services covering the calendar year 1960. Massachusetts laws make it mandatory that financial aid be furnished to needy veterans and their dependents in a special way apart from other public aid programs and that there be made available to all veterans and their kin such advice, information and assistance as may be necessary to enable them to procure the benefits to which they may be entitled relative to employment, vocational or other opportunities, hospitalization, medical care, pensions, compensation, insurance and other benefits and must keep on hand current booklets and other printed matter pertaining to the statutory rights and privileges of war veterans provided by Federal and State laws. The first section of this report deals with the services provided and the second section with the financial aid disbursed to needy veterans and their dependents.

VETERANS' SERVICES

Photocopies made	2972
Documents notarized	111
Discharges recorded in the Town archives	7
Contacts made in furnishing counsel, information and assistance in prosecuting claims of veterans and their dependents and survivors and processing claims for all types of benefits	2816
Visits to hospitals, homes and other places.	579
Letters, history entries and records	1942
Veterans Administration forms completed	485
Veterans Administration claims handled.	135

Total for year 1960 9047

Total of cash benefits accruing to Arlington claimants from the Veterans Administration through the efforts of this department	\$10,704.12
Estimated total of money saved the Town by reason of successful prosecution at the Veterans Administration of claims of persons who had applied for financial aid	8,341.70

VETERANS' BENEFITS AND BURIAL AID

A tabulation of the administrative work connected with the disbursement of financial aid to needy veterans and their dependents follows:

Contacts (Visits, interviews, etc.)	2017
Applications, history entries, records and letters	2231
Cases on rolls	
(a) Settled in Arlington	90
(b) Settled in another town in State	2
(c) State settled.	0
Applications and re-applications received.	92
Applications and re-applications accepted.	43
Applications and re-applications rejected.	29
Applications referred to other communities	9
Applications pending	1
Refund cases	10

A tabulation of actual disbursements made to needy applicants for aid during the year 1960 follows:

VETERANS' BENEFITS

State participation 50% of all authorized payments	\$51,991.03
--	-------------

BURIAL AID

State participation 50% in all Arlington settled cases and 100% in all other cases that are authorized	0.00
---	------

Total disbursements for aid	\$51,991.03
-------------------------------------	-------------

REIMBURSEMENTS AND REFUNDS

Reimbursement by the State Treasurer is now 15 months in arrears. The Town Collector and Treasurer received from the State Treasurer in 1960 the amounts covering the months December, 1958, through September, 1959.

Total reimbursement	\$20,102.76
-------------------------------	-------------

Refunds from beneficiaries and returned checks	2,041.73
---	----------

Total	\$22,144.49
-------	-------------

Net town expenditure for aid to needy veterans and dependents	\$29,846.54
--	-------------

Whereas in 1959 there was an unexplained drop in applications for aid and, likewise, in disbursements, there was a return to normalcy in 1960. In fact, the disbursements exceeded those of any previous year. New Federal laws affecting veterans became effective which caused more veterans, particularly the older ones, and widows of veterans to become eligible for pensions. This brought about many more calls than usual from persons who wished information, counselling and help in completing applications and other forms that had to be filed at the U.S. Veterans Administration.

We wish to gratefully acknowledge the cooperation and help received from the Board of Selectmen, the Town Manager, the Personnel Board and their staffs and to express our appreciation of the excellent work performed by the employees of this department.

Respectfully submitted,

CHARLES R. ARMOUR, Director

Report of the Board of Appeals

January 23, 1961

To the Honorable Board of Selectmen
Town Hall
Arlington, Mass.

Gentlemen:-

Submitted herewith is the annual report of the Boards of Appeal for the calendar year ending December 31, 1960:

The Zoning Board of Appeals heard a total of 42 cases during 1960, disposition of which was as follows:

Variances of petitions granted	34
Appeals denied	4
Applications withdrawn	2
Appeals withheld pending further action or study	2

The Building Board of Appeals heard a total of twelve appeals of which eleven were granted and one denied.

In 1956 the Zoning Board of Appeals initiated a policy of recording in the Registry of Deeds copies of decisions containing conditional or limited variances. We are very pleased to note that this practice has proved to be of great assistance in making certain that conditions imposed are observed, and we are further pleased by the fact that it is now required by Statute that notice of all such conditional variances be recorded in the Registry of Deeds.

Respectfully submitted,

Daniel A. Healy, Jr.
Chairman Building Board of Appeals

Philibert L. Pellegrini
Chairman Zoning Board of Appeals

Report of the Dog Officer

January 9, 1961

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Dog Officer for the Town of Arlington for the year ending December 31, 1960 in accordance with Section #3 of Article #3 of the Town By-Laws.

Complaints registered with me are as follows:

Dogs impounded	278
Unlicensed dogs impounded and delivered to owners	60
Licensed dogs returned via telephone	244
Licensed dogs returned by car	65
Unlicensed dogs impounded and turned over to the Animal Rescue League when owner could not be located	206
Dogs destroyed at pound	10
Dog owners contacted on Warrant	1195
Dogs caused to be licensed	1080
Dogs licensed	2056
Complaints received at my office and investigated	51

Complaints registered with me to remove dead or mutilated animals from the highways are as follows:

Dogs	88	Pigeons	26
Cats	172	Rats	11
Skunks	12	Rabbits	16
Squirrels	80	Pheasant	1
Ducks	2		

At this time I wish to express my thanks to you and the Board of Selectmen for the advice and assistance given me in the settlement of the many controversies arising between the dog owners and complainants.

I would also like to take this opportunity to thank Police Chief Ryan, his department and the office of the Town Clerk for the splendid co-operation given me through the past year.

In conclusion, I gratefully acknowledge the prompt attention given by the dog owners of Arlington to the licensing of their dogs this year.

Respectfully submitted,

SAMUEL F. FEMIA

Dog Officer, Town of Arlington

Annual Report of the Arlington Housing Authority

Submitted herewith is the Annual Report of the Arlington Housing Authority for the year 1960.

At the Annual Town Election in March, Mr. Joseph S. Vahey was reelected to the Authority for a term of five years.

The Authority organized for the year at its Annual Meeting held on March 8, 1960 at which time Mr. Joseph S. Vahey was elected Chairman; Mr. John P. Kedian, Vice-Chairman; Mr. Edward J. Doherty, Assistant-Treasurer; Mr. Myron D. Chace, Treasurer.

Throughout the year the Authority met regularly on Monday evenings, also at many special meetings called at various times. At the meetings the many problems of management and general administration relating to the 176 Veterans' apartments and the construction, inspection, and supervision of the 56 apartments for Elderly Persons under construction were considered and resolved.

On September 1, 1960 initial occupancy of Arlington's first Project, especially designed for Elderly Persons, took place and before October 1, 1960 56 units in this development were occupied.

Bids for additional apartments in the same area were opened in July and the General Contract was awarded to the Roberto Construction Company, Inc., Wakefield, the low bidder. It is anticipated the occupancy of these additional units will be accomplished in the early spring of 1961.

A voluntary payment of \$6,336 was made in 1960 to the Town, by the Housing Authority, this being the largest payment permitted by law for such payment.

The Authority wishes to express its appreciation to all officials, Boards, and Town Departments for their co-operation throughout the year.

Respectfully submitted,

ARLINGTON HOUSING AUTHORITY

JOSEPH S. VAHEY
JOHN P. KEDIAN
MYRON D. CHACE
EDWARD J. DOHERTY
JAMES A. COFFEY

Report of the Cemetery Department

January 11, 1961

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington 74, Massachusetts

Dear Sir:

The Cemetery Commissioners herewith submit their Annual Report for the year ending December 31, 1960.

Repairs and replacements to the exterior masonry on the Chapel Building including repointing and waterproofing were completed in 1960.

Five Elm Trees, which were diseased, were removed and later replaced throughout the cemetery. Five Rock Maple Trees were planted around the Legion Field, replacing trees which had died. A Privet Hedge was planted bordering cemetery property in back of the houses on Mystic Street.

During the year further progress was made in the development of land on the westerly side of Mill Brook. Lots have been sold and interments made in the Two Grave DD Section and land is now ready for the marking of more single graves in the AA Section.

Cross Avenue from Auburn Avenue to Center Avenue was resurfaced with hot top which should last about twelve to fifteen years.

One of our good and faithful workers, Mr. James J. Garballey, passed away during the year.

There were 403 interments in Mt. Pleasant Cemetery in 1960.

Mr. Arthur L. McAvoy was reappointed Cemetery Commissioner for a three year term to expire December 22, 1963.

The Board wishes to extend their appreciation and thanks to Town Manager Edward C. Monahan, all Department Heads, Superintendent Edward C. Preston and all employees of the Cemetery Department for their help and cooperation during the year.

The following are the receipts of the Cemetery Department for the year 1960:

Sales of Lots and Graves.	\$14,776.00
Annual Care	1,760.50
Foundations	1,895.15
Opening Graves.	12,745.00
Miscellaneous	3,731.00
Perpetual Care.	17,354.00
Income from Funds.	15,046.52

Respectfully submitted,

Board of Cemetery Commissioners

JOHN H. CALLAHAN, Chairman
T. GORDON SMITH
ARTHUR L. McAVOY

Report of Engineering Department

January 9, 1961

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Mass.

Dear Sir:

This Department designed, provided estimated costs, staked and laid out lines, grades, etc. for the various construction projects built by or for the Town. It also drew the contracts and supervised and inspected the work of contractors. The final surveys, record plans and assessments are made and calculated by this Department.

The relocation of Mystic Street under the Chapter 90 Program required study plans, conferences and hearings with the State Department of Public Works, the County Commissioners, the Department of Public Utilities, the B. & M. Railroad and the Consultants. The contract for the revision and additions to the Traffic Signal System in Arlington Center was drawn and the installations were and are being supervised and inspected by this Department.

The Drake Road Bridge and approaches, designed by this Department last year, was completed under the supervision of this Department.

Study plans, estimates, recommendations and assistance were furnished various Boards, Commissions and Departments. Traffic Engineering work continues to increase.

Annexed to this report is a list of public - and private streets and other statistics, as of January 1, 1961.

My sincere thanks are extended to the employees of this Department and to all Town Officials for their cooperation and assistance.

Very truly yours,

W. H. ROBY
Town Engineer

The four Fatal Accidents were as follows:

On January 14, 1960 at 1:12 A.M. John Catanzara, 65 years, 176 Hillside Avenue, Arlington, a pedestrian, while walking in the roadway, on the right hand side of Park Avenue toward the Concord Turnpike, when approaching Appleton Street, was struck by an automobile receiving injuries which resulted in his death on that date.

On June 30, 1960 at 6:30 P.M. John J. Leary, 88 years, 11 Court Street, Arlington, a pedestrian, while walking on Court Street in an easterly direction was struck by an automobile backing out a driveway receiving injuries which resulted in his death on July 13, 1960.

On September 7, 1960 at 12:43 P.M. Anthony Bush, 59 years, 64 Waverly Street, Roxbury, while operating a truck in a westerly direction on the Concord Turnpike, came in contact with a fixed object, receiving injuries which resulted in his death on that date.

On November 8, 1960 at 5:27 P.M. James A. Costa, 70 years, 29 Mary Street, Arlington, while crossing Lake Street in a westerly direction was struck by an automobile being operated on Lake Street toward the Concord Turnpike, receiving injuries which resulted in his death on that date.

TOTAL.	\$65,153.55	\$47,473.80

TRAFFIC SIGNAL DEPARTMENT

The Traffic Signal Maintenance Division is responsible for the proper installation and maintenance of all aids to the regulation and control of vehicular and pedestrian traffic on the public ways for the safety and convenience of the general public.

Measures adopted during 1960 were as follows:

The relocation of Mystic Street with channelization of traffic at the intersection of Massachusetts Avenue, also at Chestnut Street, installation of traffic signals, etc. will unquestionably expedite and facilitate the movement of vehicular traffic and improve the business atmosphere in the area.

Parking was prohibited on the westerly side of Willow Court and the easterly side was restricted to One Hour parking.

Modern street lighting was installed at the intersection of Lowell, Bow and Park Avenue; Wildwood Avenue from Bartlett Avenue to Lockeland Avenue; and the newly relocated Mystic Street.

AUXILIARY POLICE

A more complete account of the activities of this outstanding group of citizens is to be found in the report of the Director of Civil Defense. However, I wish to take this opportunity to commend them for the valuable service rendered during Hurricane "Donna" on September 12, 1960, and for their cooperation throughout the year.

CONCLUSION

To our Honorable Board of Selectmen, esteemed Town Manager, members of the Police Department, Auxiliary Police, Federal, State, Town agencies, and to all our citizens may I extend my sincere appreciation for their unqualified cooperation and assistance.

Respectfully submitted

ALBERT E. RYAN
Chief of Police

ANNUAL REPORT OF THE PUBLIC SCHOOLS**REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR 1960**

To the Citizens of Arlington:

The Arlington School Committee is proud of our public schools and the program it offers to our youngsters. The Committee feels that its function as a policy-making body permits the administration to handle procedural matters in a way wherein the best possible education for all results.

The paramount responsibility of any School Committee is an interest in the type of education that the schools are providing. The Committee has kept abreast of the educational program by having Supervisors, Department Heads, and the Administration report to it at regular intervals on progress in the schools.

Ground was broken in September, 1960 for the new Pheasant Avenue Elementary School. It is scheduled to be ready for occupancy September 1, 1961. When completed, it brings the total number of elementary schools to 11. These schools, with alterations or additions, should adequately house our elementary pupils for the foreseeable future.

In conjunction with Harvard University the Arlington Public Schools will soon have the first mobile language laboratory in the world. The project, paid for entirely by funds provided by Harvard University, may well augur a major breakthrough in the field of foreign language teaching. Once again Arlington has a "first" in education as it did when it set up a pilot guidance program known as the Harvard-Arlington Guidance Study.

The year of 1960 saw the retirement of three long-term professional employees.

Miss Helen A. Enright was Principal of the Peirce School since its opening in 1924 up to her retirement in June, 1960.

The Committee, in grateful acknowledgement of her services, presented her with a citation that is quoted in part:

"Your quiet, gracious, yet most efficient direction of your teachers and pupils, and the supervision of your building have been a fine example and inspiration to everyone in our system."

Miss Enright has our warm wishes for a long and well-deserved retirement.

Mr. Ernest L. Hunter, of Ashley Falls, Massachusetts, was appointed principal of the Peirce School upon Miss Enright's retirement.

Miss Mary E. Burns, Guidance Counselor at Arlington High School and former teacher and Guidance Counselor at the Junior High School East, retired in June after 46 years of faithful service (1924 - 1960).

Miss Hulda E. Magnuson, a teacher at the Crosby School, retired in June, 1960 after 46 years of continuous service, thirty of which were in Arlington.

Miss Shirley Vedoe, the principal of Crosby School (1956 - 1960) transferred to the Dallin School as principal, September, 1960. Miss Vedoe replaces Mrs. Edna Penwarden who, at her own request, returned to the classroom as a special teacher for the academically talented class at the Crosby School. Miss C. Patricia O'Donoghue, fifth grade teacher at the Parmenter School for the past four years (1956 - 1960) was appointed principal at the Crosby School.

A look to the future indicates that the Committee and the community must give serious attention to the following problems: the establishment of school libraries at both of our Junior High Schools, and a plan for gradually renovating the older portion of the Senior High School building. Perhaps it might be possible to do one floor each

Standardized tests in reading were administered in all first, second, fourth and sixth grade classes this year. The results given below indicate that we are getting favorable results since our Town medians are above the national norms in all grades.

Grade I

1. Word Recognition Test

National Median	1.7

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS
FOR THE YEAR 1960

To the School Committee of Arlington

Ladies and Gentlemen:

It is my privilege to submit for your consideration the following report of the schools for the calendar year of 1960. The exigencies of time and space seem to suggest the need for prudent selection of the items chosen. Therefore, this report contains only information about new phases of our program or areas of greatest public interest.

The School Committee received this year \$60,133.37 under Public Law 874. It chose to continue its previous practice of allocating the lion's share of these monies for Instructional Services. Under this policy support was given to the following areas; additional textbook purchases for academically talented pupils; the high school language laboratory; the cost of printing the Arlington brochure; the nature study program of the Massachusetts Audubon Society; Psychological Services; and certain equipment for the high school not included in the regular budget. In addition the sum of \$20,000 was returned to the Town to be expended for teacher salary adjustments for the year 1960.

OUR ELEMENTARY SCHOOLS

The Arlington Public Schools have long enjoyed a fine reputation for providing its pupils with a sound foundation in the three R's. In keeping with this tradition the teaching of phonics has always been an integral part of the reading program in our schools. It is our desire not only to continue this practice, but we are constantly on the alert for discovering new ways to improve our teaching techniques and to provide more and better ways of learning for our children. This year an experimental project is being carried on in two of our schools using the Cordts Functional Phonetic system. This system endeavors to strengthen the child's auditory perception and offers opportunities for the correction of faulty speech habits as the background for independent reading. The Cordts system is not intended to replace the schools' basal readers, but rather to contribute a psychological and phonetically valid method for identifying new words found in the child's reading. It is not primarily a sounding technique but it helps the child to recognize a new word by its known parts. These parts or cues are learned from sight words.

An experienced first grade teacher, new to Arlington this year, is experimenting with a method of teaching her class to read through the individualized reading approach. This differs from the traditional group method by providing a program tailored to fit the needs of each child. A reading program such as this gives the teacher an opportunity to build up a close personal relationship with each child. For a few minutes each day each pupil has the teacher's undivided attention. The pupil begins to feel that the teacher is truly interested in him and his work and that she is as pleased as he is when he does well. At the same time the teacher becomes aware of how much to expect from each child, where he needs help, and when he needs to review a story before going on. In addition to the individualized approach, much group work is done on phonics, word drill and chart stories. If this proves to be as successful as we think it might be, we shall extend this procedure to other classes next year.

Reading is considered by us to be the cornerstone of a sound educational program. Thus reading consumes the greatest portion of the school's daily schedule. It is our aim that the child should read with reasonable ease, understanding and pleasure. As experiences are extended, interests are broadened, and the child acquires increased power; efficiency and excellence in his reading skill become the determining factors in the child's success or failure of his school life.

year until the project is completed. In addition serious consideration must be given to the housing of the increased High School population within the next few years. Temporarily this may be resolved by the optimum use of the present plant but eventually another answer must be found.

The Committee is most appreciative of the entire staff of the Arlington Public Schools for their cooperation and assistance in working toward the best possible education for the children of the Town.

We wish to thank the Town Manager and other town officials for their help in all school matters in which they were involved.

Lastly, the School Committee wishes to state that they feel the citizens of the Town of Arlington deserve a great deal of credit for sustaining and supporting our educational program.

Respectfully submitted,

Mary E. Porteus, Chairman
Carl F. Allen
Richard W. Baker
Velma B. Brown
Mary K. Carter
Arthur F. Coughlin, Jr.
James W. Daily
Charles R. Kent
John P. Morine

Grade VI

1. Comprehension

National Median	6.9
Arlington Median	7.5
Above National Median	.6 (six months)

2. Vocabulary

National Median	6.9
Arlington Median	8.0
Above National Median	1.1 (one year and one month)

The year 1960 saw the introduction of several innovations designed not only to strengthen our educational program but to make it more readily understood by the public. Grade Booklets from Kindergarten through six were prepared by teacher committees. These brochures were designed as a parent-guide to assist the parents in more clearly understanding what they should expect their child to accomplish in a particular grade. The information is concise and specific, covers the many subject areas of each class and describes the contents to be studied during the school year.

This year the first grades, in all the elementary schools, were on a shortened schedule until after the Thanksgiving holiday. This practice is in keeping with research information indicating the advisability of a gradual transition to the longer school day for first grade youngsters. The results have been gratifying. Teachers report that we have had less pupil resistance to school, fewer accidents, and that despite the shortened day many youngsters have actually progressed further than previous classes. First grade teachers have used their afternoons during this period to give special individual help, prepare additional teaching materials, and conduct more parent conferences.

For the first time a pictorial brochure depicting the school activities from kindergarten through high school has been prepared. This brochure aptly entitled "Proudly We Present Arlington's Public Schools" contains a wide variety of pictures of pupil experiences with a minimum of commentary. The cost of printing this material came out of funds made available to the School Committee by the federal government from Public Law 874.

Last year's report indicated that the fourth grade teachers were compiling an extensive account of the history of our community entitled "The Story of Arlington". This In-Service project has been mimeographed and is now being utilized in the fourth grade classes. It is hoped, that at a later date, arrangements can be made to have this work published in book form.

The teaching of French is now a regular portion of our elementary school curriculum. In addition to "The 21 inch Classroom--French through Television" series designed for fourth graders, a second year is now offered to our fifth grade youngsters the policy of teaching French to a group of selected youngsters in grades five and six under a special teacher is continuing. The present sixth grade youngsters are having their second year of study and the results are favorable. Our High School Language Department is in the process of developing a seventh grade program to assure proper continuity between the elementary schools and junior high schools. It is conceivable that in the near future we will have youngsters who have studied a foreign language from the fourth grade through their Senior Year in high school.

The Language Research Center at Harvard University, in conjunction with our elementary schools, is experimenting in Arlington with the first mobile language laboratory in the world. The idea is unique and originated from a chance remark of a member of the Arlington School Committee to the Superintendent. Last year, while in the process of purchasing a language laboratory for the High School, it was suggested that a mobile one be constructed in order to bring this type of instruction to the elementary schools. Acting upon this suggestion the Administration drew up plans and sold the idea to the Language Research Center at Harvard University. The equipment is housed in a conventional house trailer and is pulled from school to school

by a carryall truck. Dr. Ivor A. Richards, the celebrated semanticist, and his staff headed by Miss Christine Gibson, are providing the teaching materials. These include a regular sequential learning series on French on film, a series of slide projections, taped selections, and other teaching aids including a teaching machine. It is Dr. Richards' conviction that through the use of these devices it is possible to telescope several hours of regular teaching into a few minutes by carefully selected auditory and visual materials. It is also believed, in addition to quicker student learning, that this can be accomplished through the use of these materials with teachers of little or no formal language training.

The elementary school art program has this year taken on new dimensions in curriculum improvement with the appointment of a competent elementary art consultant to the staff. For the past three years, art education was dependent upon the individual classroom teacher with the assistance of a part-time consultant. It is felt that with full-time consultant services a better balanced program for every child in every school will take place.

Science education in the elementary schools has as its purpose the awakening and furthering of the child's interest in the world in which he lives. The teachers use a science guide that is organized according to the pupils' maturity from kindergarten through grade six. The study areas included are:

1. Living things
2. Earth's changing conditions
3. Changes in matter and energy
4. Earth's relations to the universe
5. Changes in plants and animals
6. Balance of Nature
7. Health and safety

Simple experiments are conducted at each grade level to help answer pupil questions about air, water, soil, sound, heat, earth rotation, simple machines, magnets, and electricity.

This year for the first time we have a full-time consultant in the elementary school science program. The bulk of this teacher's time is spent with the fifth grades throughout the town where the children have an opportunity to see, touch, and smell a great variety of minerals, plants and animals (both mounted and living) to make their learning experience a memorable one. Time is also spent giving continuity and clarity to the science offerings for grade 6 on "The 21 inch Classroom" presentation. This enables the classroom teacher to handle new aspects of science with less difficulty. The science consultant is also available for occasional demonstrations and talks to various other grades.

A training program for elementary school substitutes was instituted this year. It proved to be very popular and worthwhile with over 25 women who previously had teacher training being included. The Assistant Superintendent, Dr. Lawrence H. Anderson, and a Committee of Elementary School Principals conducted the course. The enrollees were introduced to our philosophy of education, our methods of teaching the major subject areas and our record keeping procedures. In addition, they spent considerable time observing in the various schools throughout the Town.

JUNIOR HIGH SCHOOLS

Probably no area of public education has in the past evoked more controversy in educational fields than the role of the Junior High School. The year 1960 is noteworthy for in that year Dr. James B. Conant completed his study entitled "Education in the Junior High School Years". While he too raises some provocative questions he, on the whole, advances a series of recommendations by which a Junior High School may be measured. An examination of our two schools indicates that we are doing quite well but there are areas in which improvement must be effected.

He recommends, among other things, a longer school day. We increased our school day by thirty five minutes two days per week and this will be further increased to four days next year. Dr. Conant recommends five periods of science weekly for

the Junior High School. We offer it both years but not for five periods per week. This is impossible at our schools due to the exigencies of space. The longer school day has enabled us to add French to our curriculum, another Conant suggestion. We are also in tune with Dr. Conant in that we believe youngsters should have more and more meaningful homework.

Our most serious short-coming in the Conant report would seem to be that we do not have school libraries at the Junior High School level. The library program is a must, and should be introduced within the very near future. At the present time, the lack of available space and the cost is a serious deterrent, but if we want our youngsters to have better than adequate preparation, these problems must be resolved.

Both of our Junior High Schools now have full-time developmental reading specialists, a program which is highly recommended by Dr. Conant. These teachers are charged with the responsibility for making good readers of average readers and excellent readers out of good readers.

Our music program has taken on added stature this year. The addition of an instrumental teacher at each junior high school enables us to offer a more challenging program for our youngsters. The program's impact should eventually be felt at the Senior High School level, and should be reflected in the improved calibre of the band and orchestra.

SENIOR HIGH SCHOOL

The year 1960 marks the completion of the first full year under the re-organized four year high school plan. During this year several significant steps have been taken that are worthy of mention.

A Foreign Language Laboratory with thirty pupil stations has been installed and put into daily operation. The Language Laboratory enables us to offer our students the best possible training in the aural-oral method of learning a language. In simplest terms, this method permits the individual student to both hear and speak a foreign language through imitation of a model voice on tape. We were particularly fortunate in securing the services of a native-born French woman to cut tapes for our laboratory, and to act as a technician in running the laboratory. The use of a native-born voice provided an air of authenticity to the learning experience. Tapes are being cut not only for French but Spanish, Russian and Latin. Eventually, every language student will be exposed to this approach of learning.

It has always been our policy to consider carefully the welfare of the general student as well as that of the college preparatory and business student. Accordingly, our Manual Arts program has been receiving considerable attention this past year. The present school year saw the completion of two fully equipped and attractive High School Shops. This year a third shop (crafts) is being constructed by the students under the direction of an instructor. When completed, this will give us three phases of the Manual Arts; namely, a General Shop, a Wood Shop and a Crafts Shop.

The school year 1960 - 61 will mark the completion of the work of the first group of students who took our special science program that included a year and a half of Chemistry and a year and a half of Physics. The administration will have an opportunity in June, 1961 to assess the value of this project and its implications for the future.

The Assistant Superintendent and the Chairman of the Department of English set up an experiment on the use of theme correctors. Three housewives, who had majored in English in college, were given an intensive course in how to grade a theme. They were then assigned to specific teachers as readers of pupil themes. It is still too early in the experiment to assess it fairly, but all indications point to this as a possible solution to a most difficult problem. The ever-increasing load per English teacher is of concern to the administration and it is hoped that theme correctors will help alleviate this problem. Statistics indicate that by 1964 there will be one-half again as many students taking English as there were in 1958. When one stops to realize that qualified instructors were hard to obtain in 1958, the implications for 1964 are disconcerting. Some method must be found whereby the quality of instruction is not diminished nor is the quality of written work per pupil decreased.

It is pleasing to report that six students qualified as semi-finalists in the National Merit Scholarship Competition and sixteen students received honorable mention. This is the best showing that Arlington High School has had since the establishment of the National Merit Scholarship Foundation.

A look into the not too distant future indicates that serious consideration must be given concerning the high school housing problem, lest a two session school becomes a reality. This matter is under continuous study by the administration. Furthermore, it is suggested that some plan should be devised whereby the older section of the high school may be reconditioned and renovated.

VOCATIONAL SCHOOL

The placement record of the Arlington Vocational School has been one which we can point to with pride. The graduates were eagerly sought for, and secured better than average starting salaries at such firms as the Raytheon Company, Western Electric and the Arlington Machine Works.

This year the School Committee appointed a ten-man Advisory Committee to work with the professional staff. The men on this group were carefully chosen from various phases of industry so their counsel should prove most beneficial to the progress of the school. They will offer advice and assistance to the training program, help obtain visual aids, and other instructional materials.

In keeping with the demands of industry for highly skilled technicians it has become necessary to maintain more stringent entrance requirements. A pupil rating scale adopted by the Guidance Department is being rigidly enforced. This decreases the enrollment slightly but it is felt that this will be offset by fewer pupil dropouts and failures. The higher demands of industry thus can be more easily met with more capable students.

PUPIL PERSONNEL SERVICES

During the year 1960, one full-time psychologist has been added to the Department of Psychological Counseling so that the staff now consists of three full-time workers (2 psychologists and 1 social worker), two part-time psychologists and one part-time consulting psychiatrist. Previously, the staff had concentrated on children in the Elementary Schools only, but now two of the full-time staff have been made available to the High and Junior High Schools.

The main function of this Department is the individual study of the child who may have learning or behavior problems and includes consultation with parents, teachers and principals. The problem of the increasing case load has become greater every year because the teaching staff increasingly recognizes the value of this service.

In response to the high number of referrals from teachers and parents, we have developed a change in procedure which is also taking place in psychological counseling departments in some other school systems in this country. The trend is away from intensive individual study of the child toward a broader concept of social psychology. Practically this means:

1. Supporting of teacher's feelings about problem children
2. Making teachers aware of the processes of group dynamics and helping them to apply these to the classroom
3. The use of group work with a small number of children who are carefully selected for their suitability for group work
4. The use of case conferences centered around a particular disturbed child in which staff members of our several disciplines are represented. In these case conferences, each of the participants assists in arriving at a common understanding of the problem involved. All those concerned with a particular case from among our teachers, principals, nurses, truant officers, psychologists, social workers, speech therapists, reading consultants, and the psychiatric consultant, work out together a treatment program.

On the other hand, there are still a number of situations where a thorough diagnostic study of the individual child by means of a case history and intelligence and projective testing is necessary, followed up by intensive child and family counseling. As the resources of the community do not suffice, diagnostic and treatment work cannot always be referred to outside agencies, although every attempt is made to use existent child guidance clinics, family agencies, and recreational and tutoring facilities. Contact was made with approximately 150 problem situations over this academic year, including children, parents, teachers, principals and special staff.

The Psychological Counseling Department has engaged in the following special activities this year:

1. The staff has given a Workshop to the Kindergarten teachers to develop a deeper psychological understanding of the dynamics of the relationship between themselves and the children in their classes.
2. Two staff members have conducted activity therapy groups (one of seven 11 year old boys, and another group of six 10 year old girls), in which the children were helped to control their emotional reactions, to develop more acceptable modes of behavior, and also to develop better peer relationships.
3. Consultation with individual teachers has been introduced this year to utilize the teacher's daily relationship with specific problem children and the consultant's special knowledge of emotional disturbances. As has been pointed out, "consultation is a bridge carrying traffic both directions". Teachers often make a valuable contribution to the mental health of children and often enhance the effectiveness of their teaching if they can see the problem child from the more objective point of view of the consultant who helps her to see the "core" of the problem. The social and emotional aspects of the teacher-child and mother-child relationship is often the focal point in effecting change in the behavior or learning problem of the child. Consultation does not replace other mental health techniques but tries to utilize the sensitivity of the teacher to provide a "corrective emotional experience" in the classroom.

The Guidance Department at Arlington High School conducted its seventeenth annual survey of the previous June (1960) graduating class. This annual survey is done so that the staff may examine, evaluate and validate the effectiveness of its techniques. It is gratifying to learn that this year, despite the very tight admission policy of the nations' colleges more members of the class of 1960, on a percentage basis, have gone on for higher education than any other graduating class in the history of the school. This year 59.9% of the graduating seniors are enrolled in full-time advanced education. This compares with last years figure of 57.4%.

Boston University has enrolled 35 members of the class, with Northeastern and the University of Massachusetts each accepting 10. Boston State has 9, Tufts 8, Simmons 5, and Boston College 4. Other prominent colleges which have representatives of the class are: Harvard 2, Mount Holyoke 2, Vassar, Wellesley, M.I.T., Cornell, Bates, Bowdoin, Syracuse, Maine, New Hampshire and Vermont.

In addition to those engaged in advanced study, 33.2% are employed, and 6% are in the Armed Forces. A large proportion of the girls who have gone to work have found openings as trained workers, such as business machine operators, stenographers, and bookkeepers. Most of the boys who are working have semi-skilled jobs although there is one who is a disc jockey and one a cabinet maker. In addition to the full-time students, others who are working, 11.8% of them, are doing part-time study, making a total of 63.8% of the class who are furthering their education.

The class of 1960 received scholarships to the amount of \$46,350 exclusive of those granted by our own Thompson Fund, Arlington Woman's Club, Gordon Memorial Fund, and the Ida B. Robbins Fund. Scholarships were won at many of our leading colleges such as Harvard, M.I.T., Boston University, Smith, Regis, Simmons, Tufts, Northeastern and others.

Testing is a vital part of the instructional and guidance programs. The basic purpose of all such tests is to provide important clues about the ability and the achievement of the individual student so that teachers will be stimulated to find out more about the student by referring to the cumulative folder and consulting the counselors. This information alerts teachers against arriving at judgments of pupils on the basis of one test score or placing individual students in certain categories on the basis of the results of even several mental ability and achievement tests alone. Teachers are urged to bear in mind that these tests do not measure such things that are important for success in school and life as:

1. Ability to get along with others
2. Ambition or motivation
3. Emotional stability
4. Special talents
5. Ability to succeed

The information obtained from tests can result in more individualized instruction and revision of the course of study and methods of presentation to meet more adequately the needs of the individual pupil. Thus the teacher accepts the student at his present stage of development and guides him to successful achievement at the pace at which the student is seemingly capable. Adequate counseling, as well as good teaching, functions on the basic principle that an analysis of an individual is never based on a single criterion. It requires the accumulation of objective evidence provided by mental ability tests, achievement tests, and past performance. In addition, it includes information about family background, physical condition, special talents, hobbies, interests, and out-of-school experiences. The professional interpretation of such criteria places the teacher in a better position to help the student to help himself in the solution of his problems.

CONCLUSION

No report would be complete without a word of recognition to those who made it possible - The Arlington School Committee. It is a rewarding experience as a School Administrator to work with such a dedicated group of men and women. The School Committee members have given unsparingly of themselves and their time for the purpose of providing good education for the pupils of the Town of Arlington. As a Committee is has always been keenly interested in establishing policies that reflect the best possible educational climate.

To the professional staff I express my appreciation for their devoted service and support. To the clerical staff and to the custodial staff I wish to express my thanks for their fine services.

We of the School staff are most appreciate of the gracious assistance afforded us whenever we have called upon the Town Manager, the Superintendent of Public Works, the Fire Chief, the Chief of Police, the Supervisor of Maintenance and the Supervisor of the Custodians.

To all concerned, I extend my appreciation and gratitude.

Respectfully submitted,

(Signed) Bert A. Roens
Superintendent of Schools

Report of The Planning Board

January 11, 1961

Mr. Edward C. Monahan, Town Manager
Robbins Town Hall
Arlington, Massachusetts

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 40 and Section 71 of Chapter 41 of the General Laws, the Planning Board submits its report for the year ending December 31, 1960.

During the year 1960 the Planning Board was able to extend its program in a most important area by securing funds for the preparation of a master plan. Late in 1959 the Board applied for a Federal planning grant of \$10,000 to be matched by town funds which would be used to prepare a plan for the development of Arlington. Since various existing planning studies could be updated and integrated in this plan, it was estimated that it could be prepared in twenty-four months at a cost of \$20,000. The 1960 Town Meeting by unanimous consent approved the Board's request for an appropriation of \$18,000 to prepare a master plan and to do related planning studies, with the understanding that if Federal funds were received, a portion of the above appropriation would be returned to the Town. In August, 1960 a Federal grant of \$10,000 was awarded by the U. S. Housing and Home Finance Agency for the preparation of the development plan, thus making Arlington the first community in Massachusetts to benefit from the expansion of the Federal local planning assistance program, which until 1959 had limited participation to communities under 25,000 population.

The Planning Board engaged Planning and Renewal Associates of Cambridge as the consultants on this project and work began in September. Since that time three planners from this firm, including Mr. Robert F. Rowland, the consultant in charge, have worked with the Board at all meetings. Even in this short period their professional counsel and technical assistance have proved invaluable in dealing with current problems as they relate to community development. In the coming months studies will be completed on land use, circulation, public utilities, and public facilities. Since a master plan is intended to serve as a guide to the community's many boards and agencies, it will be thoroughly discussed with them during its preparation.

The membership of the Board changed during the year. In March, 1960 John B. Byrne, Jr. resigned after ably serving the Board for nine years, the last five of which he was chairman. The Town Manager filled his unexpired term by the appointment of George M. Herlihy. The Board elected Miss Murdena A. Campbell chairman and Mr. Herlihy secretary. Milton H. Anderson resigned in May after serving two years and David J. Ashton was appointed to fill this vacancy. Fozi M. Cahaly resigned in October having served four years and his unexpired term was filled by the appointment of Clair E. Turner. The Board expresses its thanks to these former members for their conscientious and valuable service.

During the year the Board held fifteen meetings and participated in seven meetings with the Board of Selectmen, Development Commission, School Committee, Arlington Housing Authority, and civic groups, and also in numerous conferences with town officials. Two members represented the Board at Governor Furcolo's conference on urban renewal held at the State House on January 28. Three members attended the organization meeting of Region 5B of the Massachusetts Federation of Planning Boards held in Lincoln on September 28 and all members attended the Fall Conference of the Federation held in Boston on October 28-29.

Eleven public hearings were conducted for revisions in the Zoning By-Law and changes in the Zoning Map. All but one of the recommendations of the Board regarding these revisions were upheld by the Town Meeting.

In January the Planning Board met with the Board of Selectmen and Development Commission to discuss the choice of Route 3 alternates presented to the Town by the Department of Public Works.

In November the Board of Selectmen invited the Planning Board to make recommendations regarding a proposed warrant article for the extension of Railroad Avenue based on the Joint Planning Committee's recommendations of 1956. The Planning Board instructed Planning and Renewal Associates to undertake a study of this proposal. Their report was presented at a meeting with the Board of Selectmen and Development Commission and subsequently was formally recommended by the Planning Board. This alternate proposal recommends that the area be developed for short-term metered municipal offstreet parking with space for 145 vehicles and that existing congestion be eliminated by providing access to Water Street and by removing unnecessary conflicts in traffic movements. The Board believes this plan is a highly desirable alternative and that it would develop efficient parking in a vital area of the Center.

As the year ended, the relocation of Mystic Street from Chestnut Street to Massachusetts Avenue opposite Pleasant Street neared completion. This street relocation recommended by the Planning Board is designed primarily to facilitate the movement of local traffic and to open up the business district in Arlington Center.

The Board extends its deep appreciation to the Town Manager, especially for his assistance in securing the planning grant, and to the various boards and department members for their cooperation throughout the year.

Respectfully submitted,

MURDNA A. CAMPBELL, Chairman
DAVID J. ASHTON
GEORGE M. HERLIHY
THOMAS D. KENNA JR.
CLAIR E. TURNER

Report of the Public Welfare Department

January 6, 1961

Edward C. Monahan, Town Manager
Town Hall
Arlington, Massachusetts

Dear Sir:

I have the honor to submit the report of the Medical Inspector of the Department of Public Welfare for the year ending December 31, 1960.

	House Calls	Clinic Calls	Total
Old Age Assistance	276	150	426
Medical Assistance to the aged	19	-	19
Aid to Dependent Children	17	92	109
Disability Assistance	29	18	47
General Relief	16	89	105
Veterans Services	12	44	56
	369	393	762

The total number of visits made to the Clinic for Dental Care 156.

Respectfully submitted

EDWARD W. FEELEY, M.D.

Medical Inspector
Department of Public Welfare

Annual Report of the Personnel Board

January 13, 1961

To the Citizens of Arlington:

The Personnel Board herewith respectfully submits its annual report for the year ending December 31, 1960.

The membership of the Board changed with the appointment of Robert L. Johnson, an employee nominee, to succeed John J. Kelliher. F. Lawrence Doherty was elected Chairman for the coming year. The appointments of Paul E. Widder and Warren E. O'Leary, an employee representative, will expire on March 12, 1961. F. Lawrence Doherty and William J. Frost were appointed to March 12, 1962.

The Board attended the fourth annual June conference of the Massachusetts Municipal Personnel Boards Association at the University of Massachusetts in Amherst and the fifth annual October meeting in Framingham. The main topic of discussion was Chapter 561 of the Acts of 1960 which allows cities and towns to enter collective bargaining agreements. Lee Morris was elected Chairman of the Board of Directors for the year 1960-1961. Personnel administration in municipalities continues to grow with 82 personnel boards or directors in the State at the present time.

The Board has held 15 meetings during the year and considered 22 requests of individuals, committees and appointing authorities. A request from the various employee organizations for a general flat increase for all employees and a reduction in service for the third and fourth week of vacation was considered. Since the cost of living continues to rise and the salary rates in comparable communities has increased, the Board is again considering a recommendation of another general increase in order to maintain a median comparison and a fair standard of living for the employees of the Town. In addition to the meetings, we have had frequent contact with the Executive Secretary on various personnel matters that have arisen between meetings. The Executive Secretary has had numerous conferences with the Town Manager, department heads, employees and the Division of Civil Service on matters pertaining to Civil Service procedure, the operation of the Classification and the Pay Plan and the Leave Regulations. The following are some of the routine personnel procedures handled by the department this year:

Emergency appointments	38
Appointments, temporary, provisional, renewals	197
Permanent appointments	42
Promotions - Permanent and temporary	24
Termination of temporary employment	153
Termination of permanent employment	38
Permanent and temporary transfers	13
Loyalty Oaths	88
Group Insurance	31

In order to make November 1 effective as the closing date for requests received by the Board on matters that require Town Meeting action, we are recommending an amendment to Section 3 of Article 7C of the By-Laws. This action is necessary to prevent last minute requests and to provide reasonable time for proper consideration of requests before the closing of the Warrant.

There are at present 555 permanent full-time, 22 permanent part-time, 13 temporary full-time, 49 temporary part-time, and 41 seasonal part-time classified employees in the service of the Town. The peak employment period is during the summer months with a total of 731. These figures do not include the personnel under the School Committee.

The Board appreciates the cooperation and assistance given by the Board of Selectmen, Town Manager, Finance Committee, officials, boards, Town Counsel and employees in our effort to administer the duties and responsibilities involved. We also wish to express our sincere appreciation for the capable services of our Executive Secretary and for the clerical work performed by Mrs. Helen McCluskey.

Respectfully submitted,

Paul E. Widder
Warren E. O'Leary
William J. Frost
Robert L. Johnson
F. Lawrence Doherty, Chairman

Report of the Purchasing Department

February 6, 1961

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington 74, Massachusetts

Dear Mr. Monahan:

I herewith submit my report as Assistant Purchasing Agent for the year ending December 31, 1960.

The year 1960 saw a continued rise in the inflationary spiral which for the Town as well as householders meant increases in the cost of materials, supplies, and services. Despite this inflationary rise, in many instances the Town was able to obtain better prices on some items due to the increased competition by vendors for our requirements.

The Purchasing Department sought this increased competition by expansion of our lists of prospective suppliers, by providing complete specifications of our needs to the vendors, and by constantly investigating new or better methods of obtaining goods, materials, equipment or services at the lowest possible cost to the Town.

Examples of instances of these savings in our long term contracts are as follows:

Gasoline - The gasoline price discount was increased from \$.0456 per gallon to \$.0469 per gallon on the 1960 contract. At the time of the opening of the bids, this differential was the highest allowed to any community in the Commonwealth. Our annual consumption of gasoline for all Town Departments approximates 160,000 gallons so that the resultant savings as a result of the differential are substantial.

Motor Oil - Our specifications for Motor Oil call for the supplier to provide us with oil that meets the Federal Military Specification MIL 2104A at the Supplement 1 level. This oil is a premium oil and this year we were able to reduce the cost from \$.53 a gallon to \$.50 a gallon without changing the quality of the oil used.

Fuel Oil - On #2 Fuel Oil the premium was reduced from \$.0021 to \$.0016 in 1960, thus additional savings were made on this item over 1959. In 1959 for #5 Fuel Oil the town paid the Tank Wagon price less \$.199 per barrel. In 1960, for the same fuel oil the Town paid the Tank Wagon price less \$.29 per barrel. Our use of #5 Fuel Oil approximates 12,000 barrels and thus the resultant savings over the previous year's contract amounted to approximately \$1,452 on this item alone.

Term Contracts - Major items of continuing use throughout the year are placed on bid, and the contracts are awarded to the lowest responsible bidder in every instance. Under the provisions of Article 7A of the By-Laws of the Town purchases of \$400.00 or more for materials, supplies, equipment or services must be set up for public bidding through newspaper advertising or circular letter with bids being formally opened and read at a specified place, hour, and date. Not only is the letter of the law observed, but the spirit of the law is strictly enforced so that whenever possible, purchases are combined so that formal bids may be sought from prospective bidders.

The spirit of competitive purchasing is carried over into our day to day operation and telephone quotations are received from at least three vendors wherever possible and practical. This results in the Town being able to buy the products needed at substantial savings as the vendors realize they are in competition and know that the awards are made to the lowest bidder, price, delivery, and quality factors being reasonably comparable.

The past year has been a busy one, and I would like to express my sincere appreciation to the Town Manager, Board of Selectmen, various Boards, Commissions, Trustees, Town Officials, Committees, Department Heads, and my staff for the fine spirit of cooperation received throughout the year.

Respectfully submitted,

James L. Sullivan
Assistant Purchasing Agent

JLS/ead

Report of the Fire Department

January 1, 1961

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I submit my Sixth Annual Report as Chief of the Arlington Fire Department for the year ending December 31, 1960.

PERSONNEL

The uniformed force consists of 99 men: the Chief of Department, 5 Deputy Chiefs, 7 Captains, 19 Lieutenants and 67 Fire Fighters. The Department has a Master Mechanic, Doward L. Barter; a physician, Dr. Edward W. Feeley, and a Clerk, Anna D. Hurley.

CAPTAIN JAMES A. DOHERTY

On May 13, 1960, Captain James A. Doherty died. He was appointed to the Department in 1930.

FRANCIS J. NEVILLE

On September 22, 1960, Fire Fighter Francis J. Neville, a member of the Department since 1931 died.

Through the years, the devotion to duty by both men was outstanding and they were most faithful and loyal to the Fire Department.

RETIREMENT

Fire Fighter William H. Madden, a member since 1927 retired on disability pension, October 19. Over the years he gave his best efforts to the fire service being a devoted and dedicated worker.

RESIGNATION

Daniel J. Devlin, a Fire Fighter since 1952 resigned February 13.

PROMOTIONS

June 5, Lieutenant Charles J. Doherty was advanced to the rank of Captain filling vacancy created by death of Captain James A. Doherty.

June 5, Fire Fighter Thomas F. Bondi was promoted to the rank of Lieutenant filling vacancy caused by advancement of Lieutenant Charles J. Doherty to Captaincy.

APPOINTMENTS

The following men were appointed permanent Fire Fighters (all replacements):

March 6,	Peter J. Gimblett, 51 Fremont Court (for Daniel Devlin)
June 8,	John J. Keenan, 48 Milton Street (for Thomas Bondi)
October 30,	John J. McGurl, 19 Central Street (for Francis Neville)
December 11,	John J. Ault, 16 Fremont Street (for William Madden)

ASSIGNMENTS

From October 17 to December 10, 1960, Lieutenant James J. Kelly, Jr., was detailed to the Water Volume and Pressure Program of the Public Works Department for the year 1960.

DEPARTMENT CHAPLAINS

Reverend Father Charles A. McCarthy, Curate at St. James Church; and Reverend William W. Lewis of the First Unitarian Church, serve as Department Chaplains.

APPARATUS AT HEADQUARTERS

Engine 1 (1954-Mack), 1000-gallon pumping unit

Engine 4 (1954-Mack), 1000-gallon pumping unit

Ladder 1 (1937-Seagrave), Tractor-drawn 85-foot aerial ladder truck. The trailer section is undergoing conversion to be attached to new tractor at cost of \$16,000 including installation of air brakes.

Rescue 1 (1958-Mack) is equipped for emergency calls and floodlighting operations.

Life Boat 14-foot metal boat with outboard motor and life-saving equipment, purchased in 1952.

Chief's Car (1957-Pontiac)

Deputy's Car (1959-Ford)

Fire Prevention Car (1956-Ford)

Utility Pick-up Truck (1952-Chevrolet), 1-1/2-ton capacity.

Heavy-Duty Maintenance Truck (Rebuilt from 1945 Mack Chassis) carries 5000-watt generator unit supplying power for six floodlights which were procured from Civil Defense surplus stock. The truck is equipped with snow plow and is available to other departments for snow plowing.

APPARATUS AT HIGHLAND STATION

Engine 2 (1952-Seagrave), 1000-gallon pumping unit

Ladder 2 (1952-Seagrave), non-tractor-drawn 65-foot aerial ladder truck

Two 500-gallon Auxiliary Fire Pumps (1941-Buffalo) numbered Engine 15 and Engine 16.

APPARATUS AT PARK CIRCLE STATION

Aerial Ladder 3 (1949-Seagrave), a Quintuplet Unit comprising 750-gallon centrifugal pumper, non-tractor drawn 65-foot aerial ladder, booster pump with attachment, carrier for 1000 feet of 2-1/2-inch hose and 500 feet of 1-1/2-inch hose, and a complement of ground ladders.

IN ACTIVE RESERVE

Engine 5 (1929-Seagrave), a 750-gallon pumper, is ready to replace disabled pumping units for a limited time only due to its age.

RESPONSE

The Department responded to 1250 calls of which 355 were Box Alarms, 819 Still Alarms and 76 Mutual Aid (Out-of-Town) calls; of the 908 telephone calls received, 148 were Box Alarms and 760 were Still Alarms.

In 1959 there was a total of 988 calls.

A summary of alarms revealed that the greatest number of such calls occurred in the month of November; that more occurred on Wednesday than any other day of the week, and also that of these calls the largest number were between the hours of 11:00 A.M. and 12 noon; and between 3:00 P.M. and 4:00 P. M.

Eighty-seven false alarms were sounded as compared with 112 in 1959.

The Rescue Unit responded to 108 First Aid emergency calls where the Resuscitator and Inhalator were requested for administration of oxygen. The rescue equipment on this Unit was used on several occasions to release persons trapped when involved in automobile accidents; also on many calls to homes where accidents occurred through the misuse and faulty operation of home appliances.

Received 9 calls for use of Department Life Boat.

CAUSES OF ALARMS IN 1960

Accidents	24	Locked out	80
Acetylene Torch.	1	Miscellaneous	35
Automobiles	53	Needless.	23
Candle	1	Oil Burners.	36
Careless Smoking.	47	Oil Tank Leaks	13
Children and Matches	35	Out-of-Town	76
Chimneys	3	Paint Remover.	1
Dump.	8	Refrigerator Leaks.	12
False Alarms	87	Rubbish	39
First Aid	108	Spontaneous Ignition	7
Gas Leaks.	12	Sprinkler Systems	7
Gasoline	15	Televisions.	5
Grass.	348	Unknown.	1
Grease.	14	Water Department Details	27
Heaters	12	Water Leaks	22
Incinerators	6	Wiring-Inside	32
Investigating	10	Wiring-Outside	38
Lightning	12		

GENERAL SUMMARY OF EQUIPMENT USED AT FIRES

Ladders raised	-	5290 feet
Hose used	-	74200 feet
Water from booster tanks	-	39100 gallons
Pumping operations	-	410 for 100 hours
Miles travelled	-	5550 miles
Service time	-	3400 hours

MULTIPLE ALARMS

Dwellings: March 2, Box 73, 18 Brattle Terrace
 May 16, Box 356, 7 Draper Avenue
 August 10, Box 3941, 40 Hutchinson Road
 November 24, Box 753, 47 Park Avenue Extension
 December 21, Box 62, 26 Moulton Road

Railroad Bridge: October 8, Box 82, Park Avenue

FATALITIES

June 20, John Clark, 9 Wall Street, died when fire occurred in his home.

December 22, Mrs. Jessie Daley, 98 years old, died as the result of fire in her home, 22 Moore Place.

SNOW STORMS

March 3 and December 12, severe snow storms occurred which necessitated that the Fire Department maintain additional manpower on duty for emergency calls since the snow assumed drifting proportions with the intense strong winds.

TORNADO ALERT

June 24 at 2:45 P.M. the State was placed on alert by Office of Civil Defense because of predicted heavy thunder storms with possible damaging winds and tornado activity. This condition did not materialize. The danger being over within a few hours after sounding the alert, it was not necessary to recall added fire fighters to duty.

HURRICANE DONNA

September 12, Hurricane Donna with rain and strong high winds began in mid-afternoon reaching peak around 6:00 P.M. felling electric wires, utility lines and trees throughout the Town. Additional manpower was provided and all members of the Fire Department were placed on stand-by alert.

At Fire Headquarters and at Park Circle Station, when Edison current failed, the auxiliary electric generator units automatically took over supplying sufficient current for those stations. However, at Highland Station with no electric power, a small portable generator, makeshift, was set up to furnish lights for the operation of that station, and at best, only the apparatus floor was lighted, poorly and limited.

FIRE LOSSES

Ninety-seven losses occurred, 22 of which accounted for \$122,211 of the entire loss.

The total assessed value of property endangered, insurance thereon, loss sustained, and the amount of insurance paid are as follows:

	Assessed Value	Insurance	Damage and Insurance Paid
Buildings	\$1,327,650	\$2,181,900	\$125,775
Contents	<u>237,100</u>	<u>237,100</u>	<u>30,575</u>
Total	\$1,564,750	\$2,419,000	\$156,350

APPROPRIATION

1960 Appropriation	\$ 597,455
Expended	<u>593,242</u>
Balance.	\$ 4,213

CREDITS

Fees for 47 permits to blast	\$ 23.50
Fees for 3 permits for flammable fluids	1.50
Fees for 11 permits for use of tar kettle	5.50
Sale of junk	<u>17.10</u>
	\$ 47.60

REPORT OF DEPARTMENT PHYSICIAN

Dr. Edward W. Feeley, Department Physician, rendered the following services in 1960: Office calls 78, house calls 1, station calls 3, physical examination 6, and 25 hospital calls.

In addition, Dr. Feeley responded to many emergency calls and alarms of fire. Several conferences were held with the Chief of Department on medical matters pertaining to members of the Department.

FIRE PREVENTION

Places of business, public buildings, schools, hospitals, convalescent homes, and places of public assembly were inspected periodically by fire fighters. A record was made of existing conditions with date when corrections were made.

Recharged 365 fire extinguishers in these buildings. Conducted the "In-Service" plan of recharging these extinguishers whereby fire apparatus with fire fighters responded to each building giving instructions to occupants in the operation and actual use of a fire extinguisher in case of fire, a first-hand demonstration.

In October, for the fifth year, at the request of Catholic Archbishop of Boston, the Fire Department inspected the Catholic Churches, convents, schools, and other Church property in Arlington and noted conditions found. These reports with recommendations were forwarded to the Chancellery. All Catholic Churches in Arlington now are equipped with automatic fire detecting warning signal systems.

During 1960, Lieutenant Daniel J. Mahoney, Inspector of Oil Burning Installations and Flammables, inspected a total of 545 oil burners and other flammable installations and storage equipment. Three hundred and fourteen permits were issued for approved installations after inspection. It was necessary to reinspect 231 installations because of faulty equipment and failure of installers to meet all rules and regulations pertaining to oil burners and storage of flammables.

FIRE PREVENTION WEEK

The week of October 9-15, was observed as Fire Prevention Week. Fire Department officers distributed timely and conspicuous posters marking the occasion. These were placed in public buildings and places of business throughout the Town. Practical fire prevention pamphlets and booklets for children were passed out to the schools with permission of Dr. Bert A. Roens, Superintendent of Schools. The pamphlets were interesting and favorably received by the children.

In conjunction with Fire Prevention Week, the Public Works Department cooperated in removing accumulated rubbish set out at curbsings for collection.

DWELLING INSPECTIONS

For the fourth year, conducted "In-Service Inspection" of dwellings whereby approximately 11,000 homes were inspected by Fire Fighters with apparatus. Continuous contact with Fire Department Headquarters was maintained through two-way radio. Many weeks were required for the inspection of dwellings. This is a most vital phase of fire prevention for reduction of hazards in the home.

In connection with dwelling inspections, the "Clean-up, Fix-up, Paint-up" program for 1960 began on April 26 and continued through May 13. Such a home inspection campaign makes fire prevention realistic to householders. It affords means whereby fire fighters reveal existing fire hazards and suggest ways to eliminate them. Emphasis is placed on the importance of practicing fire safety in the home and the need for constant vigilance. Without doubt, dwelling inspection is responsible for the saving of many lives and the reduction of home fires in Arlington.

During the "Clean-up" program the Public Works Department fully cooperated in the removal of accumulated debris and rubbish. Many requests were received to have rubbish carted away. Lieutenant Harold C. O'Leary directed this project for the second year.

FIRE DRILLS IN SCHOOLS

The Annual Fire Drill for the evacuation of children from school buildings under the supervision of the officers of the Fire Department was conducted in public, parochial and private schools.

A record was made of the number of classrooms, pupils, exits used and the time required to vacate each building; a copy of which was sent to the School Department.

For the sixth year, Fire Fighters with apparatus went to the schools for the holding of fire drills and at the same time through the medium of two-way radio remained in service for fire duty in the event of alarm of fire.

In addition to the Annual Drill, the following has been enacted:

"Chapter 148, Massachusetts General Laws, 1959, excerpts from the rules and regulations of the Board of Fire Prevention, regulations of the State Department of Public Safety:

"Rule 16, Schools, (D)

"The head of the Fire Department, or person designated by him, shall visit each school at least four times each year for the purpose of conducting fire drills and questioning the teachers and supervisors. These drills shall be conducted without advance warning to the school personnel other than the person in charge of the school at the time."

FIRE DRILLS IN NURSING HOMES

In accordance with provisions of Chapter 333, Massachusetts General Laws, Deputy Fire Chiefs made periodic inspections of Symmes Hospital and the nine Nursing Homes in the town and the required fire drill was held. Reports were forwarded to the Massachusetts Department of Public Health.

HYDRANT INSPECTIONS

For the sixth year, the Arlington Fire Department assisted the Public Works Department with cleaning of water mains under the Volume and Pressure Program, and Fire Fighters continued the Annual "In-Service Inspection" of approximately 1296 hydrants in Arlington.

When hydrants were discovered frozen, these were immediately thawed and drained by the Fire Department and the Water Department was notified. The winter inspection of hydrants was held in November rather than in January thus correcting any defective hydrants before the freezing weather to insure continuous service during winter months.

During summer months, Water Flow Tests of each hydrant were made daily after 10:00 P.M. Records were kept of static and residual pressures by Lieutenant Harold C. O'Leary. Faulty and defective hydrants were reported to the Water Department for immediate repairs.

June 27 to July 1st, the Fire Department conducted pumping operations from intermediate service main on Spring Street-Highland Avenue to high service hydrant on Eastern Avenue near Scituate Street to keep water in the Standpipe at Park Circle at safe operating level.

TRAINING OF FIRE FIGHTERS

Our training program is limited due to lack of proper facilities. However, Fire Fighters participated in frequent drills in quarters and were instructed in proper methods and the use of Fire Department equipment. Routine drills were held in pumping, drafting and life boat practice on Spy Pond and at the Heights Reservoir.

Fire Fighters participated in Driver-Training Program and received instruction in the mechanical operation of fire apparatus, ladder trucks and aerial ladders under the direction of Department Mechanic Doward L. Barter.

On invitation of the Boston Fire Department, Officers of the Arlington Fire Department attended special classes at their Training Academy, Moon Island. These proved to be most interesting and instructive.

AUXILIARY FIRE FIGHTERS

Auxiliary Fire Fighters worked in the stations daily from 7:00 until 10:00 P.M. and rendered stand-by assistance. They responded and aided the regular Department at the multiple alarm fires and during snow storms and Hurricane Donna. Deputy Chief Irving L. Proctor is the Fire Department Coordinator for this group under the direction of Civil Defense.

DETAILS

Since 1949, Fire Fighters at Park Circle Station have been assigned during school hours for traffic duty in that section to protect school children.

Fire Fighters were detailed to stand-by duty as precautionary measure to guard against fire during welding operations or when blow torches were being used for repairs in school or public buildings.

In winter months, the Fire Department assisted with the flooding of playgrounds for skating rinks.

April 19, Rescue Unit participated in parade.

April 19, Engine 1 detailed to Lexington Parade.

May 7, Engine 1 in line for opening day of "Little League Baseball" ceremonies.

October 9, Engine 1 assigned to Boston Fire Prevention Parade.

October 11, Engine 1, responded to Hanscom Field, Bedford, to take part in Fire Prevention Program pertaining principally to radio-active material.

BUILDING MAINTENANCE

At Headquarters, contractor started the work of repointing and replacing flashing on the northeast side of brick tower. The other sides are to be undertaken gradually and annually because of the great expense involved.

Cut through new door between main basement and signal room.

The grass plot on Massachusetts Avenue-Franklin Street side of building was removed and area black-topped by Public Works Department. The available space to be used for parking of automobiles by Fire Department personnel.

Fire Fighters painted office, furniture and equipment in Chief's Office.

At Highland Station, one hose rack for storage of 2-1/2-inch and 1-1/2-inch fire hose was constructed by Fire Fighters which if purchased would be costly.

Fire Fighters at Highland Station completely redecorated and painted the interior of building; also refinished walls of lavatory with ceramic tile. Plastering of walls was undertaken by the Public Works Department.

Fire Fighters at the three fire stations merit praise for their work and efforts in maintaining so well the Fire Department buildings, a task resulting in great financial saving to the Town.

During the year, the Highland Station was used for the registration of voters, and for voting purposes on the following dates: March 7, April 26, September 13 and November 8.

The Park Circle Station also was used for registering of voters, besides being the meeting place for many civic groups.

APPARATUS MAINTENANCE

The following major repairs on fire apparatus were undertaken by the Department Master Mechanic, Doward L. Barter resulting in considerable saving in labor costs:

Engine 2 - Installed new 1500 g.p.m. Water Gun on rear deck.

Engine 2 - Completely overhauled pumping system.

Engine 4 - Rear-end assembly entirely replaced.

Engine 5 - Repaired transmission assembly.

Ladder 1 - On February 4, 1960, Aerial Ladder 1 was badly damaged when it struck a tree on Medford Street while Fire Fighters were being instructed in operation of Tiller Section of the Unit. The rear end and trailer frame sections were repaired in our own Department Repair Shop.

The employment of a Department Mechanic has been profitable not only from a monetary standpoint, but also in the matter of time element because when emergency fire apparatus and other automotive equipment is disabled, repairs are made immediately and equipment is returned to service with a minimum loss of time.

RECOMMENDATIONS

For the year 1961 recommend that \$589,955 be appropriated to include the replacement of Chief's Car.

CONCLUSION

I extend deep and sincerest thanks to the Honorable Board of Selectmen and Town Manager, Edward C. Monahan, for close cooperation with the Fire Department. To all Town Departments for helpfulness, my gratitude.

To my own Officers and Men for faithful and devoted performance of duty, my appreciation.

Respectfully submitted,

THOMAS H. EGAN

Chief of Fire Department

Report of the Fire and Police Signal System

January 1, 1961

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

As Superintendent of the Fire and Police Signal System, I submit my Sixth Annual Report for the year ending December 31, 1960.

The System is maintained by Assistant Superintendent Lester W. Cameron together with Signal Maintainers Nicholas J. Bucciero and Frederick J. Manning.

Fire Alarm and Police Signals

Experienced many difficulties as the result of temporary breakdown in aerial and underground lines. Storms, winds, rain, snow and lightning inflicted severe damage and circuits were grounded. September 12, Hurricane Donna, with trees blowing against lines caused brief interruption of service. When found out of order, circuits were restored to immediate service.

Routine repairs were made, wound and tested fire alarm boxes, police signal boxes, police signal desk and signal registers; also checked air whistle and master clock. Painted all signal boxes throughout the town, and conducted tests on signal boxes connected to sprinkler systems.

The following signal boxes were damaged when struck by automobiles:

Police Box 122	Pleasant Street-Concord Turnpike
Police Box 15	Massachusetts Avenue - Tufts Street
and Fire Box 134	(combination box)
Fire Box 351	Mystic Street - Russell Street
Fire Box 77	Lowell Street - Park Avenue

The signal desk at Police Headquarters was overhauled by the Gamewell Company.

Installed new police signal box:

Box 424 Drake Road (Housing for Elderly)

Replaced outmoded type box with 5-call standard type, Police Box 412 Massachusetts Avenue-Park Avenue.

Installed new fire alarm boxes:

Box 3112	Arlington Catholic High School-16 Medford Street
Box 3932	Winchester Road-Melvin Road
Box 3933	Morningside Drive-Greenwood Road
Box 574	Drake Road (Housing for Elderly)
Box 575	Drake Road (Housing for Elderly)
Box 6441	St. James Church-Appleton Street
Box 7161	Yerxa Road - Opposite No. 50
Box 7171	Hemlock Street-Dickson Avenue
Box 7172	Hemlock Street-Fabyan Street
Box 7182	Dickson Avenue-Wheeler Lane
Box 7191	Washington Street-Mohawk Road

The doors on the following fire alarm boxes were changed from the rattler type to quick-action style door:

Box 354	Mystic Street-Glen Avenue
Box 641	Gray Street-Robbins Road
Box 734	Forest Street-Brand Street
Box 753	Park Avenue Extension-Branch Avenue
Box 862	Appleton Street-Rhinecliff Street

CABLE CONSTRUCTION

Because of street construction on Massachusetts Avenue-Mystic Street: Re-located test terminal, pulled in 2-conductor and 6-conductor cable, 110-foot lengths; cut in new cable in terminal post; cut over 66, 30 and 6-conductor cable in manhole. Removed old cable in old test terminal and made new line to fire and police circuits; spliced and taped cable in manhole.

On Gray Street, aerial lines were rebuilt because the Telephone Company re-constructed its lines in the area of Pleasant Street to Kenilworth Road.

On Massachusetts Avenue from Palmer Street to the Cambridge line, replaced 10-conductor cable with 6-conductor underground cable. Cut over and pulled out old cable installations at each pedestal.

On Massachusetts Avenue-Park Avenue to Lowell Street replaced 10-conductor underground cable with 6-conductor cable and cut over to signal boxes.

Taped 19-pair cable underground on Massachusetts Avenue-Hobbs Court to Forest Street.

Reran and pulled up 2-conductor aerial cable on:

Lombard Terrace
Hutchinson Road

Replaced, reran and pulled up 6-conductor aerial cable on:

Appleton Street	Florence Avenue
Concord Turnpike	Rhinecliff Street
Richfield Road	Victoria Road
Eliot Road	Colonial Drive
Oakland Avenue	Park Avenue
Hutchinson Road	Highland Avenue

Made 71 transfers of lines to new poles, rebuilt lines and pulled up slack on aerial lines.

Throughout the Fire and Police Signal System, removed and trimmed trees and branches from aerial lines and installed wood mold where wires came in contact with trees.

AIR RAID SIGNALS

Tested sirens on the first and third Friday of each month.

May 3, 1960, Air Raid Sirens and whistles sounded at 2:30 P.M. as State-Wide test of warning signals.

Routine inspection was made of the following air raid sirens throughout the Town:

Massachusetts Avenue-Teel Street
Massachusetts Avenue-Winter Street
Massachusetts Avenue-Tufts Street
Massachusetts Avenue-Mill Street
Massachusetts Avenue-Brattle Street
Massachusetts Avenue-Forest Street
Massachusetts Avenue-Park Avenue
Florence Avenue-George Street
Summer Street-Mill Street

Summer Street-Park Avenue Extension
Broadway-Everett Street
Lake Street-Margaret Street
Highland Avenue-Ottawa Road
Mystic Street-College Avenue
Medford Street-Sherborn Street
Pleasant Street-Gould Road
Lowell Street-Park Avenue Extension
Trowbridge Street-Waldo Road

DETAILS

Set up Public address system on many occasions for various Town departments.

Rendered assistance to departments when they requested use of winch and derrick on fire alarm truck.

April 19, sounded 1-7-7-5 on air whistle at Fire Department Headquarters for Patriots' Day.

The Town Clock in ChurchSteeple, Massachusetts Avenue-Pleasant Street, wound weekly on Fridays.

Arranged Christmas lighting and decorations at the Town Hall, Library, Police Headquarters, on tree and crib at Monument Park, at Fire Department Headquarters and at the Highland Fire Station.

APPROPRIATION

1960 Appropriation	\$22,883
Expended	<u>22,392</u>
Balance	\$ 491

RECOMMENDATIONS

For the year 1961 recommend that \$24,035 be appropriated.

The Committee studying the Town's two-way radio facilities is in the process of submitting recommendations as contained in a directive received from the Federal Communications Commission.

CONCLUSION

To the members of the Board of Selectmen, to Town Manager, Edward C. Monahan for kind assistance, my thanks.

To the Assistant Superintendent of the Fire and Police Signal System and his Signal Maintainers, for every-ready performance of duty, my gratitude.

Respectfully submitted,

THOMAS H. EGAN
Superintendent, Fire and Police
Signal System

Report of the Board of Selectmen

With the conclusion of another busy year, the Board of Selectmen herewith submits its Annual Report for the year ending December 31, 1960.

Following customary procedure the early part of the year was principally devoted to the development of a progressive program for the year. Articles were prepared for insertion in the Warrant for the Annual Town Meeting which, in many instances, required conferences with Town Officials, Boards and Commissions.

By virtue of the vote cast at the Annual Town Meeting Messrs. Joseph P. Greeley and Horace H. Homer were elected as Selectmen for three year terms. At a subsequent meeting thereafter, the Board organized and elected Mr. Daniel J. Buckley, Jr. as Chairman and Mr. John O. Parker as Vice Chairman by acclamation.

Regular meetings were held weekly throughout the year with the exception of the summer months when biweekly meetings were held in accordance with past custom. Instances arose, however, when special meetings had to be called for the purpose of conducting hearings or other matters that could not be conveniently accommodated at the regular sessions.

After a decade of immunity from major crimes violence again reared its ugly head in Arlington. On the early evening of March 21st, a group of delinquent teenagers from a neighboring town descended upon our community to avenge an alleged loss of personal prestige at the hands of local youths. During an altercation which arose at a neighborhood variety store where this gang had gathered to seek out their supposed enemies, a fracas ensued and Franklin Theal, a young adult who attempted to intercede, was fatally stabbed. The Board was gravely concerned over this episode and although the perpetrators of this crime were speedily apprehended by the police, measures were immediately instituted to prevent any recurrence of similar disorders. With the full cooperation of the Town Manager and the Chief of Police, counter measures were adopted to discourage group gatherings which could prove troublesome and all motor vehicles containing minors which were traveling the ways of the Town during evening hours were stopped, the passengers identified and information relative to their origin and destination obtained. We believe that through efficient police supervision and constant vigilance this evil has been eliminated from the ways of the Town and intend to continue a policy which will provide maximum protection to the Town's citizens.

Each year the Legislature amends present laws and enacts new legislation which must necessarily be incorporated into our administrative system. Some of this is advantageous and some is considered detrimental, but since there is no alternative we must perforce obey these mandates. Two pieces of legislation recently enacted have, however, increased the burdens of this office. The first affects us as the Retiring Authority for employees that qualify for non-contributory pensions and provides that employees who have been retired because of disability are prohibited from earning more than the difference between their pension and the salary established for the grade from which they retired. As a result questionnaires were prepared and sent out to some thirty-eight pensioners who were required to complete them under the penalties of perjury. From replies received several had exceeded the yearly earnings permitted and as a result some \$6,000.00, had to be returned to the Town.

A second piece of legislation became effective during the year which prohibited the counting of ballots during voting hours and thereby disrupted procedures which had been in effect for decades. Since this law affected the State Primary and the Presidential Election, an entirely new program had to be devised with dispatch. Each precinct had to be revised to include facilities for the usual voting, as well as expansion for extra chairs, tables, lighting and all pertinent details which were necessary for the tabulators. Extra help had to be recruited in a manner which would provide equal representation from both major political parties and inexperienced personnel had to be briefed on their respective duties. The net result of this change disclosed that it was vastly inferior to the previous method in force and that in addition it increased the cost of these elections by \$3,400.00. Our opinions in this respect seem to be shared by practically all Town Officials in the State and an effort will be made to repeal this law at the next Legislative Session.

The renovation of Arlington Center and the relocation of Mystic Street, claimed a great deal of our attention with its attendant legal and physical problems. A schedule was developed containing time limitations during which each phase of the work was to be completed, but due to unanticipated complications it became impossible to adhere to this schedule. At this writing, however, the relocation of Mystic Street, has been completed and is in partial use. We anticipate that traffic signals will be installed in this area early in 1961, which should complete the program for efficient traffic movement in this area. The next phase will involve the development of the old section of Mystic Street, for metered parking as an adjunct to the Russell Common Parking Area. The necessary grading and paving and other detailed installations required for this improvement will be completed by Town forces during the spring of the coming year. A further short term parking area is currently being considered on the former Railroad land in the rear of Railroad Avenue, with access from Water Street. This proposal recommended by Planning Consultants currently retained by the Town is being studied and if ultimately completed will have discharged the Town's obligations in improving the center area for efficient use as a shopping center. The final determination in this respect now rests with the businessmen in the area and we sincerely hope that they will take advantage of the improvements made with resultant prosperity to themselves and to the Town as a whole.

Commuter transportation continues to be a problem which defies all attempts at an equitable solution. Deficits are increasing yearly as the number of patrons dwindle which ultimately results in curtailment and in certain instances discontinuance of service to the consternation of the small segment of the public that is dependent on this utility. Even the Metropolitan Transit Authority, which is heavily subsidized by fourteen cities and towns, shows a deficit of some \$20,000,000.00 for the year. Despite these facts, the general public is critical of the service and the demands for perfection are constant. This, however, does not imply that all such demands are unjustified and brings to mind the struggle in which we are still engaged to provide a bus shelter in Harvard Square. In a recent conference with the General Manager of the Metropolitan Transit Authority, we were advised that a current study of fumes dispensed by buses could result in the use of the Harvard Square subway by buses originating in Arlington. In the event that this study should be reported on adversely, we were also assured that a shelter would be provided on the surface. In order to insure our chances, however, we have filed a bill in the Legislature for an appropriation to cover the cost of erecting this structure. Although we are certain to encounter opposition to this proposal from other sources we intend to exert every effort at our command to realize this objective.

Other matters beyond the realm of our usual routine duties involved the declaration of an emergency when hurricane Donna paid us a visit last September, and required an appropriation of \$25,000.00, to defray the expenses for the damages incurred; the perambulation of the Town's boundaries with surrounding communities which is mandatory every five years; the purchase of the Mystic Valley Gas property on Grove Street, as a new Town Yard; the approval of a bond issue for the construction of the Pheasant Avenue School and myriad of lesser but important functions too numerous to mention.

In conclusion we would like to express our appreciation to the Town Manager, Boards, Commissions and civic bodies for their assistance and counsel during the year with special approbation to our Executive Secretary and the office staff for the manner in which they have lightened our burdens during the year.

DANIEL J. BUCKLEY, JR.

BOARD OF SELECTMEN

Report of the Board of Health

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

We submit the following summary of the activities of the Board of Health for the year 1960, which reports on the services rendered by the Department, together with the financial and vital statistics reports.

Respectfully submitted,

PAUL F. BURKE, D.M.D., Chairman
CARL E. BARSTOW, M.D.
RALPH L. LaVALLE

ARLINGTON BOARD OF HEALTH

Personnel of the Department

J. Philip Bower, Agent and Clerk
Margaret H. Wheatley, Principal Clerk
Justin E. Comeau, Milk and Sanitation Inspector
Mary G. Stone, Public Health Nurse
Lawrence S. Fagan, D.M.D., Dentist
Catherine E. Yates, Dental Assistant
L. Curtis Foye, M.D., Bacteriologist and Physician
Samuel Femia, Dog Officer

Investigations

Conducted environmental sanitation investigations in rodent control; sewage disposal systems; sanitary landfill methods; and water pollution. Composite reports were submitted to the Board of Health with regards to each.

SERVICES RENDERED BY THE PUBLIC HEALTH NURSE

Visited the homes of those people who had been reported cases of communicable disease which required routine follow-up. Gave assistance to these cases to enable them to meet the recommended requirements for their particular case. Made visits to homes of all contacts with known or suspected cases of tuberculosis and arranged for X-ray examinations of these contacts.

Assisted the physician in physical examination of elementary Parochial School children. Performed Massachusetts Vision Test and the Pure Tone hearing test on children of the elementary parochial schools in the Town. Failure in these tests were

referred for further examination. Gave emergency and first-aid treatment on cases which required such attention.

Kept detailed and statistical records of all her activities in connection with her duties. These records are permanently filed in the Department.

Visits were made to the private Nursing and Convalescent Homes as well as Day Care and Nursery schools that are operated in the Town.

Assisted at all clinics which were conducted by the Board of Health.

Attended a series of lectures and a one week "Work Shop", under the sponsorship of the State Department of Public Health as an adjunct to In Service training.

REPORT OF SLAUGHTERING INSPECTOR

No inspections were made in the Town of Arlington during the year ending December 31, 1960.

Report of the Town Counsel

December 31, 1960

Mr. Edward C. Monahan
Town Manager
Robbins Memorial Town Hall
Arlington 74, Massachusetts

Dear Sir:

I herewith submit my report for the year 1960 in accordance with Section 3 of Article 3 of the By-Laws of the Town of Arlington.

There have been twenty-nine accident claims against the Town this year. Nine have been settled as authorized by the Town Manager and the Board of Selectmen. Thirteen have brought suit and seven are in abeyance. Of the previous year's claims and suits, eleven were abandoned without suit, one was abandoned at the time it was reached for trial, eight were settled as authorized by the Town Manager and the Board of Selectmen, and there were verdicts for the Town in two cases. There were no verdicts against the Town.

A number of land damage claims arising from street widenings and storm drain installations were compromised also as authorized by the Town Manager and the Board of Selectmen.

There were six cases pending against the Town before the Massachusetts Appellate Tax Board petitioning for real estate tax abatements. Two of these cases were dismissed for lack of prosecution at the time of trial and the remaining four cases resulted in settlements favorable to the Town.

An appeal from a decision of the Board of Selectmen ordering dog deemed to be vicious to be removed from the confines of the Town was heard in the Third Precinct Court of Eastern Middlesex and resulted in a finding by the Court affirming the action of the Selectmen and denying the appeal.

A Bill in Equity appealing from a decision of the Zoning Board of Appeals resulted in a Final Decree in the Superior Court in favor of the Town and upholding the decision of the Board of Appeals.

Substantial amounts of money for aid rendered by the Board of Health and the Symmes Arlington Hospital have been collected and turned over to the Town Collector.

Substantial amounts of money for aid rendered by the Bureau of Old Age Assistance have been recovered and turned over to the Town Collector also.

The Town Counsel has been available at regular and special meetings of the Board of Selectmen, has worked in close co-operation with the Town Manager, has rendered opinions as requested by the Town Manager, various Boards, Departments, Committees and Officers, has attended meetings at State Boards and Commissions, and has been vigilant in all matters affecting the interest of the Town.

For the kind consideration and co-operation extended to me by all the officials of the Town during the past year, and especially to the Board of Selectmen and Town Manager, I desire to record my sincere appreciation.

Very truly yours,

Joseph A. Purcell
Town Counsel

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

To: Edward C. Monahan, Town Manager

Dear Mr. Monahan:

The Trustees of the Robbins Library report activities of a year wherein concrete plans were developed for the renovation of the Main Library to meet the needs of the community for improved and expanded library service. The final phases of the elementary School Library Program came into being in 1960 and the needs of the Junior High School Student were given consideration by the establishment of a Junior High School Department in the former Art Corridor of the main building.

Personnel problems continue a major concern. Salary adjustments, public relations, legislation, (concerning State-wide library service) problems of buildings and grounds maintenance made up the other major continuing responsibilities of the Trustees in 1960.

Renovation Plans for the Main Building

The 1959 plans to install an elevator in Robbins Library had to be redesigned to meet fire and safety regulations. The Trustees, in consultation with the Town Manager and the Board of Selectmen, drew up the following three-year plan for renovation.

1960

Step I Renovation of gallery

- a. Installation of elevator
- b. Erection of fire escape and fire wall
- c. Installation of new lighting, heating, and ventilation

Result: New Music and Art Room for public
New Technical Services Room for Staff operations

1961

Step II Installation of additional stack area Shelving and furniture for new areas

Result: Additional stack area
New Y.P. Room
New Junior High Department
Additional space for Adult services

1962

Step III Replacement of present circulation desks New functional furniture for Reference Room

Result: Improved facilities for better public service

The first step of the program was voted at 1960 Town Meeting and the architectural firm of Korslund, LeNormand and Quann, Inc. was engaged to draft plans for alterations. In June all bids for work had to be rejected because all were in excess of the appropriation. In September the bid of Michael Racioppi was accepted and a contract for \$34,700. awarded.

Elementary School Library Program

The elementary School Library Program initiated in 1957 through the joint efforts of the Town Manager, School Committee, and the Board of Library Trustees moved into its final phases in 1960.

Four School Librarians present a teaching library program daily at the following schools, Bishop, Brackett, Crosby, Cutter, Dallin, Hardy, Locke, Parmenter and Thompson. The program at Parmenter is only a token service supplied by a staff member from the Main Library. Peirce School will have a library in 1961 and at the same time a new School Librarian will be added to conduct the program at Parmenter and Pierce. It must be noted that the long-range plan to develop ten school libraries in 1958 was accurately projected and has been activated exactly as scheduled. The coordination of the school and library programs has resulted in a school program enrichment that has more than fulfilled our expectations of this project.

Junior High School Department

The many enrichment programs being offered in Arlington Schools result in more and newer demands on the library. Parents, teachers and students voiced a plea for separate facilities for the Junior High School Students.

Funds of the 1960 appropriations did not allow for this expansion, but the Trustees voted to use the Dodge Fund, a \$2,000. gift of Mr. Henry E. Dodge to meet this new demand.

The former Art Corridor has been converted into a Junior High School Department by the fine craftsmanship work of the men from the Department of Public Works. We mark this as a step of progress and a tribute to our Head Librarian and her staff.

Personnel and Salaries

The Trustees still report great difficulty in filling the positions of professionally trained, experienced personnel. An exhaustive search for an Assistant Librarian has been fruitless, due in some measure to the salary we can offer for the responsibilities to be assumed. This vacancy has become a major concern since it places undue physical strain on the Head Librarian.

In accordance with the recommendation of our Library Survey we have reorganized to channel all technical services through the person of a Supervisor of Technical Services. This position was approved by the Town Manager in September 1960.

The Supervisor of Children's Activities, in addition to the responsibility of the Junior Library has, over the past four years, assumed the direction of the nine elementary School Library programs.

The Trustees feel that the responsibilities and job content of the four top librarian positions have increased considerably over the past few years. Therefore the Trustees requested substantial changes in grade be considered for the position of Head Librarian, Assistant Librarian, Supervisor of Children's Library Activities and Supervisor of Technical Services.

Building and Grounds

The cleaning and pointing-up of the main building has been again delayed, this time because of labor strikes. Painting at Dallin Branch and repair and painting of windows in the main building will be completed by the Department of Public Works. The landscaping of the Library grounds is now under the Supervision of Mr. Dolan of the Tree Department.

Friends of the Library

In July and again in October and December, a group of interested Arlington citizens met in the library to discuss library programs of general community interest. The Trustees feel that a group like this is a good sounding board to assist them in better serving the community. The Friends of the Library can in turn make Library services and programs better known to the citizens.

Mr. Hugh A. Mallon, Jr., a Trustee since 1953 and Chairman of the Board from December 1954 to June 1956, resigned from the Board in June 1960. Mr. Mallon's business promotion requires him to reside in Baltimore, Md.

Mr. Nicholas F. Troiano was appointed to the Board in September 1960.

At the reorganization of the Board of Trustees, Mrs. Margaret Spengler was elected Chairman and Miss Judith E. Stromdahl, Secretary. Mrs. Yood, Chairman for the past two years merits high praise for faithful and effective fulfillment of this office.

The Board of Trustees expresses appreciation for the faithful dedication of the Head Librarian, Miss Judith E. Stromdahl and her staff. We observe, through the years, their continuing efforts and spirit have brought the special recognition to our Community of giving the finest in library service and programs to Arlingtonians.

To our Town Manager for his ever understanding attitude; To Dr. Bert Roens, Superintendent of Schools, and the School Committee for cooperation in our joint programs; to the Board of Selectmen for consulting with us on an important decision, we wish to express our sincere appreciation.

Respectfully submitted,

Mrs. Kenneth C. Spengler
Chairman
Board of Library Trustees

Report of the Librarian for the Year 1960

In 1960, the Robbins Library, with its overcrowded conditions, its serious lack of sufficient shelf space, its limited seating area, its shortage of professional staff members, nevertheless managed to serve more people, answer more questions, circulate more books, periodicals, recordings and films than during any year of its long history. This accomplishment, under adverse conditions, however, should not be the cause of undue satisfaction on the part of either the staff or the public. The increased use of the library throughout the country indicates the importance it is assuming in the world of today. Realization of this trend is reflected in high places, in the action of the Congress of the United States, which last session extended the Library Services Act for rural communities for another five years, and again in the recent legislation passed by the General Court of the Commonwealth authorizing "the expenditure of \$1,000,000 in fiscal 1961 for direct grants-in-aid to cities and towns for public libraries therein which meet certain minimum standards of service", and a "sum of \$768,000 for the establishment of regional library service".

The use of the Robbins Library in 1960 by school children and college students is an indication of the importance of libraries in the field of formal education today. The impact of the accelerated school program has struck almost overnight. For years, young people have been invited, urged and all but coerced to use their libraries. Many of them did. More did not. Within the space of the last two or three years, however, they have descended "en masse". Now they can scarcely be accommodated.

The following statement is attributed to Dean Adolfson of the University of Wisconsin. "The rapid growth of knowledge in all fields has reached astronomical proportions. Our knowledge of the physical world is doubling every fifteen years. New knowledge pours from our research laboratories at an ever-increasing rate. I cannot predict - nor can you - what kind of a world our children will be living in four years hence We are now at the point where we must educate people in what nobody knew yesterday, and prepare people in our schools for what no one knows yet, but what some people must know tomorrow."

Libraries play an essential part in this educational program. It is common knowledge that elementary, secondary schools and colleges cannot function without the aid of libraries, school and public. As school programs expand, the library program must expand. Changes in, and additions to, the school program create new demands on the library. More reference tools are needed, more books, materials, equipment, and work space and above all, more trained personnel become necessary.

But it is not only in the field of formal education that the library has been called upon to expand its horizons during the past few years. The great and growing needs of adults for information, for education, for life-long learning, and for leisure time activity are represented by the demands made upon the library by technical and professional workers, housewives, parents, and the increased number of older people in our population; they have recognized the potential of the library and are using it in ways which indicate its importance in the community today.

It is recognized throughout the State that Arlington has been, and is, one of the better supported libraries, but few communities in the Commonwealth can be really proud of the amount spent on their public libraries in the light of today's needs. Arlington is no exception. It has a good library but it needs a better one to serve its townspeople adequately.

A brief summary of some of the tangible results of the year's work and of the program carried on by the Robbins Library follows. The intangibles, which are many, cannot be measured. For every person who enters the library and asks for help, another comes in and helps himself. Still another approaches the Readers' Adviser's Desk and says, in effect, "three years ago the librarian let me use a book which was just what I needed. I have a new problem and I must have that book again. Can you find it for me?" Until that moment, the librarian had been unaware of the important service she had rendered three years before. Yet another comes accompanied by her

children and asks, "do you still have story hours for the children? In my childhood they were my introduction to books and are the source of many happy memories." A research worker, writing a book, working on a problem, preparing a paper, finds the material he needs, uses it in his work which often reaches out to influence or benefit many. How can such services be assayed? The tangible ones must suffice.

DIRECT SERVICES TO THE PUBLIC

"The key to a broader world is the posession of books,
but if the door stands wide open, there is no need of a key.
It is the business of the public librarian,
to keep the door open....."

REFERENCE and READERS' ADVISORY SERVICES

"Will you tell me?" "Can you give me?" "Do you know?"
"Nothing's so hard, but search will find it out."

Questions were asked and questions were answered.

Main Library

Reference Room and Readers' Adviser	7,457
Music Department	2,133
Young People's Department	2,450
Junior Library	2,579
Dallin Branch	2,111
East Branch	3,256
Total	19,986

A sampling of the questions is herewith included:

How to raise and train falcons - Use of solar energy to run a motor - Massachusetts law concerning a lunch period for teachers - The patron saint of singers - Information about Papal flag - Proportion of ingredients in manufacture of Nitro-cellulose - Flags of 12 tribes of ancient Israel - Bone structure of a turkey - Article on Beatnik psychology - Material on imagery in Shakespeare - Picture of snow crystals - Information on ultrasonic whistles for dogs - Who cast 19th vote of "not guilty" in impeachment of Andrew Johnson - Picture of earliest calendar - Anti-biotic effect of saliva - How to place inventions - History of the electoral college - Method of forming crystals from coal - Psychological phenomena - Earthworms for profit - Pennsylvania Dutch hex signs - Siberian meteorite - Criticism of Faust - Social satire in Britain - History of Radio Free Europe - Deaf and dumb language - Material on superstition and science - Material on period before 1500 B. C. - Medicinal flowers.

PROGRAMS and ACTIVITIES FOR YOUNG AND OLD

The Summer Reading Activity promoted by the Junior Library and the Branches in the form of a Wonder Tree Reading Club featuring classics new and old, attracted a total of 767 boys and girls, 250 at the Junior Library, 303 at Dallin, and 214 at East Branch.

Story Hours, Movies and Special Programs planned for Saturday mornings during the winter months were held in the Junior Library Hall and the auditorium at the Dallin Branch. 64 such programs attracted an attendance of 2,585 children. "Specials" were presented by girl scouts of Troop 4, Mrs. Rita Skinner and the Hilltop Players, Brownies of Troop 102 and pupils of the Doris Hackett School of Drama and Speech. Unfortunately no Saturday morning programs could be planned at the East Branch due to lack of proper facilities.

National Library Week and Book Week were observed. The special features of National Library Week were an evening of Book Reviews presented by Miss Edna Peck of the Boston Public Library and the special book exhibits and displays placed in strategic store windows throughout the town through the courtesy of store owners. Displays of new books, a puppet show for children, school visitation, and visits by school classes to the Junior Library and the branches highlighted the Book Week Program.

Schools, as usual, played an important part in the program of the library during the year. Instruction in the uses and resources of the library was given to all sophomore classes of the Vocational High School by the Young People's Librarian, to 24 seventh grade classes at the Junior High East by the Supervisor of Children's Library Activities, to 38 classes by the Librarian of the East Branch and to 16 classes by the Dallin Branch Librarian. Book Talks were also presented to many classes by various members of the staff. Collections of books to help students with their assignments were assembled in all departments and held on reserve for use by the pupils. Sets of books were sent to the schools. Although the number of collections sent from the Junior Library decreased during the year, due to the establishment of elementary school libraries, requests for sets for Junior and Senior High School use increased. The Arlington High School, Vocational High School, and both Junior High West and Junior High East received books. Booklists were prepared for the fourth, fifth, sixth grades, and the Junior High Schools; these lists were mimeographed by the School Department and distributed to all pupils. Through the R. V. T. (Read, View, Talk) group, a club sponsored jointly by the Young People's Department and the High School, the young people were given opportunity to give book reviews, watch films, participate in discussions and listen to speakers. "Astronomy", "the Philippines", and "Costume Make-up", were the subjects of three speakers in 1960. Another cooperative effort is the reading program which is carried on during the school year with the elementary grades. Certificates for each five books read and reported are issued and Honor Certificates are given for twenty books read. 1,110 certificates were issued in 1960.

A most important program now in effect is also a cooperative one with the schools, namely the elementary School Library Program. Nine basic libraries are in operation. Rooms, equipment and money for books for these libraries are furnished by the School Department; the purchasing and processing of books and the professional librarians to carry on the program are supplied by the Robbins Library, one librarian shared by two schools. In most instances each class visits the school library for one period each week and at this time the boys and girls, after class instruction, may each select one book to take home. Circulation figures for the various schools are as follows: (comparison with 1959 statistics is not possible inasmuch as only seven libraries were then in operation)

1960

Bishop	7,278	Hardy	8,107
Brackett	1,343	Locke	5,725
Crosby	5,820	Parmenter	787
Cutter	1,587	Thompson	<u>8,268</u>
Dallin	6,026	Total	44,941

SERVICES IN THE INTERESTS OF THE PUBLIC

"A library's strength lies in the wealth of ideas,
the thousands and millions of thoughts in the pages of all the books."

In 1960, over 15,000 new titles were published in the United States alone, not including reprint titles, paper bound editions or titles imported from other countries. Out of this number, the Book Selection Committee, made up of the Professional Staff members, selected as many of the best, the most useful, interesting titles, and those of most lasting importance, as the library book budget would allow, keeping in mind that this same book budget must also cover replacements of old titles, purchase of new editions, reference books and duplicate copies for the branches. After selection has been made, the work of cataloging and processing becomes that of the Technical Services Department, which controls the book collection. During 1960 this department cataloged and processed 8,537 volumes, and withdrew 4,983. Included in the withdrawal figure are titles which were discarded as out of date or worn out, books missing in inventory and books not returned by borrowers. According to the Technical Services Department, the number of volumes included in the Robbins Library collection on December 31, 1960 was 130,849. This figure does not include the books purchased for the elementary School Libraries which are in effect the property of the School Department. 2,500 school library books were also processed by the Technical Services Department in 1960.

Just as books must be selected, so must phonorecordings for the Music Room. New records must be purchased, gaps in the collection must be recognized and filled, and decisions made in replacement of worn-out records, all within the limitations of the budget. This important work, as well as that of cataloging and processing has been the duty of the Music Librarian. In 1960, 444 new albums were purchased, catalogued and processed and 284 discarded. On December 31, 1960 the collection included 2,483 albums.

The Music Librarian also handles request for films. "During 1960", she stated, "the use of films by the public slowly but steadily gained. The increase over 1959 was 45. The source of the films has been the Massachusetts Department of Education, and since last September, Canadian Travel Films, Ford Films, Association Films and Radiant Films have been available."

Other services in the interests of the public are itemized below:

5,171 books were reserved for borrowers.

132 titles were borrowed by special request through the Inter-Library Loan.

19,374 notices were sent to borrowers reminding them of overdue books.

45 visits were made to homes for books not returned.

78 visits were made to the hospital by the hospital librarian.

324 groups were given the use of the Junior Library Hall and 81 groups used the Dallin Branch Auditorium.

3,511 new borrowers were registered - 2,113 at the Main Library, 653 at Dallin, 745 at East Branch.

In their desire to keep abreast of the times and to give Arlington the benefit of modern library procedures, several staff members took library courses at Simmons College, many attended Massachusetts Library Association and New England Library meetings, as well as other professional and educational conferences. The Librarian attended the Joint Conference of the American Library Association and the Canadian Library Association held in Montreal in June.

In addition to attending meetings, several of the Staff members held offices in these professional associations and on committees.

THE PUBLIC'S SERVICE TO THE LIBRARY

The Robbins Library has benefited in many ways during the past year through the kindness of both individuals and groups, many in number. Gifts of flowers, books, and magazines have been received, exhibits of many kinds loaned to the Branches as well as to the Main Library. To these friends, the library is most grateful.

The newspapers, too, have been generous in the coverage of library news and have presented stories accurately and fairly. To these, too, the Library gives thanks.

AN APPRECIATION OF SERVICE RENDERED

In the face of ever increasing work loads and a shortage of personnel, the staff has given loyal support to the library program during 1960. Each member has contributed to the success of the year's work; the willing cooperation and assistance is appreciated by the Librarian. The custodians also deserve a word of merit for their work in keeping the buildings attractively neat and clean and in maintaining the grounds in such good condition. To each member the Librarian is grateful.

The Librarian is indebted to the members of the Board of Library Trustees for their leadership during the past year. The whole program of a library hinges on the attitudes, interest, and vision of the Trustees. Arlington is fortunate in having a Board composed of alert, forward looking citizens who have recognized the importance of the library in the world of today.

Most vital in the overall program of the Library, however, is the support of the Town Manager. This the Robbins Library experienced during 1960. His understanding of library problems and his help in solving them are appreciated by both the Librarian and the Staff.

In conclusion, during 1960, each department and branch of the library played its vital role in the overall pattern. The Staff as a whole has been concerned with providing the best service possible to the citizens and from the record, the citizens have made good use of the total resources. As the Chairman of the Board has already noted, alterations to provide more space are currently being made and it is with anticipation that the Library Staff looks forward to meeting the increasing demands made upon it with improved facilities.

Respectfully submitted,

Judith E. Stromdahl
Librarian

Annual Report of the Department of Public Works

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit the Annual Report of the Department of Public Works for the year ending December 31, 1960:

During 1960 the Department constructed Lansdowne Road, Kipling Road and Pheasant Avenue. Columbia Road, Charlton Street, two sections, Alpine Terrace, Decatur Street and Longmeadow Road were constructed by private contractors.

Under the provisions of Article 63 of the 1960 Warrant known as "Construction of Ways" the following streets which had originally been constructed by developers were completed: Lantern Lane, Country Club Drive, Pawnee Drive, Apache Trail, Nicod Street, two sections, Hadley Court, Tower Road and Greeley Circle.

Construction of new concrete and bituminous sidewalks and installation of new curbstone under the provisions of Warrant Article #39 was undertaken and completed in 1960.

The Department has already partially installed underground structures in connection with the Construction of Service Roadway from Pond Lane to Wellington Street. This roadway should be fully completed by late Spring of 1961.

We are also in the process of completing alteration of westerly corner of Park Avenue Extension at Summer Street under Article #42. Alteration to corner of Bow Street and Oakledge Street under Article 89 will be completed in early 1961 when weather permits.

The program of maintaining public sidewalks originally constructed of concrete continued during 1960 and it is to be hoped that funds will be provided in 1961 for the continuance of this vitally needed project.

A reinforced concrete island was constructed in the center of Massachusetts Avenue running easterly from Pleasant Street. The Department also performed many miscellaneous jobs in conjunction with the newly located Mystic Street.

On November 1, 1960 after the Town of Arlington had legally taken possession of property at #51 Grove Street, formerly owned by the Mystic Valley Gas Company, the department immediately started the project of making this area and buildings suitable for a Public Works operation. There is still much work to be done but it is hoped that by the summer of 1961 we can move all functions of Public Works to this new Town Yard.

Our Storm Drain System was extended in various locations as follows: Brattle Place and through Private Lands to Hemlock Street; Homer Road and vicinity; Cemetery Street; Day Street Culvert; Grove Street Place westerly; Massachusetts Avenue at Marion Road and construction of catch basins in many locations.

We continued our policy of systematically cleaning storm drain mains with their appurtenant manholes and catch basins.

All of our public roadways were swept many times during the year of 1960 by means of our power operated sweepers. Every effort has been expended to make Arlington a clean Town to live in.

Sewer mains and Water mains were installed in various locations throughout the Town. Private developers installed many sewer, water and storm drain mains and connections in which instances we provided all inspection.

Maintenance was performed on our entire water system which has grown tremendously in the last decade. This system is presently functioning in a most efficient manner. Tests of hydrant pressures are carried out periodically by the Fire Department and any defects which are noted are immediately repaired by our Water System Maintenance Craftsmen. The cooperation of the Fire Department in this program has aided greatly in keeping our Water System efficient.

The Sewerage System was flushed and cleaned in that area from Medford Street to the Somerville Line, north side of Massachusetts Avenue. We also cleaned other mains throughout the Town which require more constant attention due to the minimum of gravity flow in some instances. With our Seweroder machine we are able to service a much greater area and in a more efficient manner. We continued to provide service to those property owners whose particular sewer service became clogged and once again feel that this service which oftentimes is performed during the night, Saturday or Sunday is greatly appreciated by those in distress.

Public roads and sidewalks were maintained, and 31,568 linear feet of roadways received a sealcoat treatment. This is a means of continuing the life of a roadway surface thereby deferring the costly expense of reconstructing the roadway. This program must of necessity be continued.

Rubbish was collected from all dwellings and most business establishments throughout the Town. A new Route Collection System was inaugurated and it is proving to be considerably more efficient than the old system. The Public acceptance of this new Route System has been extremely good. We are still using the area on Summer Street just east of Reed Street as a Land Reclamation Area. This area should care for our rubbish disposal program for several years. The modernizing of our Rubbish Fleet has aided greatly in the speeding up of this collection. In spite of the steady increase of new dwellings each year we are still using the same number of trucks for this function.

Hurricane "Donna" struck on September 12, 1960 with its gale winds and heavy rainfall. There was considerable flooding in many areas and the Department aided many residents in pumping out basements, etc. We hired five (5) pumps in addition to those pumps owned by the Town. The power failure caused our sewer pump chambers to fill up, necessitating their being pumped out, with some damage to the electrical systems. Catch basins became overloaded and it was necessary to clean the roadways of debris.

Under the provisions of Article 38 of the Warrant, "Improvement of Volume and Pressure - Water System" we continued to improve our Water System in various ways. We cleaned 18,613 feet of Water Mains throughout the Town; eliminated dead ends between Brattle Park and Brattle Street; and from Boulevard Road into Massachusetts Avenue. We constructed and put into operation Calgon chambers at Park Avenue and Paul Revere Road; Park Circle and Cedar Avenue; Eastern Avenue at Highland Avenue; Broadway at Palmer Street; Forest Street at Aerial Street; and Park Avenue at Prospect Avenue. Pitometer manholes were constructed at #13 Brattle Street, Forest Street at Pierce Street and Prospect Avenue at Park Avenue.

Water Mains Cleaned - 1960

Cedar Avenue - Oakland Avenue to Perkins Street	1,140 feet
Hawthorne Avenue - Coolidge Road to Park Avenue	1,778 feet
Coolidge Road - Gray Street to Hawthorne Avenue	1,208 feet
Perkins Street - Cedar Avenue to Grandview Road	488 feet
Grandview Road - Gray Street to Eastern Avenue	1,812 feet
Pine Ridge Road - Gray Street to Hawthorne Avenue	1,196 feet
Kenilworth Road - Gray Street to Hawthorne Avenue	1,130 feet
Robbins Road - Gray Street to Hawthorne Avenue	1,142 feet
Fountain Road - Gray Street to Hawthorne Avenue	1,154 feet
Buena Vista Road - Gray Street to #32 Buena Vista Road	446 feet
Eastern Avenue - Highland Avenue to Park Circle	2,520 feet
Park Avenue - Massachusetts Avenue to Oakland Avenue	2,339 feet
Westminster Avenue - Lowell Street to Lexington Line	2,260 feet

We continued our program of keeping all streets plowed, salted and sanded during the Winter season. Every effort was expended to make this operation adequate and efficient. It is quite clear that the residents of Arlington are accustomed to and expect good service.

Skating areas were flooded and maintained in many areas throughout the Town.

We performed many services for other Departments:

Board of Selectmen -

Maintained, delivered and set up voting equipment in all Voting Precincts in the Town.

Committee on Swimming Conditions - Arlington Heights Reservoir -

The Department supervised and installed sand for swimming area.

Fire Department -

Constructed new black-top parking area at Central Station.
Repaired interior walls at Highland Fire Station.

Maintenance of Public Buildings -

Installed bituminous concrete walk from Robbins House to Maple Street.
Renovated old Center Railroad Station which is to be used as Headquarters for Veterans of Foreign Wars.

Park Department -

Constructed bituminous concrete walk at North Union Street Playground.

Library Department -

Installed additions to bookcases and installed new shelving at East Arlington Branch.
Performed extensive woodworking renovations in Main Branch, Arlington Center.

School Department -

Installed bituminous concrete walk at Hardy School.
Constructed bituminous concrete playground area at Junior High East.
Constructed bituminous concrete playground area at Junior High West.
Installed new drain and bituminous concrete area at Bishop School.
Removed curbing and extended concrete driveway at Brackett School.

The Department continued to maintain and service the vehicles and equipment for all Departments other than Fire and Police. With our own fleet which consists of Walter's Snow Fighters, large trucks, small trucks, tractors, power shovels, cranes, road graders, front end loaders, compressors, diaphragm and centrifugal pumps, road rollers, etc., we are maintaining approximately 135 pieces of equipment. Our operation has become almost entirely mechanized. As previously, other Departments are allowed to draw upon our items which are purchased in quantity.

The following are the net expenditures made by the Department of Public Works.

General Administration	\$ 93,170.11
Highway, Maintenance and General, including Snow and Ice	392,454.81
Capital Outlay	49,784.29
Maintenance of Public Sidewalks	14,447.87

ARLINGTON WATER WORKS

Arlington, Middlesex County, Massachusetts

Population by census of 1960, 50,745.

Date of Construction Low Service System, 1872; High Service, 1894.

By whom owned, Town of Arlington.

Source of Supply - Metropolitan Water System.

Consumption

1. Estimated total population at date, 51,000.
2. Estimated population on lines of pipe, 51,000.
3. Estimated population supplied, 51,000.
4. Total consumption for the year, 1,858,567,000.
5. Percentage of consumption metered, 100%.
6. Average Daily Consumption 5,078,100.
7. Gallons Per Day Per Capita, 102.

Distribution

(Including Auxiliary Supply from Old Reservoir)

Mains

Six thousand, eight hundred sixty-seven (6,867) feet of new water mains were laid during the year and sixteen hundred and three (1603) feet of mains were re-laid during the year and connected with the Metropolitan System. Details of regular water main installation will be found in Table VIII.

1. Kind of pipe; cast-iron, cement and transite.
2. Sizes, from 4 inch to 16 inch.
3. Extended feet during year, 6,867.
4. Number of feet renewed during year, 1603.
5. Discontinued during year, 1603.
6. Total now in use, 121.61 miles.
7. Cost of repairs per mile, \$176.11.
8. Length of pipe less than 4 inches in diameter, 0.
9. Number of hydrants added during year, 17.
10. Number of hydrants now in use, 1303.
11. Number of stop gates added during year, 26.
12. Number of stop gates now in use, 3049.
13. Average pressure on mains at center of Town, 110 high system, 80 low system.

Services

Two hundred and eleven new services have been added during the year and four abandoned. There are for all purposes, 4293 on the low, 7509 on the high and 5 on the old Reservoir system. On the Metropolitan water supply there are 87 for municipal purposes, 44 sprinkler services, and 50 for sewer flushing purposes included in the above. On January 1, 1961 there were 212 services temporarily out of use.

1. Kind of pipe: copper, cement-lined, black wrought iron and lead and 3" to 6" cast iron.
2. Sizes, 1 inch to 6 inch.
3. Number of service taps added during year, 211.
4. Number of services abandoned during year, 4.
5. Number of services now in use, 11,807.
6. Percentage of services metered, 100%.

Meters

Two hundred and eleven (211) meters were set during 1960 on services installed in 1959-1960. The total number of meters in use January 1, 1961 was 11,807.

Report of the Public Welfare Department

January 16, 1961

Honorable Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit my report for the Public Welfare Department for the year ending December 31, 1960.

CASE LOAD PER MONTH

	Welfare Aid	Old Age Assistance	Aid to Dependent Children	Disability Assistance
January	33	469	26	43
February	32	466	27	43
March	35	463	26	45
April	37	462	28	47
May	34	461	26	46
June	32	456	25	44
July	35	450	22	44
August	35	449	22	42
September	34	442	22	42
October	34	449	22	42
November	35	442	22	40
December	36	444	23	39

MEDICAL AND DENTAL CLINIC:

349 visits were made to our Medical Clinic by recipients who had established their eligibility to receive assistance under one of the five categories listed below.

Summary:

Welfare	89
Medical Assistance for the Aged	0
Old Age Assistance	150
Aid to Dependent Children	92
Disability Assistance	18
	<u>349</u>

156 visits were made to the Clinic for Dental care.

WELFARE AID:

Total Expenditures	\$20,845.65*
Less Reimbursements	
State	\$385.81
Cities and Towns	2,436.11
Individuals and Estates	0.00
	<u>2,821.52</u>
Net Expenditures	\$18,023.73

* - \$2,347.24 - Paid to Other Cities and Towns

* - \$2,034.09 - Paid to Institutions

** - Part payment - Claim in dispute

WELFARE AID was granted to 44 cases including 89 persons

35 Families were aided under this category of relief, including 102 persons, 58 children under 16 years and 6 children between 16 and 18 years of age and attending school.

DISABILITY ASSISTANCE

Total Expenditures		\$54,425.74
Less Reimbursements and Grants		
Federal Grants	\$21,466.06	
State	19,123.81	
Individuals and Estates	<u>136.25</u>	<u>40,726.12</u>
Net Expenditures		\$13,699.62

Disability Assistance was granted to 56 persons.

An analysis of gross and net expenditures for 1960 in comparison with 1959 reveals the following results;

The 1960 gross for the five categories of aid amounted to \$674,025 (cents omitted) as against \$707,423 in 1959. This was a decrease of \$33,398 or approximately .047. The 1960 net was \$50,802 as against \$95,503 in 1959 a decrease of \$44,701 or approximately .468. The wide spread between the percentages of gross and net is due largely to Lien Recoveries which have not been distributed. They can move both swiftly or slowly.

Cross currents are always at work. Decreases in case loads are offset by higher rates for hospitals and nursing homes. Standards of Assistance have been raised by the State Department for the benefit of recipients. At the same time the Federal Government increases grants to the State, a share of which is passed onto the Cities and Towns.

Recognizing that Medical Costs constitute nearly 50% of all expenditures the Federal and State Authorities have created a new category called "Medical Assistance for the Aged" (MAA). The State Legislature passed the Act in late November but made the measure retroactive to October 1, 1960. It's proponents claim it will save \$12,000,000 annually. Federal share will be 50%, State 1/3 after Federal and Local the balance which figures 1/6.

It is too early to assess the merits of the new program. Obviously it will require an increase in personnel, possibly two workers, one social worker and one clerk, and a lot of paper.

The Board of Public Welfare continues to meet monthly with the Director and two Social Work Supervisors. New cases and changes in all categories are examined for approval, adjustment or denial. There is also supervision of Administration by the State Department of Public Welfare. State and Federal Personnel audit at regular intervals. Each month the Board of Public Welfare members go into Executive Sessions with the Director to review Administration matters.

The Board of Public Welfare is organized as follows:

Mr. Cornelius F. Collins, Chairman	
Mr. Walter T. Kenney) Members
Mr. William J. McKeever	
Mr. George V. Morse, Director and Secretary	

More than ever do I wish at this time to extend my thanks to you, to the members of the Board of Public Welfare and to all officials, department heads and employees of the Town who have assisted me and members of my Staff with courtesy and dignity throughout the year. I also wish to thank the social agencies, service organizations, church and civic groups and individuals for their many services. And I further wish to commend my Staff and the Field Representatives of the State Department of the Public Welfare without whom we could not function. Our tasks are growing all the time but so are the needs of our clients whom we must not let down.

Respectfully submitted,

George V. Morse

Director of Public Assistance

Report of the Town Manager

February 20, 1961

Honorable Board of Selectmen
Town Hall
Arlington 74, Massachusetts

Gentlemen:

Herewith is submitted my report for the year ending December 31, 1960 which will be my eighth annual report (1953 to 1960 inclusive) since my appointment as Town Manager on May 1, 1953.

Broadly speaking, the dominating factors in connection with our constantly increasing local tax rate, are as follows:

1. Inflation - higher costs of labor, materials, and services affecting all town appropriations;
2. Increased State & County Charges for M.D.C. Sewer and Parks, M.T.A. Deficits, County Hospital and County Charges, and Town Overlay;
3. School Construction Program in the Town;
4. Uncontrollable and non-administrative factors in the Town's appropriations such as Debt and Interest, Group Life and Health Insurance, Pensions, Stabilization Fund, Street Construction and Reconstruction, Purchase of the Grove Street Property of the Mystic Valley Gas Company for the construction of new Town Yard facilities.

It is very important to point out at this time that the lagging behind of the Commonwealth in connection with payments to the Town has an adverse effect upon our free-cash and an adverse effect also on our 1961 Tax Rate--in fact, the slowness of the Commonwealth in making proper payments to Cities and Towns, especially the Town of Arlington, is double-barrel in its effect on our financial economy in that it not only reduces the amount of free-cash which may be transferred to alleviate the expenditures to be made in connection with the 1961 Tax Rate, but it also reduces the "Estimated Receipts" which will be used in computation of the 1961 Tax Rate. As example of this "Lagging Behind," I cite state reimbursements under "Charities" which were due the Town in 1960 wherein the actual receipts from the Commonwealth were deficient by \$21,533.53; this "Lagging Behind" is just a typical example of state slowness in reimbursing the Town; there are other areas also where this deficiency exists. In connection with Motor Vehicle Excise Taxes it is also important to point out that the slowness of the State in processing motor excise taxes cost the Town of Arlington during the year that just ended the amount of \$32,050.28, some of which may very well be defaulted during the year 1961.

M.T.A. Deficits are becoming almost confiscatory insofar as the Town's allocated payments are concerned. During the year 1960 there was included in the Arlington Tax Rate the total of \$369,224.72 covering the M.T.A. Deficits which the taxpayers of Arlington had to defray--reflecting in excess of \$4.00 on the Arlington Tax Rate. There is before the Legislature, at the present time, a petition by the City of Boston for the re-allocation of M.T.A. Deficits, which, if approved, will practically double the M.T.A. Deficit to the Arlington Taxpayer.

The 1960 Annual Town Meeting authorized the acquisition of the old gas company property on Grove Street for re-construction and re-modeling into a Town Yard with the intention of abandoning the old Town Yard on Massachusetts Avenue. The re-modeling of this very excellent facility should be concluded in the early summer of 1961, at which time, all of the present facilities at the Massachusetts Avenue Town Yard will have been converted to the new Grove Street Town Yard. The 1960 Annual Town Meeting also authorized the Selectmen, when the old Town Yard was abandoned, to sell or otherwise dispose of it to the best interest of the Town of Arlington. This area should be excellent for industrial purposes for many reasons.

In an effort to combat the growing infectious cancer of juvenile delinquency, there was formed in the year that just ended the Arlington Youth Council, made up of representatives from practically all of the organizations, including church organizations, throughout the Town. This new Council is dedicated to the physical, mental, spiritual and social improvement of youth, and it has another purpose of coordinating all of our Town organizations to these objectives. All those who have participated in the conferences of the Arlington Youth Council are very enthusiastic in this very desirable community effort to reduce to a possible minimum the infection of juvenile delinquency in the Town. Because of the tremendous tasks involved, the Arlington Youth Council has spent most of its time so far in organizational matters; during the year of 1961 it is to be reasonably expected that the effects of this worthwhile community venture will be quite noticeable.

The failure of the Legislature once more to enact a sales tax during the 1960 Legislative Session was a dull blow to the Cities and Towns of the Commonwealth. Certainly, something must be done to increase the disbursements of the Commonwealth to the Cities and Towns to take care of their ever growing and increasing tax rates on the residents, which tax rates are practically confiscatory, especially to home owners on pensions or with otherwise fixed incomes.

Arlington Center Improvements initiated during the year 1960 were substantially completed before the year's end; however, much more needs to be done in connection with the further expansion of the Russell Common Metered Parking Lot and the landscaping of the entire area if the improvements are to attain the intended purposes of said overall improvement of the shopping area. It is to be hoped that local business men will now take major steps to improve their own shopping establishments from a standpoint of quality and selection which was originally given great emphasis while the entire matter was being discussed.

The current year witnessed a continuance of efforts to maintain public service to the residents at the lowest possible cost. Economies have been made wherever possible; new equipment has been purchased and new methods have been inaugurated to improve efficiency in the Public Works Department.

May I respectfully point out that the services rendered to the public by all town departments are, in my opinion, equal if not the superior of the services rendered by the employees of any city or town in Massachusetts, bar none!

In previous annual reports, I have explained at length the impact of our necessary school expansion program upon our local tax rate. In this 1960 Annual Report, I simply present the following brief summary which is self-explanatory:

COMPARISON OF SCHOOL DEPARTMENT TAX RATE AND

ALL OTHER DEPARTMENTS TAX RATE

	<u>1953</u>	<u>1960</u>
School Tax Rate	\$16.18	\$30.14 + \$13.96 + 86%
All Other Depts. Tax Rate	<u>41.42</u>	<u>48.16</u> + <u>6.64</u> + 16%
Total Town Tax Rate	\$57.60	\$78.20 \$20.60 + 36%

Reports of Town Manager Departments follow:

ARLINGTON DEVELOPMENT COMMISSION -- The major step in the redevelopment of Arlington Center, the relocation of Mystic Street, was completed during the year. Its full implementation, however, will not be realized until the Spring or early Summer of the ensuing year when Russell Common metered parking area will be expanded and the relocated Mystic Street will be properly landscaped, at which time the appearance and utility of Arlington Center will be greatly improved. The Commission has been authorized by the Board of Selectmen to seek a purchaser for the Old Town Yard site, which will be available for sale around July 1 of the coming year.

Dynamic leadership of the Chamber of Commerce and local merchants is needed to implement this great improvement to Arlington Center, which has resulted from the vision of the Townspeople in authorizing such great expenditures for this improvement. The Commission continues its sincere interest in the Star Market property on the Concord Turnpike; it expresses the confidence and hope that problems that have heretofore delayed the development of this long-delayed shopping center will soon be resolved. The Commission continues its sincere interest in areas throughout the Town which may possibly be developed in one way or another for the promotion and stimulation of the business development and permanent improvement of the Town. The members of the Commission are to be sincerely thanked for their very capable, intelligent, and unselfish contributions to the Town's present and future economy.

BUILDING DEPARTMENT -- Because of Area limitations, the saturation point for single family houses is being approached rather rapidly; however, zoning changes in connection with the building of apartment houses have stimulated this type of construction during the past year. There is no doubt that the building of apartment houses in the Town will definitely accrue to the advantage of the Town's financial economy. The Department has been most energetic in the enforcement of the Zoning By-Laws during the past year on the premise that the proper enforcement of such Zoning By-Laws will be a major factor in the determination of the Town's future social and financial economy.

CEMETERY DEPARTMENT -- Repairs and replacement to the exterior masonry on the Chapel building were completed during the year. Further progress was made in the development of land on the westerly side of Mill Brook. Four hundred and three internments in Mount Pleasant Cemetery were made as compared with four hundred and one in the previous year; this establishes a new record for internments in any one year in the history of the Cemetery. The superb maintenance of the Cemetery in all of its aspects is a credit to the Superintendent and his fellow employees. Their dedicated service is the subject of considerable commendation from all who visit the area.

CIVIL DEFENSE -- The year that just closed witnessed a continuation of general public apathy in connection with Civil Defense matters. The Civil Defense Director is doing a prodigious job in coordinating the efforts of all of those civic-minded people who participate directly in Civil Defense efforts. The Auxiliary Fire Department and the Auxiliary Police Department continue to render invaluable services to the Town of Arlington.

Hurricane Donna hit Arlington on Monday, September 12, 1960, at which time all Civil Defense personnel were enlisted during the period of emergency which, fortunately, did not last too long; the damage to the Town was estimated approximately \$25,000.

Once again, the Town of Arlington was able to acquire much Government surplus in the value of \$23,165.85 at a cost of \$1,085.48; and the Town was also able to collect one half of telephone costs and one half of electric costs under the Matching Funds Program. It is my hope during the coming year that the Civil Defense Department can recruit or enlist a number of highly skilled operators of heavy equipment, trucks, bulldozers, shovels, mechanics, graders, etc. During extended periods of snow storms, they could be enlisted to take over many of the essential duties of the rank and file of the skilled men in the Public Works Department who have spent extremely long hours on their work during the emergency and have reached a point of exhaustion. This recruitment may take considerable time, but I am reasonably certain that if we apply ourselves to the task, we will eventually attain this objective and probably have available to us a group of skilled citizens who could render services equally as valuable to the Town as have been rendered so often in the past by Auxiliary Police and Auxiliary Fire Fighters.

ENGINEERING DEPARTMENT -- Designed, provided estimated costs, staked and laid out lines, grades, etc., for the various construction projects built by or for the Town. Supervised and inspected the work of contractors. The Relocation of Mystic Street under the Chapter 90 Program in all phases of Study Plans, conferences and hearings with the State Department of Public Works, the County Commissioners, the Department of Public Utilities and the Boston and Maine Railroad, also the consultants,

engaged considerable time of the Engineering personnel during the year. The Drake Road Bridge and approaches, designed by this Department two years ago, were completed during the past year. The excellent work of this Department continues under the supervision of Town Engineer W. H. Roby, who has rendered noteworthy and outstanding services to the Town.

DRAINAGE -- Recognized by all who have knowledge of the subject, a long-term drainage improvement program needs to be inaugurated soon. A comprehensive study of Town drainage by Town Engineer W. H. Roby has been in process for several months. It is expected that a five-year or more drainage program will be recommended soon, with approximately one fifth of the total estimated costs being recommended to be done in 1961, to be continued each year until the entire system has been brought into A-#1 condition; thus, flooding pursuant to flash storms will be eventually eliminated. The cost of this long-term program will be approximately \$25,000 per annum until substantially completed five or six years hence, at which time it should be reviewed.

FIRE DEPARTMENT -- Fire prevention and in-service training continued. Fire drills in schools, dwelling inspections, hydrant inspections, company drills intensified. Fire and Police Signal System maintained, new Fire Alarm Boxes installed. Fire fighters continued the practice of participating in the building maintenance problems of the various Fire Stations. Major repairs of fire apparatus were undertaken by the Fire Department Mechanic at considerable saving in labor cost to the Town. Commendatory letters continue to be received from the citizens expressing their appreciation for the services rendered by Fire Department personnel during periods of personal emergencies.

The Committee studying the Town's two-way radio facilities is in the process of submitting recommendations that action be taken by the 1961 Annual Town Meeting in accordance with a directive received from the Federal Communications Commission. This latter observation affects as well the Police Department.

BOARD OF HEALTH -- All Public Health functions of the Department were performed in the usual way, such as communicable diseases, licensing, tuberculosis, clinics, milk inspections, physical examination of pupils at parochial and other private schools, dog vaccinations, etc. During the year the Board of Health Commissioners voted to have the Board of Health Physician examine children in the parochial and private schools of the Town; the implementation awaits only the restoration to full health of the Board of Health physician. During the year the Board of Health extended extraordinary services to residents in a few areas of the Town which had been bothered by rodents migrating for one reason or other from other sections of the Town or nearby communities, which program was completely effective.

LEGAL DEPARTMENT -- Various bills in equity resulted in favorable decrees in favor of the Town. Substantial monies for aid by the Board of Health and by the Welfare Department were recovered. Miscellaneous claims were processed and settled with the approval of the Board of Selectmen and the Town Manager. Legal opinions were given to practically all Town Departments and agencies. Several important damage suits face the Town in the ensuing year with particular emphasis on Mystic Street re-location and Massachusetts Avenue widening.

LIBRARY -- The Robbins Library continues to be an outstanding example of a good Public Library. During the year just closed, concrete plans were developed for the renovation of the Main Library to meet the needs of the community for improved and expanded library service. During the year, the final phases of the Elementary School Library Program came into being. Personnel problems continue a major concern. In September, 1960 the position of Supervisor of Technical Services was established. In September, 1960 the bid of Michael Racioppi was accepted and a contract for \$34,700 awarded for the construction of the long-needed elevator to the gallery. We have one of the finest libraries in the Commonwealth, and it is my sincere hope that the changes contemplated to be made in the physical plant will further enhance the ability of Library and Library Personnel to improve efficiency and render additional constructive and cooperative services to the residents of the Town.

MAINTENANCE DEPARTMENT -- All required maintenance and repairs to schools and other buildings were done. For details of the tremendous work accomplished, reference is made to the Departmental report itself appearing elsewhere in this Annual Report. Thanks to the work of the Maintenance men and of the custodians, the schools on opening day were a credit to the Townspeople. Outside school people who visit the Town rather frequently are rather amazed at the well-kept condition of our school facilities.

PARK AND RECREATION -- General maintenance of the eighteen fields and recreation areas continued, with emphasis on seasonal activities. A retaining wall was constructed to the rear of the grandstand on the north side of the Warren A. Peirce Field. The Robbins Barn was demolished by authorization of the 1960 Annual Town Meeting. Approximately 5,000 square feet of area at the Meadowbrook Park was graded for larger and better skating. Fifteen hundred tons of sand were dumped on the Reservoir Beach area to improve further the swimming area. With the co-operation of personnel of the Public Works, Cemetery, and the Tree Departments, skating areas were well maintained to assure pleasure to the residents in the fifty two days of safe skating during the year. Increasing demands for flower beds throughout the Town are straining the personnel and equipment of the Park Department.

Among the recreational activities supervised directly or indirectly by the Park Department were Skating, Golf, Boating, Basketball, Softball, Baseball, Archery, Ballroom Dancing, Arts and Crafts, Tennis, Swimming, Summer Playground, attendance at Boston Red Sox Games, attendance at a stage play at Tufts University, Magic Circle Theatre, Annual Weenie Roast, Annual Field Day, Pee Wee Hockey, and the Golden Age Club. Participated in the discussions of the newly-formed Arlington Youth Council, one of whose objectives is the physical fitness of youth. The position of a qualified professional female recreation supervisor on a full-time basis remains unfilled. It is to be sincerely hoped that during 1961 we will find a qualified professional person for this very important supervisory position. Although the Superintendent has recreational personnel for the various seasonal activities, he is burdened with the double responsibility of maintaining facilities and programming activities. Generally speaking, parents of the Town's youngsters are well pleased with the variety of recreational programs offered by the Park and Recreation Department, which operates on the premise that a healthy body assures a healthy mind.

PLANNING BOARD -- During the year the Planning Board was able to extend its program in a most important area by securing funds for the preparation of a master or comprehensive plan. For this purpose a Federal Planning Grant of \$10,000 to be matched by Town funds was approved. It is estimated that preparation of this plan will consume about 24 months before final completion. The Planning and Renewal Associates of Cambridge were engaged as consultants in this project which began in September. The Relocation of Mystic Street, from Chestnut Street to Massachusetts Avenue opposite Pleasant Street, was completed during the year. The Planning Board continued to keep abreast of all developments in the various plans that have been advanced for metropolitan or regional planning as it affects the Boston Metropolitan District. Many meetings and hearings were held during the year for the purpose of coordinating public thinking in connection with the future of the Town.

POLICE DEPARTMENT -- Enforcement of traffic violations were accelerated during the year. The campaign against indecent literature continues with reasonable success due principally to the cooperation of local storekeepers. The workload of the Department was accelerated this year because of the opening of the Russell Common Metered Parking Lot and the Relocation of Mystic Street. Juvenile situations are given constant attention with rehabilitation the basic philosophy.

As the year ended, considerable thought is being given to the grading of personnel so as to more satisfactorily evaluate the performance record of each member of the Department. The Chief of the Department was appointed an advisor to the newly formed Arlington Youth Council and has participated in all conferences and discussions of this important independent civic agency.

PUBLIC WORKS DEPARTMENT -- This Department continued to render public services of the highest possible degree. The major work performed during the year consisted as usual of highway construction, highway maintenance including cleaning,

sweeping, seal-coating, snow removal, etc.; rubbish collections including operation of a Sanitary Landfill for rubbish disposal; water maintenance including water services, meter installations, cleaning of water mains, hydrant installations and hydrant repairs; sewer maintenance including cleaning of mains; drain maintenance including cleaning of catch basins and storm drains; installation of water mains, sewer mains, and storm drain mains; construction of sidewalks plus maintenance of public sidewalks; repairs and garaging of all Public Works equipment plus over 30 cars, trucks, equipment, etc. of other town departments; miscellaneous work for other departments including the construction of shelving for the Public Library, the scraping and cleaning off of skating areas for the Park Department, the repair and maintenance and setting up of voting equipment in all voting precincts in the Town, the installation of sand and the grading of the swimming area at Reservoir Beach for the Reservoir Beach Committee, construction of new blacktop parking area at the Central Fire Station, the repair of the interior walls at the Highland Fire Station, demolition of the Old Robbins Barn, the renovation of the Old Center Railroad Station for use as headquarters for the V.F.W., the construction of bituminous concrete playground and bituminous concrete walks for the School Department, etc., etc.

The improvement of the Volumes and Pressures of our Water Distribution System, the need for which was evident at the time of the Crosby School fire several years ago, was substantially completed during the year that just ended. This very important program is expected to be completed in the ensuing year. The Department continued to maintain and service the vehicles and equipment of all other town departments excepting Fire and Police.

There was inaugurated during the year a new system of rubbish collection whereby the rubbish collection routes were re-arranged; if a holiday fell on a particular collection day or if there was a snow storm on that particular collection day, scheduled collections for that particular day would be postponed one week excepting during the Christmas and New Year's weeks. This combination of postponement of collections because of holidays and snow storms will result in direct savings of approximately \$8,000.00 per year in rubbish collections and in untold savings in connection with snow and ice removal because when the rubbish trucks are not working at their regular collection program during snow storms they are used for snow plowing, which reduces the number of rented trucks that the Town needs during the plowing operation.

Only by reading the detailed report of the Public Works Department elsewhere in this book will it be understood and appreciated just how varied and many are the work assignments of this extremely busy town department. In my opinion, the Arlington Public Works Department is second to none in the Commonwealth in the efficient services rendered at the lowest possible cost to the residents.

PURCHASING DEPARTMENT -- The spirit as well as the letter of the town by-law has been complied with, in that competitive bidding has been enforced in practically all town purchases whether or not it is required by said by-law. Obtaining bids on our annual requirements for materials to be delivered as needed throughout the entire year has resulted in substantial savings in view of the rising price tendency throughout the year in practically all materials needed by the Town. The policy of soliciting the interest of local vendors in the Town's purchase requirements continues; where price and quality are comparable, local merchants are favored. As purchase orders are issued, the funds required are automatically encumbered by the Town Accountant which fulfills the two-fold purpose of control of the appropriation, and assurance to vendors of payment when the subject of the Purchase order is delivered to the Town in accordance with the terms and conditions of the purchase commitment.

SNOW REMOVAL -- Economies that were approved by the vast majority of the taxpayers, more particularly described in the 1959 Annual Report of the Town Manager, continued to be put into effect during the year in the removal of snow. Sanding operations continue to be a major factor of cost, especially in our hilly sections where street surfaces are usually glazed almost every night during the winter. As in previous years in order to keep roadways open, plowing and re-plowing are necessary with an eye to the weather forecast. The re-plowing of snow for street

widening purposes is accompanied by some small degree of unpleasantness when residents have to reshovel their driveways pursuant to the pushing back of additional snow from the roadway onto the driveway entrances; fortunately, in this respect, the residents of the Town, generally speaking, are quite understanding.

The rising rental costs of contractors equipment were alleviated somewhat during the year by the utilization of rubbish collection trucks for plowing. Operating economies put into effect do not reduce in any essential way the high-caliber of services rendered to the Town residents following the snow storms. It may be said, however, that the "plush" has been taken out of the plowing and snow removal operations in business areas of the Town. The month of December witnessed the worst snow storm for that time of year in the history of the weather bureau.

STREET LIGHTING -- Based upon the sound principle that good street lighting is a crime deterrent, there was a continuance of improvements in our street lighting throughout the Town especially on our primary and secondary streets during the year of 1960.

TREE DEPARTMENT -- Three hundred and seventy five trees were planted on new streets constructed by the Public Works Department and private contractors throughout the year. Seventeen trees were blown down by Hurricane Donna on September 12, 1960. Broken and split limbs were found on trees on practically every street in the Town. The Department was assisted in this disaster with trucks and personnel from the Public Works and Park Departments. The regular spraying schedule of the Moth Department was carried as usual. Nine hundred and sixty seven private estates were sprayed at the request of property owners, who in turn made remittances to the Town for the cost of the work. The grounds bordering the Town Hall and the Robbins House were maintained in the usual manner. The parking area in the rear of the Robbins House as well as all gravel walks were blacktopped during the year. As usual, personnel in this department removed the snow from the front platform of the Town Hall, the walks through the grounds, the parking areas in the rear of the building and at the rear of the Robbins House. These areas were also sanded when needed.

WELFARE DEPARTMENT -- Case loads in practically all categories continue to decline. Medical and hospital costs continue to increase, which offset in great part the normal reduced expenditures which might be expected from a declining case load. A new category called "Medical Assistance for the Aged" (MAA) was created during the latter part of the year by Federal and State authorities. This new program is designed to render additional assistance to elderly citizens during periods of sickness, illness, and hospitalization. In theory, this program is designed also to reduce expenditures by cities and towns; but so little is presently known about the program that we shall have to await some experience with it to determine whether or not the theoretical gains to cities and towns will work out in actual practice. In connection with Old Age Assistance, Aid to Dependent Children, and Disability Assistance, there is growing concern to cities and towns because of the slowness of State reimbursements. The Commonwealth is months and months behind in reimbursements to cities and towns, and as a consequence the actual receipts are substantially below the estimated receipts which were used originally as a basis for determining the tax rate. It is to be sincerely hoped that during the coming year the State Department of Welfare will improve its methods and efficiency in reimbursing cities and towns which will be a great advantage to such communities, including, of course, the Town of Arlington.

WIRE DEPARTMENT -- On the very sound philosophy that good street lighting is the greatest deterrent to juvenile delinquency, the past year has witnessed considerable improvement in street lighting throughout the entire Town. Reference is made to the report of the Wire Inspector for particular details in connection with this much improved lighting which has, as aforesaid, been installed for the very desirable purpose of adhering closely to the philosophy that good street lighting is the greatest crime deterrent.

VETERANS' SERVICES -- Considerate and sympathetic service to Veterans and their families continues. During the year, a total of 9,047 various types and kinds of

services was rendered to Veterans and their families. Whereas in 1959 there was an unexplained drop in applications for aid, the year of 1960 witnessed a return to normalcy. New Federal laws affecting Veterans caused more Veterans, particularly the older ones, and widows of Veterans to become eligible for pensions; consequently, the disbursements in 1960 exceeded those of any previous year. State reimbursements are very slow, none having been received for any month subsequent to September 1959. These delayed payments to the Town total approximately \$36,000 at year end.

CONCLUSION -- In concluding this, my eighth annual report, may I again respectfully point out that the attainment of all of the objectives of business-like management under the Town Manager form of local government will be accomplished only by continuing efforts. Businesslike municipal government reflects arduous efforts rather than any particular genius; the Town Manager must apply himself constantly to the task and in this respect he must elicit the full cooperation of the employees who work under his supervision and direction as well as all other associated employees and officials of the Town. In the early part of 1960, a committee was appointed by an independent civic agency to survey Town Management's First Six Years in Arlington from 1953 - 1959, inclusive. This civic agency reviewed the accomplishments of the Town Manager Plan in Arlington from the standpoint of the reasons advocated by it in 1951 and 1952 in its support of the proposed, at that time, Town Manager Plan for Arlington. In a twelve page report supplemented by two charts, this civic agency made a comprehensive study of the affairs of the Town during the period of 1953 to 1959, inclusive, at the conclusion of which the following determinations were made (Page 12 of said report):

"The review of Town Management for the particular period points up that the system is dependent upon the caliber and performance of the Board of Selectmen, who must determine, examine, and re-evaluate policy; and the professional competence of the Manager who must be dedicated to carry out the full intent of the Town Management Charter; and Arlington scores high on both points at this time."

It is my humble observation and opinion that the Town Manager Form of Government in Arlington has already shown most satisfactory results. I feel very strongly that a maximum of value has been furnished the citizens for every tax dollar spent. I sincerely believe that the records of the Town will substantiate my conclusions in this respect. It would appear that my personal opinions given here are substantially confirmed by the report referred to above.

For their cooperation during the year, I wish to thank the Honorable Board of Selectmen, the Finance Committee, the Personal Board, the School Committee, the Board of Assessors, the Office of Town Collector and Treasurer, and all other town departments, Boards and Commissions.

My thanks are extended to the employees of all departments under my supervision and control who are especially deserving of my gratitude for their fine teamwork during the year. Considering the number of complaints and the enormity of the task, faults have apparently been relatively few in the rendering of public service to the citizens of the Town.

The Town of Arlington is indeed fortunate in the number of outstanding citizens, including Town Meeting members and members of school building committees, who give of their time and effort with no compensation to the various unpaid boards and commissions of the town government. Sincere thanks are expressed to them for their truly tremendous services to the town during the year just closed.

To the citizens of the town, my sincere thanks are extended for their continued cooperation, confidence and encouragement which make worthwhile every effort expended in their behalf by their town employees, including the Town Manager.

Reference is made to other sections of this annual report for information, statistics and data of the various Town Departments for the year ending December 31, 1960.

Respectfully submitted,

Edward C. Monahan

Town Manager
